AUDIO TRANSCRIPTION

FILE 20130925 115323

Transcribed by: Rhonda Olynyk

## NOTES:

The identification of the voices on this audio recording was provided to me by Daniel Cragg, Attorney, as being Jean Robinson and Ruben Lopez.

The parenthetical "unintelligible" means that I could hear that words were being said but that at the time of transcription I could not understand what was being said.

Names of individuals and companies have been spelled phonetically.

1 (Audio File 20130925 115323, beginning at 1:15)

2 MR. LOPEZ: Let me ask you this. When the IG  
3 asked for subpoenas and they -- they removed you from  
4 the process, what were they trying to hide? What did  
5 they -- what did they not want to give the IG or what  
6 did they not give the IG?

7 MS. ROBINSON: Well, here's what the IG needs to  
8 do an investigation. The IG, I kept -- to the extent  
9 that I could tell, I kept trying to steer them in the  
10 direction. What they missed was the insider what I'm  
11 calling not-for-profit inside tradings. It's not like  
12 a public company.

13 MR. LOPEZ: Right.

14 MS. ROBINSON: The connection of the NCSE, now  
15 whatever they're calling them, NCWE executive  
16 committee --

17 MR. LOPEZ: Right.

18 MS. ROBINSON: -- and the top 20, NISH top 20,  
19 the Jim Barones, the Jerry Bettenhausen, Paul  
20 Atkinson, they just send to the meeting. So I got  
21 some -- so I got the subpoena, and I told you the  
22 story of when -- my execution, right?

23 MR. LOPEZ: Right.

24 MS. ROBINSON: As Mark Twain would say, the story  
25 about my death has been greatly exaggerated. It

1 was -- you know, everybody thinks it's funny. It  
2 wasn't funny at the time. Back at the  
3 (unintelligible), I sat with Ken from Venable, and,  
4 Jean, I don't think I've ever seen you cry. I said,  
5 (unintelligible) because it was just like, man, they  
6 beat the crap out of me, and I didn't see it coming  
7 because, like I said, you're only naive once in life.  
8 That's the problem when you get burned, you know.

9 You know, after Mumper and them came -- and that  
10 was funny too, because after I called him Sergeant Joe  
11 Friday because he did the whole routine with me, the  
12 flashing the badge, you know.

13 MR. LOPEZ: Right.

14 MS. ROBINSON: And I was nervous, not because I  
15 had done anything, but it just -- you've never been in  
16 that situation before and you've never been it, it's  
17 unnerving, what the hell. You know, I'm over it. I'm  
18 over it. And I've never had a chance to tell Mumper  
19 the story, but it was so funny. It wasn't funny at  
20 the time, but it is funny now, because I had this  
21 airhead, absolute airhead, she couldn't walk and chew  
22 gum, I'm serious, and she was a temp. Some say, oh,  
23 Jean, you're so mean. Oh, I'm not mean to people, you  
24 know, whatever.

25 So I went over to Panera to get lunch, a sandwich

1 over at the mall, standing in line, and she calls me  
2 up and gives me some story that John Smith and  
3 associates are here to see you. I said, oh, those are  
4 sales -- you know how people -- salespeople call and  
5 they show up.

6 MR. LOPEZ: Right, right.

7 MS. ROBINSON: I'm not expecting anybody. I say:  
8 John Smith and associates? I don't know any John  
9 Smith and associates. Get rid of them. I said it  
10 kind of mean.

11 MR. LOPEZ: Right.

12 MS. ROBINSON: Get rid of them. I said, they  
13 didn't have an appointment, they're just -- find out  
14 what they're selling, by the way, and I hang up. And  
15 she was like scared of her shadow. Like she called me  
16 Ms. Robinson, you know. So I hung up. I looked down  
17 at the phone. I'm still standing in this long-assed  
18 line to get a sandwich. It rings again. It's her.

19 What do you want now, Alicia? Ms. Robinson, I  
20 made a mistake. I said, what do you mean you made a  
21 mistake? They're not really from John Smith and  
22 associates. They're from the Office of the Inspector  
23 General, and they have badges.

24 I said: What? They have badges? What the hell  
25 are you talking about? It took her like forever to

1 say it. She was stuttering. I said, oh, shoot,  
2 that's different. I said, well, why did you think  
3 they were from John Smith and -- because now I'm  
4 replaying in my head what I said to her, get rid of  
5 them, put them out, whatever.

6 I said, well, where are they now? So now about  
7 30 minutes has passed. And so she says, in your  
8 office. I said: In my office? What do you mean  
9 they're in my office? They're not downstairs in the  
10 lobby or something? No. I put them in there, and I  
11 offered them a Coke and something to drink.

12 MR. LOPEZ: You got to love her.

13 MS. ROBINSON: I was like, oh, shit. So, I said,  
14 okay, well, you go back and you make sure they're  
15 comfortable. I said, you make sure they're  
16 comfortable, and you tell them that I'm over here  
17 trying to get my lunch and as soon as I get my  
18 sandwich I'll be back.

19 And so at that point I get on the phone  
20 immediately. I get on the phone immediately and  
21 called -- this is just for your entertainment. This  
22 is a funny story. So I get on the phone immediately  
23 and called our criminal counsel, right? I'm out of my  
24 league now. Hey, I don't know anything about them,  
25 you know, what to do. So I call up Venable.

1 (Discussion with the wait staff.)

2 So I called Ken at Venable, one of the lawyers at  
3 Venable, the same ones with (unintelligible). They're  
4 like former prosecutors. And I don't believe this  
5 shit. That's what I told him. I told you you guys  
6 didn't do a good investigation, because they did the  
7 investigation of the claim against Bob. I told you  
8 guys you didn't do a good investigation because  
9 there's some federal damn agents standing in my  
10 office.

11 Ken said, settle down, Jean. I said, well, what  
12 do I do? And he says, you go back and -- he says to  
13 me, did you do anything? Hell, I said, not that I  
14 know of. No, I haven't done anything. Well, go back  
15 and see what they want. I said, with counsel, without  
16 counsel? You know, I was like a little kid. He said,  
17 I don't think you need to go with counsel, but if it  
18 gets stupid or crazy or they -- see, we just knew from  
19 the NCED thing -- then call us, stop and tell them you  
20 need to call your counsel. Okay. All right. I'm --  
21 I didn't sign up for this shit. They don't pay me  
22 enough for this. That's what I said, right?

23 MR. LOPEZ: Absolutely.

24 MS. ROBINSON: So you just go, Jean, check on you  
25 in a little while. I drive slowly from the mall over

1 to the office. I get in there. Mumper literally  
2 steps to me, you know, like -- like on TV. I walk in  
3 my office. I got my little lunch in a sack. Lisa is  
4 sitting over here. Mumper is sitting over here. He  
5 stands up. Hi, my name is -- is it Scott?

6 MR. LOPEZ: Um-hmm, Scott Mumper.

7 MS. ROBINSON: Scott Mumper. He sounds like --  
8 he's doing it -- he's doing it on purpose, right?  
9 He's playing -- he's playing a role. He flashes his  
10 badge. And when I say steps to me, he kind of steps  
11 in. You know, he's tall; I'm short. And he flashes  
12 his -- he says, I'm Scott Mumper, rhymes with bumper.  
13 I looked at him. I said, oh. You know, Lisa is  
14 sitting over there looking like okay. But, you know,  
15 hindsight, but at the time it's so -- well, are you  
16 the general counsel? Yes, I am. Are you Jean  
17 Robinson? Yes, I am.

18 MR. LOPEZ: Unfortunately, yes.

19 MS. ROBINSON: I just -- I just said, yes, I am.  
20 He said, we're from the Office of -- yeah, I got that  
21 part, you know. So I'm standing. Everybody is  
22 standing.

23 MR. LOPEZ: Right.

24 MS. ROBINSON: So he said, oh, sit down. I don't  
25 know what to say. It is my damn office, thank you,

1           you know. So I sit down, and he sits down. Lisa  
2           is -- she's the good cop, good cop, bad cop. She says  
3           nothing. He probably does this all the time and won't  
4           even remember. He may or may not remember. He  
5           probably knew that he had me like a deer in the  
6           headlights.

7                        So at that point I look at him, and he says,  
8           well, I'm going to give it short and sweet. You're  
9           the general counsel, right? Yes. The copier over  
10          there work? Because they had -- they had like  
11          40 minutes to check my office out. Yeah, it works.  
12          Good, here, and he started to give me the subpoena.  
13          And he said, why don't you make a copy of it. That's  
14          a good idea.

15                       I'm starting to slowly calm down. I knew I  
16          hadn't done anything wrong, but it's just weird when  
17          somebody shows up like that. So then he says -- so I  
18          said, Mr. Mumper. Call me Scott. It's like, oh,  
19          shit.

20                       MR. LOPEZ: He's getting personal.

21                       MS. ROBINSON: It was a little better. He knew I  
22          was nervous. So I said, do you want to give me the  
23          Reader's Digest version of why you're here or  
24          something?

25                       MR. LOPEZ: Right.

1 MS. ROBINSON: And he says, well, yeah. So we  
2 took care of the business and did the subpoena stuff,  
3 and he sat back down. And he said, do you find it  
4 strange that a contract was just given to your board  
5 chair, blah, blah, blah, blah. You guys got rules  
6 against that? I wanted to say, yes, sir, I'm glad  
7 you're here. I said, well, yeah, you know, we have --  
8 we've had a lot of spirited discussions about  
9 conflicts of interest, how to avoid them, how to  
10 manage them, etcetera. I said, I was successful in  
11 getting them to enact some rules, you know, I guess  
12 we're living by them. I was aware of what you're  
13 talking about and, you know, and so he kind of  
14 mentioned Bona Fide and the case. He said, but that's  
15 not why I'm here. Oh, he said, I'm not just here to  
16 investigate that Lloyd George thing, it's broader than  
17 that.

18 MR. LOPEZ: Sure.

19 MS. ROBINSON: So he went on to say, we're here  
20 to -- the purpose of our investigation is to  
21 investigate the allocation process and whether it's  
22 transparent and fair, and then I started feeling a  
23 little better. I didn't see any orange jumpsuits in  
24 my future, you know, but you understand what I mean.

25 MR. LOPEZ: Absolutely, absolutely.

1 MS. ROBINSON: But I was like -- so I said, yes,  
2 it's been a problem, and then we talked. And so I was  
3 trying to like just be able to explain to Bob and to  
4 Jim, the rest of them, the scope of the investigation.  
5 So I said, is it just limited to the West Coast,  
6 because that's -- and he said, no, I want to impress  
7 upon you, you know. So we kind of talked and we  
8 talked, and, you know, we kind of talked it through,  
9 and then he left, and then all hell broke loose. Then  
10 from that point on, and I'll never forget it, it was  
11 February 16th, from that point on.

12 MR. LOPEZ: Which brings me to my next question,  
13 Jean. The people there at SourceAmerica, they would  
14 do anything possible to avoid responding to the  
15 subpoenas, wouldn't they?

16 MS. ROBINSON: Well, they responded. This story  
17 is kind of long. So what happened is -- then I  
18 started thinking our phones or something must be  
19 bugged or they got an insider or something, because  
20 Dave Dubinsky took (unintelligible). I mean, he and I  
21 just like went at each other's throats. And he and  
22 what's her name, Isleen --

23 MR. LOPEZ: Isleen Giminez.

24 MR. LOPEZ: Miss wannabee lawyer. She has a law  
25 degree. Anyway, so I write a -- I quickly get my act

1 together and write a memorandum telling everybody to  
2 put all these documents on hold, I got to have them  
3 for the subpoenas. You couldn't make this up, Ruben.  
4 I've been at SourceAmerica for 15 years. The next  
5 day -- I always park in the back. I always go  
6 through -- I always go through the mailroom.  
7 Everybody else goes through the front door, but I park  
8 in the back. Good habit, actually. So I pull up, and  
9 there's a huge-ass shredding truck --

10 MR. LOPEZ: A shedding truck. How beautiful.

11 MS. ROBINSON: -- sitting there, day after I've,  
12 you know, gotten 15 new gray hairs and cardiac arrest.

13 MR. LOPEZ: Sure.

14 MS. ROBINSON: I said, what are you guys doing?  
15 I come in the back door, because like most staff don't  
16 do that, they come in the front door or the side door.  
17 What the hell you guys doing, to Steve, who's the  
18 facilities guy. He said, what does it look like? I  
19 said: It looks like you're shredding, I said, some  
20 documents. Stop. Have you lost your fucking mind, is  
21 what I said to him.

22 He said, what do you mean? He says, you don't  
23 tell me what to do, I take my orders from Bob  
24 Chamberlain and Dennis Fields. And I said, I'm the  
25 general counsel of this crazy organization, and you're

1 going to take your orders from me right now. I said:  
2 Are you crazy? Do you know that federal agents were  
3 just in here yesterday and the next friggin' day you  
4 guys are in here shredding? What are you shredding  
5 anyway? Because I'm pissed.

6 MR. LOPEZ: Sure.

7 MS. ROBINSON: So I start looking at the boxes,  
8 things piled up this high, right?

9 MR. LOPEZ: Wow.

10 MS. ROBINSON: And so he said, this is stuff  
11 that's been in storage in the storage shed for two or  
12 four years, you know, he said two to three or four  
13 years. And I said, well, do you have a list of what  
14 you're shredding? How do I know that what you're not  
15 shredding isn't in my litigation hold memo, you know,  
16 the one I said? And I said -- but I haven't had  
17 time -- truth of the matter is, I hadn't had time --  
18 like they did this in the afternoon. I come to work.  
19 I hadn't had time to get my memo out. I drafted it.

20 MR. LOPEZ: Sure.

21 MS. ROBINSON: But I didn't -- it hadn't been  
22 circulated to the whole staff.

23 MR. LOPEZ: Right.

24 MS. ROBINSON: So at that point I said to him, I  
25 said, wait a minute, wait a minute, wait a minute,

1           wait a minute. I said -- so he did. The guys --  
2           it's like a company, you know, one of those companies  
3           that come in. They're just doing their job. I said,  
4           I said stop. So the guy stops. He's not getting into  
5           this.

6           MR. LOPEZ: Right, right.

7           MS. ROBINSON: So Steve said, I asked Dennis -- I  
8           said, well, you guys had a staff meeting yesterday,  
9           because I don't go -- it's one that's like a lower  
10          level staff that I don't go, but I always send John or  
11          Omar or somebody. I said, I understand that they told  
12          you guys in the staff meeting. The word was out that  
13          they had been there.

14          MR. LOPEZ: Right.

15          MS. ROBINSON: It wasn't like they didn't know.

16          MR. LOPEZ: Right, they knew.

17          MS. ROBINSON: So I went along. He says, well --  
18          I said, well, good. I said, get Dennis on the phone  
19          right now because under my orders you're stopping. So  
20          he's now -- to this day he doesn't speak much to me.  
21          It kind of destroyed our relationship, but in any  
22          event. So I called. Dennis is not up there.  
23          Meanwhile, the guys are cooling their heels like this,  
24          the shredders.

25          MR. LOPEZ: Sure.

1 MS. ROBINSON: I said, get in your truck and go  
2 home. So they got in their truck and went home. I  
3 said, hell, if they're decent agents, they should be  
4 sitting in the parking lot watching this nonsense, you  
5 know.

6 MR. LOPEZ: Correct.

7 MS. ROBINSON: Or they could be.

8 MR. LOPEZ: Right.

9 MS. ROBINSON: So in any event, so I go to  
10 Dennis. Oh, no, he told me that was just routine  
11 stuff, I didn't think it had anything to do with -- I  
12 said, well, GSA is one of our biggest customers, and  
13 so that's a lot of documents for us, and he said it  
14 was old stuff, you know, so forth and so on. So I  
15 made a mental note. You know, I didn't make a big  
16 deal of it other than I stopped the shredding, kind of  
17 cursed out Steve. I'm sure he told Dennis exactly  
18 what I said, and I was pretty curt with Dennis about  
19 when it occurred, and that was that, and he passed  
20 it off as just coincidence.

21 MR. LOPEZ: Coincidence.

22 MS. ROBINSON: But the shredding stopped, and  
23 they haven't been able to shred anything since then,  
24 by the way, and they really haven't been able to shred  
25 a lot since 2006 because, you know, we've been under

1           these perpetual holds.

2           MR. LOPEZ:   Would you say that just like  
3 Elizabeth, people were trying to destroy or get rid of  
4 evidence and not respond to the subpoena?

5           MS. ROBINSON:  Well, you know, I can only  
6 speculate.  I can't prove it.

7           MR. LOPEZ:  But, I mean, history speaks for  
8 itself, right?

9           MS. ROBINSON:  I can't prove it.  Right?  I can't  
10 prove it.

11          MR. LOPEZ:  Right, right.

12          MS. ROBINSON:  So, okay.  So but I tell the  
13 outside counsel who's handling this, you know.  And so  
14 anyway, so then the way that -- the way that went,  
15 then I go in, and then I do combat, because Dave  
16 Dubinsky says, you're overreacting, they're not  
17 investigating us, they're investigating GSA, not us.  
18 And then we have this big argument in my office, and  
19 it was almost like I had an angel or God or my office  
20 was bugged, one or the other, and the reason I tell  
21 you that is because Dave and I are having this  
22 knock-down, drag-out.  And I said, well, you know  
23 what, let's get your boss in here, let's get Dennis in  
24 here.

25          MR. LOPEZ:  Right.

1 MS. ROBINSON: I said, we're going to respond to  
2 this subpoena. We should fight it, we should do this.  
3 You know, he went through this whole big thing. We  
4 should call our lawyers, get other opinions, because I  
5 don't -- he was just fighting me tooth and nail.  
6 Dennis comes in. Well, I don't disagree with David.  
7 David says the subpoena -- he was trying to limit the  
8 scope of it. Isleen had put out a subsequent memo or  
9 something. She's not the council, she's not even on  
10 staff of the council, telling them what they ought to  
11 do in their office, how they should handle it, what  
12 they should -- what they needed to gather, what they  
13 didn't gather, you know, playing with it. And so  
14 David leaves my office. This is a true story.

15 MR. LOPEZ: David Dubinsky.

16 MS. ROBINSON: And that's when I knew God --  
17 that's when I knew God at least was on my side.

18 MR. LOPEZ: Sure.

19 MS. ROBINSON: And if you're a paranoid person,  
20 maybe the AGs are listening. Literally he walks in.  
21 You know my office is on the third floor. He gets  
22 down. So he walks out in a huff.

23 MR. LOPEZ: Right.

24 MS. ROBINSON: Dennis, with a lot of pushing and  
25 cursing literally from me, he says, you got to do what

1 Jean says. David says, you know, I'm an idiot, I  
2 don't know what I'm doing, I'm wrong. It ends.

3 MR. LOPEZ: Yes.

4 MS. ROBINSON: He leaves. He walks downstairs.  
5 He gets to the lobby, and apparently his phone rings.  
6 Now, we've had about a 40-minute knock-down, drag-out  
7 argument over the fact that his office wasn't covered,  
8 blah, blah, blah, blah, blah, and he -- you know, I  
9 win the argument because we called Dennis in. He gets  
10 downstairs, leaves mad.

11 All of a sudden my office phone is ringing,  
12 ringing, and it's David. I can see it's David because  
13 it comes up caller ID, and I don't answer it because  
14 I'm talking to Dennis. He just rings it off the hook,  
15 like -- like I know you're there.

16 MR. LOPEZ: Right.

17 MS. ROBINSON: Because he literally just walked  
18 downstairs. I picked up the phone. What do you want,  
19 David? You know, I'm in a bad mood. And he said,  
20 well, I just talked to my office, and it appears we  
21 got our very own subpoena as we were arguing about  
22 this.

23 MR. LOPEZ: Oh, this is beautiful. This is  
24 beautiful.

25 MS. ROBINSON: I started laughing. I mean, it

1 was just so funny. I just kind of looked up like  
2 thank you God, because -- and Dennis was still sitting  
3 there. I said, oh, you guys take it serious now or  
4 not? That's the problem with these guys. They  
5 don't -- they don't take anything serious.

6 So David said -- I said, David, it's really okay  
7 to apologize. Well, I just want to let you know that  
8 we got it, and now we're going to have a lawyer look  
9 at it. I said, shut the fuck up. I did, because he  
10 was making me so mad. I said, David, I said, I don't  
11 want to talk to you about this right now. Okay, I'm  
12 glad you got your own, now go back, because we were  
13 under some tight time frames.

14 MR. LOPEZ: Sure.

15 MS. ROBINSON: So then I asked Scott and these  
16 guys for an extension, and then I went and got -- no.  
17 And then I was going to -- and then I put together --  
18 after Scott briefed me and Lisa briefed me, I put  
19 together a series of questions and concerns that  
20 Mumper had mentioned to me. So we have a board  
21 meeting, and that's when I say to them, you know, the  
22 agents were there, you've read my memorandum, this is  
23 serious, you guys need to cooperate and do this.

24 The next thing I know is they had a plan -- they  
25 had a plan of attack, but I didn't know it, and then

1           they went into executive session, and they -- for  
2           three hours. Ask Denise Driver. She was there. For  
3           three hours these people beat on me, I mean -- I mean  
4           literally. I mean, I took it, but they -- they pushed  
5           back. They said I didn't have -- I had an agenda, I  
6           was with the bad guys, meaning you, on and on and on,  
7           and they fussed, and I needed to be summarily  
8           dismissed and so forth. Oh, yeah, they went on and  
9           on. And so then they had an executive session and  
10          told Bob that I had to go.

11                 Now, the presentation that I prepared, I had run  
12          it by Gregg Bender, Bob, and Dennis, and they helped  
13          me with the questions.

14                 MR. LOPEZ: Right.

15                 MS. ROBINSON: But when I was getting my ass  
16          kicked for three hours --

17                 MR. LOPEZ: Not a peep from them.

18                 MS. ROBINSON: -- this is what they did.

19                 MR. LOPEZ: Really.

20                 MS. ROBINSON: I mean, it was coming from every  
21          damn direction. And David was in there, but, you  
22          know, he wasn't picking up on stuff.

23                 MR. LOPEZ: Right.

24                 MS. ROBINSON: And so they shot the messenger.  
25          And I said, look, you people, they're investigating

1           how these contracts are allegedly being steered to  
2           you as insiders and how you guys are on the board and  
3           at the same time participating in the program, getting  
4           contracts over people who are not on the board, blah,  
5           blah, blah, blah, blah. Do they say that? Do they  
6           say -- you know, that was like -- the subpoena doesn't  
7           say that. So they went into that. So then they tried  
8           to -- so then they lawyered up. They had lawyers  
9           standing outside. It was a mess. It was just a big  
10          mess. And then the bottomline is they -- they told --  
11          they took a vote of confidence and told Bob he had to  
12          fire me. They couldn't do it --

13                 MR. LOPEZ: Right.

14                 MS. ROBINSON: -- because I was an employee. God  
15                 takes care of fools and babies. I had just switched  
16                 over, and I was really -- didn't want to switch over.  
17                 I wanted to keep my own independence. But God knew  
18                 that that was coming, I guess.

19                 MR. LOPEZ: Right. He did, he did.

20                 MS. ROBINSON: So I switched over, so they  
21                 couldn't -- they couldn't do it. Bob had to do it.  
22                 So they ordered Bob to do it. And then my counsel  
23                 went South on me. You know, they were like, well,  
24                 you know, Jean -- when I say they went South, it's  
25                 like, you know, when things get hot, (unintelligible)

1 from the South.

2 MR. LOPEZ: Right.

3 MS. ROBINSON: And they're like, well, we can  
4 handle it, and plus they wanted the work. And they're  
5 good friends, and I said -- I said, you guys are  
6 whores, you just want the money of handling this.

7 MR. LOPEZ: Sure.

8 MS. ROBINSON: And so I said, these guys are  
9 crooked, I now have gotten too close to the game, but  
10 I've been vocal about it, and I've challenged them  
11 about it, and I now am out the door. So I was  
12 supposed to call Lisa back, and I wasn't calling Lisa  
13 back.

14 MR. LOPEZ: Right.

15 MS. ROBINSON: Because the lawyers got me in a  
16 room and said, Jean, you have a professional  
17 responsibility, an ethical thing to your client, you  
18 can't call Lisa and tell her what happened at the  
19 board meeting about your execution and all that. I  
20 was like --

21 MR. LOPEZ: Right, right.

22 MS. ROBINSON: You know, but they told me, they  
23 said, well, Jean, but they're going to hamstring you.  
24 No. What they told me is good advice.

25 MR. LOPEZ: They're lawyers for them or --

1 MS. ROBINSON: Well, for the organization.

2 MR. LOPEZ: For the organization.

3 MS. ROBINSON: But they're lawyers that I knew.  
4 They're the same people who -- I mean, they knew in  
5 their hearts these people.

6 MR. LOPEZ: Sure.

7 MS. ROBINSON: And they said, Jean, don't get  
8 (unintelligible), here's where they're going to get  
9 you. They got other lawyers advising them off the  
10 record, and what they're going to say is, you  
11 represent the organization, and there's infighting or  
12 whatever, whatever, and you can't reveal to them,  
13 otherwise you'd be breaching some big code of --

14 MR. LOPEZ: Sure.

15 MS. ROBINSON: They went through this whole  
16 thing.

17 MR. LOPEZ: Sure.

18 MS. ROBINSON: I said, screw that, I said, but  
19 I'm going to get Bob and them if it's the last thing I  
20 do because this was a setup.

21 MR. LOPEZ: Exactly.

22 MS. ROBINSON: And so what happened was -- so  
23 they said -- so they took me -- so Bob -- Bob is not  
24 totally dumb. I mean, you know, he didn't walk  
25 through the back door of Harvard or anything. He

1           ain't smart, but he also -- so he's a coward. So he  
2           didn't -- so Jim Barone and all the terminators told  
3           him, you fire her right away.

4                        So Bob called me. It was like a weekend he  
5           called me, and he said, don't show up, we've got to  
6           figure out what to do with you, the board voted a vote  
7           of no confidence, and they've asked me to -- they  
8           don't want you around. And I said, because of a  
9           presentation that you helped me prepare, that you  
10          didn't even -- yeah, I went -- I was like going on.

11                       MR. LOPEZ: Right.

12                       MS. ROBINSON: And so he said, well, we're going  
13          to just let the outside counsel -- I said, I'm still  
14          your general counsel. You going to take me off the  
15          investigation? Because they were like take her off,  
16          you know, get her out of it.

17                       MR. LOPEZ: Right.

18                       MS. ROBINSON: And so you are no longer  
19          authorized to deal with this investigation, you have  
20          to turn it over to outside counsel, and you cannot  
21          call back the agents representing us, you know, blah,  
22          blah, blah, blah, blah. I said: Well, what job do I  
23          have? I mean, am I the general counsel? I don't  
24          understand. So it went around and around and around.  
25          And the other counsel said, just chill, Jean, we don't

1 know what to do, we're going to -- we're going to call  
2 you for everything. I said, no, but it's principle,  
3 you know, these guys, I don't like this.

4 So finally -- Lisa kept calling me. I wouldn't  
5 return her calls. And finally we talked, and I said,  
6 Lisa -- and the lawyers had scripted me very carefully  
7 what I could and could not say. I figured she could  
8 read between the lines. I said, Lisa, you will no  
9 longer be dealing with me, and you need to direct all  
10 inquiries to our outside counsel, Venable, and blah,  
11 blah, blah, blah, blah. So Lisa got it. She -- I  
12 mean, and I don't know if it was the way I -- she got  
13 it without me saying it. She said, Jean, you go back  
14 and -- you go back and tell the boys in Washington  
15 that I ain't stupid and I see what they're doing and  
16 that's fine, that I won't, you know, contact you  
17 anymore, I'll contact these new guys, but you tell  
18 them that I need what's on that subpoena and I need it  
19 now and I need -- and I want it, and they know what I  
20 want and stop asking questions.

21 MR. LOPEZ: Right.

22 MS. ROBINSON: So apparently Venable went at the  
23 agents hard, and they were nasty, and they were  
24 pushing back and doing -- you know, they were trying  
25 to be super heroes, and so then another thing

1           happened. So I told Venable, who I still, you know,  
2           deal with, I told Venable, I said -- I said: You  
3           know, you guys are being used. Bob hates you guys.  
4           Remember you're the guys who investigated him, and he  
5           hated your guts, and now all of a sudden he loves you?  
6           He loves you so much that only you can deal with this  
7           investigation better than me? And Bill Coleman and  
8           the rest of them, they all voted for that. And I  
9           said, you guys are full of shit, but okay, all right,  
10          you know.

11                 So the NCWC, they had -- they had their party.  
12          They had -- Denise Driver and those guys told me about  
13          this, like they did with David. They were drinking  
14          and celebrating that I was gone, don't have to worry  
15          about her ass anymore, the whole nine yards. What  
16          they did was they entrusted the execution to a coward  
17          who could not look me in the eye and say, Jean, get  
18          your shit and get, I mean, you know.

19                 MR. LOPEZ: Bob.

20                 MS. ROBINSON: You know, he couldn't do it, he  
21          couldn't do it. And so I was in this la-la-la land  
22          because I didn't know whether to come to work, what to  
23          do. So counsel said to me, show up, show up, just get  
24          your paycheck, Jean, you know. I said, what am I  
25          going to do, just sit? I said, that's not me, I can't

1           come and sit in the corner. So they said: But, Jean  
2           we're going to take direction from you. You know, we  
3           don't care what Bob and them says, whatever you tell  
4           us to do. Yes and no. So I said, yeah, right.

5                        So the bottomline of it all was that I told Bob  
6           and I wrote some things and told him this is wrong,  
7           you know, and then he went through the what are we  
8           going to do with you, and they took me totally off it,  
9           and then Venable handled it. And then insurance got  
10          involved, and they didn't -- they couldn't -- so we  
11          had to switch counsel, and by happenstance -- now, I  
12          had kind of worked out a deal with Venable. They were  
13          listening when I tell them. They thought I was  
14          paranoid, they think I'm crazy, they think I'm making  
15          stuff up. But the bottomline is then the insurance  
16          company says, we're not going to use Venable, they're  
17          too much, and I know Lisa was happy because Venable  
18          was kicking the agents' butts. I mean, they were  
19          coming up with everything they could possibly, they  
20          were -- just any roadblock.

21                      MR. LOPEZ: Sure.

22                      MS. ROBINSON: And so then what happened was we  
23          ended up with Carlos. That's how Carlos --

24                      MR. LOPEZ: Right.

25                      MS. ROBINSON: But I didn't -- so then I looked

1 up Carlos's firm, and I knew them because that firm  
2 had made me an offer. And when I looked up Carlos, I  
3 was like, I don't know, I don't know if he can handle  
4 this, and I thought, this is going to be even worse,  
5 they're going to tell him all kind of crap, and he's  
6 not going to -- then I met him, we kind of hit it off,  
7 and later I decided it was a godsend, because the  
8 Venable people I really couldn't control and they were  
9 listening to what Bob and them were telling them and  
10 Carlos was more open and he's just a fair, upstanding  
11 kind of lawyer.

12 MR. LOPEZ: Good.

13 MS. ROBINSON: He was doing the defense, you  
14 know, and he was so naive, I mean, at first, and then  
15 after a while -- and one thing, you may never -- you  
16 probably don't remember this. We were on the phone  
17 with Scorsine, and you said, now, Carlos, I have a  
18 question for you.

19 MR. LOPEZ: Right.

20 MS. ROBINSON: It's kind of the --

21 MR. LOPEZ: I remember that.

22 MS. ROBINSON: It's kind of the lawyer joke now.  
23 I mean, when I say it's a lawyer joke, whenever -- so  
24 we look at Carlos and say, Carlos, we got a question  
25 for you.

1 MR. LOPEZ: Right.

2 MS. ROBINSON: And so he said, stop it, because  
3 remember he didn't -- he knew what you were saying was  
4 right. You said, now do you understand how these  
5 people work and, you know, what they do? And, you  
6 know, he couldn't admit that because it would be  
7 against his client, right? And then Scorsine stopped  
8 you and said, stop it, you know, you can't --

9 MR. LOPEZ: That's why -- I want you to know,  
10 that's why Scorsine got fired, for that.

11 MS. ROBINSON: But he should have just let it go.

12 MR. LOPEZ: He should have just let it go.

13 MS. ROBINSON: Because -- because what it was, is  
14 it was helping -- in other words, I'm telling these  
15 lawyers, you know, they're our clients and we -- we  
16 put up a defense, but we don't have to go overboard.

17 MR. LOPEZ: Correct.

18 MS. ROBINSON: We don't have to create facts, you  
19 know. And so long story short, Carlos said, shit, can  
20 you believe Ruben asked me that question? And I  
21 said -- I said, well, you did -- yeah, I believe it.  
22 I said, and I was really waiting on your answer, but  
23 Scorsine -- he said, why didn't you take me out, you  
24 know, he didn't get mad at me, why didn't you take me  
25 out. Because I just wanted to see you stutter --

1           because when Carlos gets nervous, he stutters. I just  
2           wanted to see you stutter your way through that one.  
3           Oh, I mean, yeah. He just kind of laughed.

4           MR. LOPEZ: Jean, I want to ask you.

5           MS. ROBINSON: Go ahead, get to your questions.

6           MR. LOPEZ: I apologize, but this is --

7           MS. ROBINSON: Okay.

8           MR. LOPEZ: The concern that the National  
9           Council, the one that we're talking, the work centers,  
10          now they're called a little different --

11          MS. ROBINSON: NCSE.

12          MR. LOPEZ: NCSE. NCSE. What does that stand  
13          for?

14          MS. ROBINSON: National Council Source/America  
15          Employers.

16          MR. LOPEZ: Oh, beautiful.

17          MS. ROBINSON: Oh, David made a -- he wrote a  
18          very nice letter on that. Get that letter he wrote --

19          MR. LOPEZ: Okay.

20          MS. ROBINSON: -- saying how the hell you guys  
21          call yourselves that, you're supposed to be the  
22          conscience of NISH, not SourceAmerica.

23          MR. LOPEZ: My question is how someone gets on  
24          that board, how does one get on that board, on that  
25          council.

1 MS. ROBINSON: On the NC --

2 MR. LOPEZ: NCSE. How do they get in there?

3 MS. ROBINSON: That's a good question. On the  
4 executive committee -- well, this is what I was trying  
5 to walk Lisa and Scott through. I was trying to --  
6 Scott said, well, who in the hell is the NCWC?  
7 Because when he came to raid us that day, Bob and all  
8 those guys were at the NCWC.

9 MR. LOPEZ: There you go.

10 MS. ROBINSON: They were there, and he was like,  
11 yeah, and I want to know what that is too.

12 MR. LOPEZ: Who are these people.

13 MS. ROBINSON: Okay. So what happens is they  
14 elect from the body, like you're a member. By being  
15 an affiliate you're automatically a member of the  
16 NCW -- National Council of Work Centers. I forget  
17 whatever the new name is.

18 MR. LOPEZ: How come no one told me?

19 MS. ROBINSON: Well, you were going to the  
20 regional meetings and stuff, right? Weren't you? Or  
21 was that David that was going there?

22 MR. LOPEZ: That was David.

23 MS. ROBINSON: You didn't go to any of them?

24 MR. LOPEZ: No, no. I wasn't invited, for  
25 obvious reasons.

1 MS. ROBINSON: Oh, David just went. David is  
2 the only person I know that comes. Well, the way it  
3 works is everybody who's a producing CRP, in other  
4 words, that has a contract, is a member.

5 MR. LOPEZ: Okay.

6 MS. ROBINSON: But then they have an election  
7 where they elect their executive committee.

8 MR. LOPEZ: I see.

9 MS. ROBINSON: Okay? And you have to run for it  
10 amongst your peers, I mean amongst the other NCWC  
11 members.

12 MR. LOPEZ: Right.

13 MS. ROBINSON: And then they -- and then they  
14 elect -- within that group then they elect officers.  
15 Now, the connection between them and SourceAmerica is,  
16 and this is -- this is one of (unintelligible),  
17 another thing I've lost on, is that I said to them,  
18 who are you people and what do you do and how do you  
19 connect and why do we pay for everything for you?

20 MR. LOPEZ: Correct.

21 MS. ROBINSON: You know, here it is tight times,  
22 we're talking about laying off employees. And they  
23 meet concurrent with our board meeting, and then they  
24 stand -- so they like meet the first two days of our  
25 board meeting. We assign them a staff person,

1 Nancyellen and John Kelly, Nancyellen Gentile, she  
2 took Barbara VanEllen's place, and Paula Scanlon and  
3 John Kelly. We assign staff to them to help them with  
4 their meetings and all that.

5 MR. LOPEZ: Right.

6 MS. ROBINSON: What they're supposed to be is the  
7 conscience of SourceAmerica. They're supposed to be  
8 the people who say, we're the real doers, you guys are  
9 the paper-pushing jockeys, we're the real doers, these  
10 are the issues that are important to affiliates,  
11 etcetera, etcetera. So they're -- they're supposed to  
12 be not the rabble-rousers, but kind of.

13 But I said, well, this is all screwed up. How  
14 can you guys be my conscience when I pay for you --  
15 for you to be here and pay your meal and pay your --  
16 you have no funding.

17 MR. LOPEZ: Right.

18 MS. ROBINSON: You know, you're in my pocket.  
19 Man, they were pissed, because they acted a fool that  
20 day with me too, the day of the subpoenas. They said  
21 they weren't responding to shit.

22 MR. LOPEZ: Are these people that should be  
23 included when we're saying if things are changed, they  
24 should also be changed?

25 MS. ROBINSON: Oh, they've got to be. Well,

1 here's the biggest thing. Here's the biggest thing.  
2 The new officer, the new chair, Bill is about to go  
3 out. He was a waste of time, but he's about to go  
4 out. It would be Paul Atkinson.

5 MR. LOPEZ: Paul Atkinson.

6 MS. ROBINSON: But let me tell you the mistakes  
7 that these people have made. Okay. So Jim Barone was  
8 elected as chair. He changed the bylaws, he changed  
9 the governing documents, he hired consultants, they  
10 helped him do this, for the sole purpose of  
11 eliminating the other people he couldn't -- for  
12 example, Barbara Nurenberg, she is occupied with  
13 sitting on a board that they couldn't vote on, they  
14 couldn't do anything. So she didn't care; she could  
15 make as much trouble as she could make. And he found  
16 a way to put term limits in.

17 MR. LOPEZ: Oh, term limits.

18 MS. ROBINSON: So that -- yeah, yeah, yeah. And  
19 so the long story short is he changed documents, but  
20 he also changed it so that the way they perpetuate  
21 themselves is -- I'm telling them OIG doesn't like  
22 this. No, they can't make us change our rules, but  
23 they can certainly say it's not in the public's best  
24 interest, blah, blah, blah, blah, blah. And I said,  
25 they can point it out and make life miserable for us.

1 No, they can't. They can't do shit.

2 Barone called me up. He calls up Bob, and he  
3 called me up. We need a different -- we need a lawyer  
4 who knows something more than Jean, because, first of  
5 all, the OIG doesn't even have jurisdiction and power  
6 to investigate NISH, we're not the government. I  
7 said, whatever lawyer you got that answer from, let me  
8 talk to him or her.

9 MR. LOPEZ: He missed a couple of years.

10 MS. ROBINSON: No, but these guys got in a room,  
11 and they met behind my back, and they said I was  
12 incompetent, and they clearly had opinions that the  
13 OIG had no right to investigate NISH as a private  
14 sector nonprofit organization. But, anyway, so  
15 Venable finally told them that's not quite accurate,  
16 but -- but -- so, anyway, what they did is, is he  
17 changed the rules to get certain people off, including  
18 David, because what he was going to do -- you know,  
19 David got on by being a write-in candidate, remember?

20 MR. LOPEZ: Yes, I remember that.

21 MS. ROBINSON: So he changed the bylaws. That's  
22 the first time I called David aside, you know, tried  
23 to work from the inside out. I was like -- but he  
24 wasn't the quickest guy in the world, so I'm like --  
25 but he didn't know if he could trust me. So I was

1           like, David, they're trying to change the bylaws so  
2           that we can no longer have write-in candidates, and,  
3           you know, they want to say that you've got a  
4           (unintelligible). So he got it, but it took a lot  
5           of -- and I was really stepping out there because I  
6           didn't know the guy well enough to know what he would  
7           do with it and it was kind of dangerous, so -- but I  
8           was trying to help him out to understand the  
9           structure. So they changed the rules, they changed  
10          the bylaws to eliminate people who would be  
11          problematic, but they also changed it so that the  
12          chair -- take out write-ins, but that somebody can  
13          occupy an office and run for regional election, so  
14          occupy like two chairs at the same time.

15                 MR. LOPEZ: Correct.

16                 MS. ROBINSON: Two seats. Why would you want to  
17          do that?

18                 MR. LOPEZ: Right.

19                 MS. ROBINSON: If everybody is saying that you  
20          guys are an incestuous old boy and girls club. And so  
21          Paul Atkinson is on the officer track, and he's  
22          chair-elect. He's going to be the new -- he can't  
23          stand me either. He's going to be the new chair, and  
24          he's their boy. He's from Eggleston, and they give  
25          him all the contracts.

1 MR. LOPEZ: Eggleston?

2 MS. ROBINSON: Eggleston. He used to be David's  
3 mentor.

4 MR. LOPEZ: Oh. David Dubinsky's.

5 MS. ROBINSON: And I finally -- no, David  
6 Gonzales.

7 MR. LOPEZ: David Gonzales. I'm sorry.

8 MS. ROBINSON: And I told David, I said: Mentor?  
9 They've assigned him to watch you and to kill you,  
10 literally, I mean -- I mean literally.

11 MR. LOPEZ: Wow.

12 MS. ROBINSON: And he was like, no, me and David  
13 go way -- I said -- I said: Look, he's the guy -- I  
14 know he's your mentor, but because he is your mentor,  
15 they -- they want to get information from you, and  
16 I've heard the conversation. That's all I can tell  
17 you. I've been in the room when he said he can handle  
18 you and he had you under control. I said: So  
19 understand that's not your friend. You can tell him  
20 stuff, but only stuff that you want to. It took him a  
21 long time to believe it. He finally did. He was the  
22 main one who said, let's kick his ass off the board.

23 But the long story short, Jim Barone changed the  
24 rules so that Paul Atkinson -- just so they wouldn't  
25 have to bring in new people to the board, they changed

1 the rules so he could run. So this last time  
2 Catherine Meloy, who's right here in D.C., she's a  
3 new -- new to the board, sharp lady, very sharp lady,  
4 Goodwill exec. Bob loves her, by the way. I think  
5 Bob has a crush on her. It's good. She looks a lot  
6 like his wife. She's blonde. She's a -- she's a  
7 pretty classy lady, not compromised or anything, but  
8 she doesn't know what she's crawled into.

9 MR. LOPEZ: Right. Yet.

10 MS. ROBINSON: But, anyway, she ran against him  
11 and lost, but it was -- we had to run the election  
12 three times. It was close. And finally, I couldn't  
13 tell her this, but I told somebody else to tell her  
14 this, because the ballots come to me. So I said to  
15 her, I said, here's what you -- what she needs to do  
16 is tell the people: Why would you vote for Paul?  
17 That's a wasted vote. Because Paul is on the NCWC, he  
18 is chair-elect of the NISH board already. He doesn't  
19 need to be the East region rep, which would have been  
20 replacing David.

21 MR. LOPEZ: Right.

22 MS. ROBINSON: So they kicked David off, and they  
23 replaced him with their person. They weren't going to  
24 have any naysayer in that region again. So finally  
25 she wrote a letter like that to the voting population,

1 and she won, because, you know, all the Goodwills  
2 voted for her, but it was still too damn close, you  
3 know.

4 MR. LOPEZ: Right. Sure.

5 MS. ROBINSON: It was one of those times when I  
6 was like, oh, because, you know, they have people in  
7 there watching me count the votes, whatever. I was  
8 like, please God. Because the thing is, is that it  
9 wouldn't have made any sense for him to -- even if he  
10 lost the election, he's still going to be on the  
11 board.

12 MR. LOPEZ: Sure.

13 MS. ROBINSON: So it was a way of closing down  
14 the size of the board. Now, he gets any contract he  
15 wants. He's always the guy who creates the pilot  
16 projects, and then three weeks later he's the guy  
17 who's the participant. And so clearly -- and he says,  
18 you know, that's the problem with lawyers. You know,  
19 Jean, you know, we just don't need to hear from you at  
20 all. I said: Oh, you're going to hear. I'm going to  
21 do my report. You know, I'm going to do my report.  
22 I'm going to get on the record.

23 MR. LOPEZ: Right.

24 MS. ROBINSON: But the bottomline is she won, she  
25 squeaked in, and her first board meeting was recently,

1 and she and I -- I know her from Goodwill, I mean,  
2 not well, but I mean, we had some allegiance. And she  
3 started asking some questions, and I'm like, you ain't  
4 going to be long for this board.

5 MR. LOPEZ: Right.

6 MS. ROBINSON: So I meant to have lunch with her  
7 just to tell her, you even think it, just chill for a  
8 minute, because they will assassinate you, you know,  
9 quickly, and she doesn't know that yet. But that  
10 gives you an example of how they changed.

11 Now, Paul was also occupying the NCWC rep. So  
12 he's wearing all these hats. In other words, NCWC has  
13 a seat on our board --

14 MR. LOPEZ: Right.

15 MS. ROBINSON: -- along with Access and some  
16 others. They have a standing seat.

17 MR. LOPEZ: Sure.

18 MS. ROBINSON: And so there's no need -- my point  
19 to them is, so you guys -- I know I'm interrupting  
20 your golf game and all that, but you guys come here to  
21 meet, we pay for you to have your meeting, the meeting  
22 space, give you staff time, and then you stay for our  
23 board meeting, and we pay for that too. Why can't  
24 your agencies pay for that?

25 MR. LOPEZ: Right, right.

1 MS. ROBINSON: You know, you just have an  
2 interest, I said. But in addition to that, I said,  
3 you know, you have a person sitting on our board. So  
4 conceivably that representative should go back to them  
5 and say, this is what happened, it's blah, blah, blah,  
6 blah, blah.

7 MR. LOPEZ: Right.

8 MS. ROBINSON: There's no need for us to pay for  
9 that entire executive committee to hang out, but it's  
10 all a club, you know, it's like -- and so what I was  
11 telling -- and those are the people when we filed the  
12 subpoena -- when they filed the subpoena and I was  
13 getting back information, they all lawyered up like  
14 crazy. They said, we don't have to answer that  
15 subpoena, we're not covered by it. And I said, it  
16 says board, board advisors. And I think I had told  
17 Lisa or somehow they had figured it out, but they had  
18 them covered by it.

19 MR. LOPEZ: Right.

20 MS. ROBINSON: Well, they don't care. They just  
21 blew me off. So I told the outside counsel, Carlos  
22 and Daphne, I said: Look, I want you to put together  
23 a list of everybody who's turned in their stuff, and  
24 you're going to find that many of the main movers and  
25 shakers and the most corrupt ones they haven't turned

1 in a damn thing. Why aren't you guys enforcing this?  
2 Well, we don't have to. Lisa and Scott don't seem to  
3 care. They trust us enough that they're going to take  
4 what we give them. And Carlos, you know, he  
5 wouldn't hide anything from them.

6 MR. LOPEZ: Right.

7 MS. ROBINSON: It's just you only know what you  
8 know.

9 MR. LOPEZ: Sure.

10 MS. ROBINSON: And I said, but these people can't  
11 just ignore a subpoena, and I said, and I know there's  
12 no way that Scott and Lisa are going to get a chance  
13 to read all -- and then the Las Vegas GSA stuff  
14 happened, so they got kind of re --

15 MR. LOPEZ: Right.

16 MS. ROBINSON: -- you know, redirected and  
17 redeployed. And, you know, I don't know where those  
18 documents are now. I mean, you know, conceivably they  
19 should still be right where they were because I put  
20 out a hold and they're not supposed to destroy them,  
21 but these people have not responded to that.

22 Now, to answer your question how do you -- so  
23 what they do is they vote -- the privileged group  
24 votes, and then there's a correlation between NISH  
25 board and the NCWC, and what I mean by that is, Denise

1 Driver pointed this out to me, with the exception  
2 of a couple that are smart enough, like Peckham, he  
3 knows not to come onto the NISH board, but that is a  
4 steppingstone or a route into the NISH board.

5 So -- so that's -- that's the way the club works  
6 is you get elected to NCWC executive council or  
7 whatever they call themselves, and then you -- when  
8 your time is up there, then you rotate off of there  
9 and on to the NISH board, and the NISH board has a  
10 nominations committee or now it's called governance  
11 committee, and they handpick people. They handpick  
12 people to run in the election, which has always  
13 been -- even Bob didn't -- even Bob didn't go along  
14 with this. In other words, if you're in a region --  
15 okay, let's say you. You are in a region, and the  
16 West Coast spot is open, and you say, I think I want  
17 to run.

18 MR. LOPEZ: Right.

19 MS. ROBINSON: You turn in all your stuff. They  
20 go in a room and close the door. We're not letting  
21 them do that, we're not doing it, we're not even going  
22 to let them get on the ballot.

23 MR. LOPEZ: Right.

24 MS. ROBINSON: So I'm going, who are you guys?  
25 They said, we do -- they told me -- this is what they

1 told me. Paul Marchand told me one thing. He said,  
2 Jean, we do whatever the hell we want to do.

3 MR. LOPEZ: Paul Marchand. Who is he?

4 MS. ROBINSON: He -- he is now off the board, but  
5 he was on the board for like 30 years.

6 MR. LOPEZ: 30 years.

7 MS. ROBINSON: Another crooked -- crook, but --

8 MR. LOPEZ: He says, whatever I want to do,  
9 whatever we want to do.

10 MS. ROBINSON: (Unintelligible). They --  
11 I was at one of these nomination committee things,  
12 true story, and they decided to take like seven  
13 minorities off the board. We only had about seven,  
14 and I'll tell you how that happened. Actually, me and  
15 Denise and some others made that happen. Like I'd  
16 call you up and say, Ruben, I need you to run for the  
17 board.

18 MR. LOPEZ: Right.

19 MS. ROBINSON: And this is when staff had some --  
20 Jim Barone quickly (unintelligible). Jim Barone must  
21 have said to Bob, look around, where the hell did all  
22 these black people and minorities come from?

23 MR. LOPEZ: Right.

24 MS. ROBINSON: Because never in the history of  
25 NISH have they had any diversity on the board. Now,

1           they weren't all there at one time, but it was -- you  
2           know, we slowly -- like we'd say, Ruben, run, and then  
3           we'd tell everybody in that region vote for Ruben, you  
4           want to vote for Ruben. It's kind of how David got on  
5           the board.

6           So -- so, anyway, the bottomline was, we were in  
7           a meeting, and Paul Marchand, I said to him -- I sat  
8           there and watched him, and my mentor is a guy in  
9           Wisconsin who's chairman of a huge firm. He's  
10          African-American, Harvard lawyer, very smart guy,  
11          but I've known him all my life. I used to hang around  
12          my big bother. He came on the board. He's one of  
13          those major corporate boys. He didn't have time to be  
14          on the board, but he came on, and kind of because he  
15          has post-polio, so he could kind of see what's going  
16          on.

17                 MR. LOPEZ: Sure.

18                 MS. ROBINSON: He asked a few questions. I  
19                 thought, this is the most conservative, cool-headed  
20                 guy in the world. In my whole life I had never seen  
21                 him raise his voice, and I mean that. I mean, he took  
22                 a lot of shit to get to be -- there are like two  
23                 African-American chairmans of major firms in the  
24                 country, and he's one of them. NISH brought the worst  
25                 out in him.

1           He and Paul Marchand, I thought were going to  
2           have a fight over diversity vendors. He said, we  
3           should be trying to diversify who we give contracts  
4           to, and we should be trying to diversify our vendors  
5           who we do business with in terms of contractors. And  
6           Paul said, you know, you haven't been here for a  
7           minute, you need to just come in and be quiet. That's  
8           the way they were talking. And he said, you -- you  
9           know, so anyway they almost had a fight. But so they  
10          put him off, and they put -- we had Melphine Evans  
11          from BP. They put her off. They put all these people  
12          off.

13                 So when they finished, I sat there, and I watched  
14          Jean Johnson. They always have like a Bill Coleman or  
15          someone who thinks that they're great people helping  
16          them to do this, and so when they got them all put  
17          off, I'm like, well, you guys have managed to decimate  
18          our diversity effort in one fell swoop,  
19          congratulations. You have eliminated and you refuse  
20          to put on seven minority -- I went down the list. So  
21          I was going down the list as I said it, and he pounded  
22          on the table literally, and he jumped out of his  
23          chair, and he got in my face, and he said, I hate it  
24          when you do that shit. And I kind of sat back, and I  
25          looked at him, and I said, excuse me? I did. I

1 just -- he said, I hate it when you do that shit. He  
2 said, you exaggerate, he said, we got rid of the whole  
3 diversity effort in one fell swoop. He said, after  
4 all, there is one white boy on there just like me that  
5 we're kicking off too. So everybody like turned red,  
6 and people were -- you know, he was in my face.

7 MR. LOPEZ: Sure, sure.

8 MS. ROBINSON: I leaned back just like this.  
9 I'll never forget it. I looked at him, and I said,  
10 Paul, he is on the list to go off, but you and I both  
11 know -- and Bob was sitting over there, you know --  
12 you and I both know that you guys will find a way to  
13 put him back on faster than you can say how much you  
14 hate Jean Robinson. So he turned around and sat down,  
15 and he stormed out. Okay. Who was that one person?  
16 Rick Beaman, Bob's -- used to be on the Commission.

17 MR. LOPEZ: Okay.

18 MS. ROBINSON: Bob's next-door neighbor and very  
19 close friend.

20 MR. LOPEZ: Wow. So he went from the Commission  
21 to --

22 MS. ROBINSON: He is now -- hold on. He is now a  
23 head of the HR committee. He was the chair of the  
24 audit committee when Gregg Bender was being  
25 investigated.

1 MR. LOPEZ: Oh.

2 MS. ROBINSON: Okay?

3 MR. LOPEZ: Yes.

4 MS. ROBINSON: This is all for your notes. So I  
5 was right, but I said it -- I never raised my voice,  
6 just as calmly as I'm saying it now, and I sat back,  
7 and that was that. And I looked over at Jean Johnson,  
8 who's black and a lawyer, and literally -- like you  
9 know when we get nervous, like our temple.

10 MR. LOPEZ: Right.

11 MS. ROBINSON: You could just see -- I was like,  
12 she's going to have an aneurysm or something.

13 MR. LOPEZ: Right here, right now.

14 MS. ROBINSON: She's like this to me, right? So  
15 we go to the bathroom, the ladies room. She said:  
16 Have you lost your mind? These people are going to  
17 kill you. I said, what are they going to do? They're  
18 going to do -- it didn't matter what I said. Are the  
19 people on the board anymore? She said no. I said,  
20 are you a black board member sitting in here letting  
21 them do this? Yes. I said -- now, it wasn't spite.  
22 I mean, it was more than spite, but I was just saying  
23 that to her. And so I said, they're going to -- these  
24 people are going to do what they want to do, I've long  
25 lost -- I don't lose sleep over it anymore. I

1 used to, used to. You know, when you're younger,  
2 more naive, you think you can change things.

3 MR. LOPEZ: Right.

4 MS. ROBINSON: And so I said, you guys are going  
5 to -- then one guy, Bill Mead, Job Options Bill Mead.

6 MR. LOPEZ: Yeah, Bill Mead. Yes.

7 MS. ROBINSON: I stopped going to the nominations  
8 committee because I think I was going to kill  
9 somebody.

10 MR. LOPEZ: Right.

11 MS. ROBINSON: He said one time at the time when  
12 we had loaded the board up, it was over -- it took us  
13 five years to do it.

14 MR. LOPEZ: Right.

15 MS. ROBINSON: We just slipped one in each year,  
16 because Denise's job, Denise Driver's job was to go  
17 out and find people for the board, because Bob is too  
18 lazy to do it, and Bob really didn't care at that  
19 point.

20 MR. LOPEZ: Right.

21 MS. ROBINSON: And so I said, hey, we need to add  
22 a little diversity to this board.

23 MR. LOPEZ: Right.

24 MS. ROBINSON: Get some smalls here.

25 MR. LOPEZ: Sure.

1 MS. ROBINSON: You know, get some people who  
2 wouldn't normally -- not in the club, is what I told  
3 her, one a year. They weren't paying attention. They  
4 were too busy scheming on something else.

5 MR. LOPEZ: Right.

6 MS. ROBINSON: You know what I mean? And so they  
7 looked up, and all these people were there. I swear  
8 to you, we didn't even know some of these people. It  
9 wasn't like we went and said, let's go get all our  
10 friends.

11 MR. LOPEZ: Sure.

12 MS. ROBINSON: We didn't do that. And Denise  
13 actually -- I said, research people, vet them, see  
14 what they can bring to the board. We didn't meet with  
15 them ahead of time and say, these guys are bad or  
16 they're crooked or they're crazy or whatever. They're  
17 just like normal people, they come.

18 MR. LOPEZ: Sure. Ask questions.

19 MS. ROBINSON: So it did turn out that all the  
20 new people who were asking questions, like who are the  
21 NCWC, just the normal questions, they're asking all  
22 the wrong questions, and they were attacking them one  
23 by one. They wouldn't invite them to dinner when  
24 they -- they were ostracizing all these people.

25 MR. LOPEZ: Right.

1 MS. ROBINSON: Several of them resigned because  
2 they couldn't -- they couldn't take it.

3 MR. LOPEZ: Right.

4 MS. ROBINSON: Plus they're busy people. They  
5 don't have time for this bullshit. And so the  
6 bottomline is that they handpicked through their  
7 governance committee. They brought -- we were scared  
8 to death. We thought Jim -- before Jim went out to be  
9 on -- to be with PRIDE and be on PRIDE's board --  
10 which was an in-your-face to the agents.

11 MR. LOPEZ: Of course, of course.

12 MS. ROBINSON: When he did that press release,  
13 I'm like, if Lisa and them take that, they're --  
14 they're pretty good.

15 MR. LOPEZ: Right.

16 MS. ROBINSON: So that was -- and then I said to  
17 him in these meetings, I said, don't keep -- at least  
18 do what NIB does, don't keep electing -- and Scott and  
19 I talked about this -- don't keep electing CRP execs  
20 as officers if they're going to be able to continue to  
21 be in the program, because every time they get a  
22 contract people are going to say, you know.

23 MR. LOPEZ: Of course.

24 MS. ROBINSON: Even if it's not true, they're  
25 going to say it, and so, I said, it's a conflict. At

1 least let them be on the board, they don't have a  
2 vote, but they bring the perspective of people out in  
3 the field to tell us -- you know, they're the doers,  
4 and I think they should be on the board. I don't  
5 think, you know -- but they don't have to have power.  
6 I mean, they don't have to run stuff. They don't have  
7 to promulgate policies and then later benefit from  
8 them, you know. I said, that's not good.

9 And so they said -- so I said, so now with the  
10 heat with the OIG -- and even Carlos, he tried. I  
11 said, with the heat -- he stuttered through it,  
12 because he wasn't comfortable saying it to them. I  
13 said, the heat with the OIG, you guys, one thing you  
14 should remember, one thing I've learned in the last  
15 six years between NCED, you don't piss federal agents  
16 off, you don't thumb your nose at them, because they  
17 will show you how much power they have when they want  
18 to.

19 MR. LOPEZ: Of course.

20 MS. ROBINSON: And you guys keep doing stuff  
21 that's just like in your face, screw you, we do what  
22 we want to do and we don't really care that you're  
23 over here investigating what we're doing.

24 MR. LOPEZ: True.

25 MS. ROBINSON: And so when David got kicked off

1 the board, that was one thing, and then what did they  
2 do in the middle of the investigation that we thought  
3 it was just like the craziest thing in the world. So,  
4 oh, Bill -- let me go back to Job Options. So Job  
5 Options, he sat on the nomination committee one time.  
6 He said, well, one thing about it, we're not putting  
7 any more black people on this board because we've got  
8 far too many on there now.

9 MR. LOPEZ: Bill Mead.

10 MS. ROBINSON: I'm sitting right next to the guy.

11 MR. LOPEZ: Bill Mead.

12 MS. ROBINSON: Even if you thought it, would you  
13 say it? I looked at him, and I said, well, nothing  
14 like speaking your mind, huh, Bill? So later he's  
15 like, Jean, let's go to dinner, I didn't mean that  
16 personally.

17 MR. LOPEZ: Have you seen the new letter that  
18 SourceAmerica sent out for new board members?

19 MS. ROBINSON: No. Is he -- is he going to be on  
20 there, or do they want him to be?

21 MR. LOPEZ: Some deal or something is still  
22 available or eligible, but they're making --

23 MS. ROBINSON: Oh, this I've got to tell you real  
24 quick, so you know. General Parker, do you know him?

25 MR. LOPEZ: General Parker?

1 MS. ROBINSON: He's an affiliate, and they're  
2 in Tucson, Arizona. He's black.

3 MR. LOPEZ: Yes.

4 MS. ROBINSON: And his wife is Dorothy Parker.

5 MR. LOPEZ: Yeah.

6 MS. ROBINSON: Now, I've never known what kind of  
7 operation, but I guess they've got their act together.  
8 They've never gotten anything through NISH, and they  
9 ran across Martin, and they've been fighting, and they  
10 appealed, and they were going to file something. He  
11 runs Fort Huachuca, pretty upstanding guy. So we  
12 tried to get him to run for the board, and they --  
13 they called him up and told him he won, and then they  
14 called him back and told him, no, sorry, we made a  
15 mistake, you -- you can't run.

16 MR. LOPEZ: Wow.

17 (Discussion with the wait staff.)

18 MS. ROBINSON: So the bottomline is, that's how  
19 you get on, but it's a -- the people in the mafia.  
20 Janet Samuelson from Service Source.

21 MR. LOPEZ: Janet?

22 MS. ROBINSON: Samuelson.

23 MR. LOPEZ: Samuelson. Okay.

24 MS. ROBINSON: From Service Source. Okay.

25 Here's a list of people. Mitch Tomlinson.

1 MR. LOPEZ: Right.

2 MS. ROBINSON: Well, obviously the guy who's head  
3 of PRIDE. I forget his name. Ziggy, Mike Ziegler.

4 MR. LOPEZ: Okay.

5 MS. ROBINSON: Janet Samuelson. All you've got  
6 to do is follow the money.

7 MR. LOPEZ: Okay.

8 MS. ROBINSON: Mitch Tomlinson. Whoever heads  
9 SEKRI, but he's not -- he doesn't show his face, but  
10 the organization. The new guy from ReadyOne.

11 MR. LOPEZ: Okay.

12 MS. ROBINSON: Tom Ahmann.

13 MR. LOPEZ: Tom what?

14 MS. ROBINSON: Ahmann, I think.

15 MR. LOPEZ: Okay.

16 MS. ROBINSON: Wayne McMillan.

17 MR. LOPEZ: Okay.

18 MS. ROBINSON: I'm trying to see. Oh, you know  
19 Paul Atkinson.

20 MR. LOPEZ: Yeah.

21 MS. ROBINSON: He should be at the top of that  
22 list. Jim Barone, we know. Mike Kivitz.

23 MR. LOPEZ: Okay.

24 MS. ROBINSON: I got to -- I got to try to go  
25 around and think, but if -- if I were going to

1 investigate NISH, and I think they were doing this at  
2 one point, I think if they investigated the top 10  
3 agencies, top 20, but they don't -- resources in time  
4 and money. Whatever the list of our top 10 revenue  
5 source.

6 MR. LOPEZ: Okay.

7 MS. ROBINSON: That's why I say you have to  
8 follow the money. Now, interestingly enough for your  
9 information, probably the top 10 all are currently  
10 being investigated by Justice.

11 MR. LOPEZ: They are.

12 MS. ROBINSON: I mean, I don't -- I don't know  
13 for sure.

14 MR. LOPEZ: At some point.

15 MS. ROBINSON: But I can tell you SEKRI is. I  
16 can tell you if they aren't they have been or --

17 MR. LOPEZ: Or they will be in the near future.

18 MS. ROBINSON: Okay. Well, Peckham --

19 MR. LOPEZ: Peckham, yes.

20 MS. ROBINSON: -- pretty sure, because we're  
21 getting all kind of comments about that they're --  
22 that's NCED all over again. I don't know if it is or  
23 isn't, but -- and he's smart enough. He's a board  
24 advisor, so they can get him under that.

25 MR. LOPEZ: Okay.

1 MS. ROBINSON: But basically if you just trace  
2 the money stream.

3 MR. LOPEZ: Okay. Now, Mitchell Tomlinson, he's  
4 with Peckham, right?

5 MS. ROBINSON: Yep. He's the CEO of Peckham.

6 MR. LOPEZ: And who --

7 MS. ROBINSON: And he's -- and he's a big, big  
8 player in the NCSE executive committee and a board  
9 advisor.

10 MR. LOPEZ: Who made the decision to allow Goli  
11 to sign a nondisclosure agreement?

12 MS. ROBINSON: Oh, you know about that.

13 MR. LOPEZ: Who made the decision? Who told  
14 Goli, you will sign it; you can sign it, Goli, go for  
15 it?

16 MS. ROBINSON: Probably Goli.

17 MR. LOPEZ: Whom?

18 MS. ROBINSON: Probably Goli.

19 MR. LOPEZ: Goli herself?

20 MS. ROBINSON: She's -- she's Bob's girl. She's  
21 Bob's girl.

22 MR. LOPEZ: You don't think Bob had anything to  
23 do with that? Because I know you told her not to.

24 MS. ROBINSON: Well, I didn't. John told her not  
25 to.

1 MR. LOPEZ: I mean, John told her not to; but, I  
2 mean, you the legal department told her not to.

3 MS. ROBINSON: Oh, absolutely.

4 MR. LOPEZ: And she still went ahead with it  
5 under someone's guidance.

6 MS. ROBINSON: Dennis, Dennis. Probably Dennis.  
7 That would be Dennis and Bob. That would be both.  
8 That would be Dennis and Bob.

9 MR. LOPEZ: Where should the investigators look  
10 for the corrupt things that are happening with the  
11 NCSE now with grants?

12 MS. ROBINSON: Just look at the -- just follow  
13 the money.

14 MR. LOPEZ: Follow the money.

15 MS. ROBINSON: Do you know what I mean by that?

16 MR. LOPEZ: Sure, sure.

17 MS. ROBINSON: In other words -- so in other  
18 words, the questions they should ask is, who has  
19 received financial assistance from NISH, grants, loans  
20 for equipment, stuff all of you should be getting, by  
21 the way.

22 MR. LOPEZ: Right.

23 MS. ROBINSON: Which one did you get? Oh, you  
24 did the Green Dragon. You might not be sleeping with  
25 that.

1           MR. LOPEZ: Light caffeine. It's okay. I trust  
2 that Washington's up late at night.

3           MS. ROBINSON: Oh, okay.

4           MR. LOPEZ: There must be a doughnut shop open  
5 till midnight.

6           MS. ROBINSON: There you go.

7           Here's what -- here's the problem. Like one time  
8 I sat in a meeting next to Elizabeth, who is as  
9 crooked as the day is long, but -- the CFO, again,  
10 Bob's girl. Sat at a meeting. And we had her once.  
11 I mean, we really had her. When I say "we had her,"  
12 accounting was so screwed up, internal controls,  
13 everything was so screwed up, and Bob stood up, veins  
14 popping out of his neck -- if he did that once for me,  
15 I would be like a new person -- and said, you guys,  
16 the audit committee, the people they kicked off the  
17 board, we fired one -- one internal control guy that  
18 they got because we knew -- and he was not very good.  
19 We were going to fire Elizabeth because we knew that  
20 she wasn't up to par and that she was carrying on  
21 other stuff, and Bob stood up -- and the Venable  
22 lawyers suggested that she go after the computer  
23 incident.

24           MR. LOPEZ: Sure.

25           MS. ROBINSON: Bob said, I will not be ordered to

1 fire her, she's great, I'm going to make sure she  
2 succeeds. And she pretty much runs the company now.  
3 She really does.

4 MR. LOPEZ: Even though she destroyed evidence.

5 MS. ROBINSON: Right. And so Venable got into --  
6 because she hates Venable now, and I just use Venable  
7 now, not because they -- not because I love them, but  
8 just to spite. I can be honest with you.

9 MR. LOPEZ: Right, right.

10 MS. ROBINSON: So -- and I'm not mad at all the  
11 people over there, but I understand. I mean, I had a  
12 law firm, and I've been in firms, so I understand that  
13 they do what they need to do. But what the bottomline  
14 is, is that she helps them carry this stuff out, you  
15 know, all the -- because now we're talking big money,  
16 but the financial assistance. So I'm sitting next to  
17 her in a meeting, and so she signs all these checks,  
18 and you know how like you're not supposed to be  
19 multitasking --

20 MR. LOPEZ: Right.

21 MS. ROBINSON: -- but some of us do. So I just  
22 pick them up, and I start flipping through them,  
23 really out of order, not -- not -- I wasn't -- and  
24 they were the financial assistance checks, and I said,  
25 hmm. This is probably back in 2006, '07, something

1           like that. I said, damn. I said: All of these seem  
2           to be NCWC members. We don't give financial  
3           assistance to anybody other than the gang?

4           MR. LOPEZ: Right.

5           MS. ROBINSON: She said -- she knew. She said,  
6           are you sure? It seems like it to me. So she said,  
7           you're right. That's a problem, that's a problem.  
8           And they were NCWC not just members, because you're a  
9           member, members of the NCWC executive committee.

10          MR. LOPEZ: Executive committee.

11          MS. ROBINSON: The club.

12          MR. LOPEZ: Yeah.

13          MS. ROBINSON: And I said, that's crazy, you  
14          know, that's absolutely crazy. Oh, the other --  
15          Brenda Yarnell. Here's the problem, and it's really  
16          no big problem for NISH. She's on the board, but  
17          she's also a CRP exec.

18          MR. LOPEZ: Brenda.

19          MS. ROBINSON: Brenda Yarnell.

20          MR. LOPEZ: Yarnell. Okay.

21          MS. ROBINSON: But here's the problem. Susan  
22          Pomfler, but she went off, and they're girlfriends and  
23          girlfriends. You heard that, right?

24          MR. LOPEZ: Right.

25          MS. ROBINSON: They're girlfriends and

1 girlfriends. I mean really girlfriends and  
2 girlfriends.

3 MR. LOPEZ: I gotcha.

4 MS. ROBINSON: They both were married, and I  
5 don't know, but a little strange. But she is the  
6 treasurer right now, and she -- her agency doesn't get  
7 very much from the program. See, I look at all their  
8 disclosure statements, so I know who's got issues, but  
9 she's getting ready to be the chair. Once Paul gets  
10 done screwing things up for his three years, then  
11 she's next, and she's part of that club, but her  
12 connection is Peter Berns. So the guys who  
13 masterminded the current governance and changing  
14 things and all that have been Peter Berns, who's a  
15 lawyer, Brenda Yarnell, because Peter Berns is from  
16 The Arc, and so they've been giving him a lot of  
17 money. So he goes on your list of --

18 MR. LOPEZ: Peter Berns.

19 MS. ROBINSON: Peter Berns.

20 MR. LOPEZ: Okay.

21 MS. ROBINSON: Bob Daniels.

22 MR. LOPEZ: Okay.

23 MS. ROBINSON: That's one that Denise would know  
24 more about because she's more on the park and the  
25 stuff that they just did.

1 MR. LOPEZ: Denise Driver is from the Institute,  
2 right?

3 MS. ROBINSON: Yes, yes, yes. But the Institute  
4 hands out a lot of money.

5 MR. LOPEZ: Right.

6 MS. ROBINSON: I mean, grants. Not a lot,  
7 because they don't have a lot, but whatever we have,  
8 they hand out.

9 MR. LOPEZ: Right.

10 MS. ROBINSON: That's what I should really say.  
11 So that's the story on that, on sort of the  
12 key players. I would need to see a list. If I had a  
13 list in front of me, I could -- I'm sure I'm missing  
14 people, but --

15 MR. LOPEZ: Who would be the best --

16 MS. ROBINSON: Jerry Bettenhausen. He's the head  
17 of the NCWC and a board member and a great friend of  
18 Bob's.

19 MR. LOPEZ: Jerry Bettenhausen.

20 MS. ROBINSON: You got Rick Beaman on there,  
21 Bob's neighbor and --

22 MR. LOPEZ: No. What is his name? Rick?

23 MS. ROBINSON: Rick Beaman, head of the HR  
24 committee.

25 MR. LOPEZ: B-m-o-i-t?

1 MS. ROBINSON: Beaman. B-e-a-m, Beam.

2 MR. LOPEZ: Yeah.

3 MS. ROBINSON: And then "on," o-n.

4 MR. LOPEZ: o-n. Okay. Head of the what?

5 MS. ROBINSON: HR committee. He used to be head  
6 of the audit committee.

7 MR. LOPEZ: Okay.

8 MS. ROBINSON: Well, used to be on the  
9 Commission.

10 MR. LOPEZ: Right.

11 MS. ROBINSON: Bob's next-door neighbor and good  
12 friend. That's the guy.

13 MR. LOPEZ: The ex-Commission person. We love  
14 this. Who should the investigators talk to concerning  
15 these things?

16 MS. ROBINSON: Who should what?

17 MR. LOPEZ: Who should they talk to concerning  
18 these grants and all these things? Denise Driver, do  
19 you think, or --

20 MS. ROBINSON: Well, no, because Denise Driver  
21 just has a little -- they have a little pot, but,  
22 yeah, for a couple of the ones related to Bob Daniels,  
23 right there. You've got him right here.

24 MR. LOPEZ: Yeah. Right.

25 MS. ROBINSON: On the ones related to Bob -- to

1 the Institute.

2 MR. LOPEZ: Right.

3 MS. ROBINSON: Her boss would be the signer, but  
4 she knows all the strings attached to it.

5 MR. LOPEZ: Are all these recipients tracked? Is  
6 there a list of who's getting what?

7 MS. ROBINSON: Oh, Miss Elizabeth. They should  
8 talk to the CFO.

9 MR. LOPEZ: Of course.

10 MS. ROBINSON: You know, ask her how it works.

11 MR. LOPEZ: She seems -- she thinks of herself as  
12 a very bright individual, doesn't she?

13 MS. ROBINSON: Yeah. She's a doctor's kid. I  
14 mean, I think she -- you know, yeah, she's got an  
15 exaggerated sense of worth.

16 MR. LOPEZ: Self-worth.

17 MS. ROBINSON: Yes.

18 MR. LOPEZ: Exactly. I can tell you that by  
19 seeing her.

20 MS. ROBINSON: But she's not real bright.

21 MR. LOPEZ: Good for -- good for us.

22 MS. ROBINSON: She's not stupid. She's  
23 diabolical.

24 MR. LOPEZ: Right.

25 MS. ROBINSON: Does that make any sense?

1 MR. LOPEZ: Yes, yes.

2 MS. ROBINSON: She's better at plotting stuff  
3 than -- yeah.

4 MR. LOPEZ: These reports, are they in a yearly  
5 report, or are they disclosed publicly?

6 MS. ROBINSON: They're board minutes.

7 MR. LOPEZ: Board minutes.

8 MS. ROBINSON: The board minutes.

9 MR. LOPEZ: Were any of the board members at the  
10 time of the OIG investigation concerned about what  
11 would come out?

12 MS. ROBINSON: Yeah, that list of people I gave  
13 you.

14 MR. LOPEZ: The list of people. They were the  
15 same. Okay.

16 MS. ROBINSON: I mean, and there were some that  
17 aren't in the club that were like, shit, what have I  
18 gotten myself into. I mean, you know, that's -- not  
19 everybody is part of the club.

20 MR. LOPEZ: And those that were part of the club,  
21 what are they specifically afraid of?

22 MS. ROBINSON: Oh, here's -- no. Here's what you  
23 should do there. Everybody they put off the board.

24 MR. LOPEZ: Off the board.

25 MS. ROBINSON: There's one person you should talk

1 to, and he's white.

2 MR. LOPEZ: Okay.

3 MS. ROBINSON: And he was elected -- he's in your  
4 region. You should be talking to him anyway. John  
5 Murphy. I think he's going through some personal  
6 stuff, but he's very bright. He looks like the Nutty  
7 Professor, by the way. He looks like Huck Finn.

8 MR. LOPEZ: Okay.

9 MS. ROBINSON: He's CEO of -- what's the name of  
10 his company? It's one of our affiliates in Oregon.  
11 There's not very many. He's in Portland. PHI, P --  
12 Portland Rehabilitation Institute or something like  
13 that.

14 MR. LOPEZ: Okay.

15 MS. ROBINSON: PRI, PHI.

16 MR. LOPEZ: Okay.

17 MS. ROBINSON: You'll find it. I mean, there's  
18 not that many in Portland.

19 MR. LOPEZ: Okay.

20 MS. ROBINSON: Because the reason you want to  
21 talk to John is he resigned. He was elected by the  
22 popular vote years and years and years and years. He  
23 knew the Commission was crooked. He complained. He  
24 had -- one of his employees went to go work for the  
25 Commission. She was going to sue. That's who you

1 should talk to.

2 MR. LOPEZ: John Murphy. Okay.

3 MS. ROBINSON: John Murphy. He resigned from the  
4 board. He knows Bob is crooked. He's told Bob to his  
5 face. He actually, you know, would almost fight with  
6 Bob, which was unusual.

7 MR. LOPEZ: Okay.

8 MS. ROBINSON: But he could -- he was on the  
9 audit committee.

10 MR. LOPEZ: Okay.

11 MS. ROBINSON: He's the guy, and he understands  
12 our systems, you know what I mean.

13 MR. LOPEZ: Yes.

14 MS. ROBINSON: He knows it through and through.

15 MR. LOPEZ: Of all these people, who was the most  
16 concerned? Who was more worried?

17 MS. ROBINSON: Probably Jim Barone.

18 MR. LOPEZ: Jim Barone. Okay.

19 MS. ROBINSON: Kivitz. I don't know anything on  
20 him other than -- Mike Kivitz.

21 MR. LOPEZ: Okay.

22 MS. ROBINSON: Let's see. Jim Barone, Mike  
23 Kivitz. Jim thinks he's smarter than the world. He's  
24 like David Dubinsky.

25 MR. LOPEZ: Right, right.

1 MS. ROBINSON: Wait a minute. Paul Atkinson,  
2 Mitch Tomlinson.

3 MR. LOPEZ: Okay.

4 MS. ROBINSON: I'm trying to think of the ones  
5 that were really freaking out. Peter is their new  
6 mastermind, in other words, he's the lawyer that -- he  
7 doesn't act as a lawyer, but he's their new -- and he  
8 brought a guy on from Detroit, Mark Lezotte, who's a  
9 real lawyer as far as I can see and pretty smart.  
10 He's brand-new. His first meeting was this last  
11 meeting, but he's sort of there to advise them behind  
12 the scenes, big firm out of Detroit.

13 MR. LOPEZ: Mark what?

14 MS. ROBINSON: Lezotte. L-a-z-o-t-e. But if you  
15 want to impress upon -- in other words, if those guys  
16 got a phone call like to be interviewed or something,  
17 then what they would do instead of calling me or our  
18 outside counsel, Carlos or anybody -- because Carlos  
19 is still on, which is good. We want to keep Carlos.

20 MR. LOPEZ: Okay. Even though he's been moved to  
21 another --

22 MS. ROBINSON: But it's a bigger firm.

23 MR. LOPEZ: A bigger firm.

24 MS. ROBINSON: A bigger, better firm, actually.

25 MR. LOPEZ: Okay.

1 MS. ROBINSON: But Carlos knows these guys.  
2 We've sat, we've had drinks. Carlos knows, and Carlos  
3 hit hard, like he hit hard on David. We might have  
4 even actually made some headway on David, by the way.  
5 Lisa and Scott might have taught him some religion.

6 MR. LOPEZ: Who's this Peter?

7 MS. ROBINSON: Oh, no. Here's what I'm -- Peter  
8 Berns.

9 MR. LOPEZ: Berns. Okay.

10 MS. ROBINSON: Now, here's what you want to do.  
11 Those are the new -- the real new legal counsel. I  
12 just occupy a spot.

13 MR. LOPEZ: Okay.

14 MS. ROBINSON: You understand what I'm saying?

15 MR. LOPEZ: Yes.

16 MS. ROBINSON: Jim Barone brought those guys on,  
17 and Brenda Yarnell, and so they -- they get -- and  
18 Peter Berns. Who was that guy? Oh, how could I  
19 forget about that fool? Who has gone underground  
20 because I confronted him and told him not to ever talk  
21 to me like that. Steve Katsurinis. And it's with a  
22 K, but, yeah, Katsurinis. You'll get a list of our  
23 board, but here's the -- here's the deal. Let me tell  
24 you, he hasn't shown up. Okay. He's on the audit  
25 committee. He -- and this is the strategy here. It's

1 a subtle strategy. I don't think Steve is dirty.  
2 When I -- here's what I mean. They represent us.  
3 There are spots on our board that are guaranteed based  
4 on the organization they're affiliated with, and  
5 they're affiliated with The Arc, Association of  
6 Retarded Citizens, so it's all a network. And so when  
7 they were trying to can me that time after I brought  
8 all of this to light, Steve Katsurinis took the  
9 place -- this guy here, he's a lawyer too.

10 MR. LOPEZ: Okay.

11 MS. ROBINSON: So let me tell you which ones are  
12 lawyers. Steve Katsurinis is a lawyer. Peter Berns  
13 is a lawyer. Mark Lezotte is a lawyer. Okay. All  
14 brought on by Jim Barone.

15 And so what happened is, when -- they went and  
16 got him, and they had these lawyers come into the  
17 executive session to advise them what to do about me,  
18 and, you know, I always get along with the little guy,  
19 and the little guy is out there running interference.  
20 Jean, this guy is a lawyer. That's how I found out  
21 who they were. But if you want to make an impression  
22 on them that they need to worry, the first thing  
23 they're going to do is go to those guys. Do you  
24 understand what I'm saying?

25 MR. LOPEZ: Sure.

1 MS. ROBINSON: Who have told them, don't worry,  
2 these big boys have no jurisdiction, blah, blah,  
3 etcetera.

4 MR. LOPEZ: Right.

5 MS. ROBINSON: So you get those guys nervous,  
6 they're going to get Bob and them nervous, because  
7 they trust -- they're the new advisors.

8 MR. LOPEZ: Right.

9 MS. ROBINSON: So if they're saying to them,  
10 despite what Carlos and Venable and everybody else and  
11 I'm saying to them, don't worry, we got this, we got  
12 lawyers, and Katsurinis -- by the way, I think  
13 Katsurinis and this other guy, I can't think of his  
14 name, they're all gay, but they have a lawyer who  
15 works in the White House.

16 MR. LOPEZ: Okay.

17 MS. ROBINSON: Or something. So that -- so that  
18 gives them a little more -- they think, you know, a  
19 little more gravitas, so --

20 MR. LOPEZ: Sure.

21 MS. ROBINSON: So they listen to them. But Mark  
22 is too new to -- I mean, he may be behind the scenes  
23 corrupt, but he's with a big firm, and he's advising  
24 them behind the scenes. So if he gets called, he's  
25 going to be pretty damned concerned as a new.

1 MR. LOPEZ: Sure.

2 MS. ROBINSON: That will be enough to get him  
3 scared. But you don't want to get them too scared  
4 because you had the most sage advice. Yeah, I think  
5 it was you who said, well, you know, Jean, if they lay  
6 low for a while, the more time you give them, the more  
7 rope. Okay.

8 MR. LOPEZ: Absolutely.

9 MS. ROBINSON: And that has happened, because two  
10 years ago the Bob Turner, what I'm calling the Bob  
11 Turner situation, Robert Turner.

12 MR. LOPEZ: Yes.

13 MS. ROBINSON: The guy from KCKI, the one I told  
14 you about.

15 MR. LOPEZ: KCKI?

16 MS. ROBINSON: KCKI. You know KCKI, right?

17 MR. LOPEZ: Yeah, KCKI.

18 MS. ROBINSON: Big, big federal contractor.

19 MR. LOPEZ: Yeah.

20 MS. ROBINSON: Robert Turner. Okay. Now, here  
21 is a million dollar (unintelligible) that is in  
22 jeopardy that will unfold in the next two weeks along  
23 with -- they've got to figure out what to do with me,  
24 because I told you what my date was.

25 MR. LOPEZ: Sure.

1 MS. ROBINSON: Okay. So let me tell you the  
2 chess game we're in on that one. So you've got Bob  
3 Turner, who right now formed KCKI, he's on our audit  
4 committee.

5 MR. LOPEZ: Right.

6 MS. ROBINSON: He came to the board -- Jim Barone  
7 brought him to the board. You'll start to see these  
8 connections. Brought to the board by Jim Barone and  
9 our former CFO Carol Hana, who was as crooked as the  
10 day was long as well.

11 MR. LOPEZ: Carol.

12 MS. ROBINSON: Hana.

13 MR. LOPEZ: Okay.

14 MS. ROBINSON: H-a-n-a, who's still in contact  
15 with Bob.

16 MR. LOPEZ: Oh, good.

17 MS. ROBINSON: So Bob and Jim Barone brought Bob  
18 Turner to the board.

19 MR. LOPEZ: Okay.

20 MS. ROBINSON: Okay. So -- so what happens is,  
21 Bob Turner comes in. On its face he's very critical  
22 of the CRPs who are conflicted and taking money in the  
23 program, and he's making -- and he comes to the audit  
24 committee as a, quote, independent. Now, he's always,  
25 you know, on my case, but not necessarily saying

1 anything, older guy, quiet, nah, just shaking his  
2 head when I talk and stuff. So I'm like, I know how  
3 you got here, you got here through Jim, and I know  
4 what's going on. Well, now I told you he went and  
5 formed that company KCK. This is major, because this  
6 is going to bring the Commission in. This is kind of  
7 a -- this is what I told you I needed the time to walk  
8 you through.

9 MR. LOPEZ: Sure.

10 MS. ROBINSON: So this guy gets on the board as  
11 an independent audit committee member, meaning he's  
12 supposed to be there to break up the stuff we're  
13 talking about. That's his role.

14 MR. LOPEZ: Supposedly.

15 MS. ROBINSON: Well, yeah. Because he's getting  
16 on his soapbox and chastising the CRP execs. The CRP  
17 execs are just dumb and greedy. They just want the  
18 contracts. I mean, that's more their angle. So all  
19 these conflicts and, you know, these investigations  
20 that Ms. Robinson are doing are over the top. His  
21 job, I think he's -- I think he's retired from KCKI.  
22 He just retired, was head of audit and risk  
23 management, and so he's supposed to be, you know, a  
24 smart guy. And so he has to fill out his first annual  
25 disclosure, and I told you this. So he writes down --

1           so I see him in the building. I told you that whole  
2           story. Well, I just sent him an email -- had Omar  
3           send him an email last week. I had my conference call  
4           with him. I think when I talked to you I was going to  
5           have my conference call. He's silent as the day is  
6           long. He said -- now, he asked for the meeting.  
7           Remember, Bob ordered me to call the guy, talk to him  
8           about his problems. And, Bob, how can I help you? I  
9           understand you -- why is it you believe that -- well,  
10          it's easy, he said, I'll just get off the board, and  
11          I'll become an advisor. I said, well, that won't help  
12          you, I said, because board advisors are subject to the  
13          same investigations, the same everything as -- you  
14          know, that won't help you. You just have to get all  
15          the way off. But I'm not going to lie to you. I  
16          played it this way. I said, now, we value you as a  
17          board member. I don't want to make him -- I don't  
18          want to make him think I'm on to him. I said, you  
19          know, you've got great expertise, you come from KCKI,  
20          you know about federal contracting, you know about the  
21          audit committee. I said, we'd really hate to lose you  
22          as a board member. Do you really believe that your  
23          conflict is so great that we can't manage it, that you  
24          need to go off? So he says, well, I don't know.

25                 I said, well, here's the way we're going to

1 handle this. Well, you need to make that  
2 determination. I said, oh, no. I didn't say it that  
3 way. I said, no, no, no, I think the way you want to  
4 do it is, I'm going to send you a new disclosure form,  
5 because you -- you haven't told me a lot today. Our  
6 conversation was supposed to go an hour; it lasted  
7 like 20 minutes. I said, I'll have Omar send that to  
8 you, and you fill it out, and you get with your  
9 counsel, because I have no idea how your company is  
10 structured, what its relationship is with  
11 SourceAmerica, what its relationship is with the  
12 Commission, but I do know that you're getting this new  
13 contract through -- I'm like, where the fuck do these  
14 people come from, to be honest with you.

15 MR. LOPEZ: Right.

16 MS. ROBINSON: If I were you, I would be like,  
17 especially as a CRP that's been out there scrapping  
18 for this stuff, how the hell does this guy start a  
19 company in the last year or two and sweep in and get a  
20 part of our largest opportunities?

21 MR. LOPEZ: Of course.

22 MS. ROBINSON: As Jim and Bob. I mean, I know  
23 how.

24 MR. LOPEZ: Right.

25 MS. ROBINSON: It's like -- it's like Lone Ranger

1 or something. How do you do that? So I said, now,  
2 explain to me -- now, the one I know about is you had  
3 three employees on loan to SourceAmerica, and so when  
4 he said on loan, I thought maybe like it was an  
5 internship and we weren't paying for it. He said, oh,  
6 no, he got a fee, 60 grand for each of those employees  
7 or something. Now, they're disabled veterans. I  
8 think actually I met the employees yesterday. I think  
9 they're actually okay people. I mean, they don't  
10 know. They're just part of a game.

11 MR. LOPEZ: Yeah, they're working.

12 MS. ROBINSON: They're part of a game, you know.

13 MR. LOPEZ: Sure.

14 MS. ROBINSON: I don't know. Some of them -- one  
15 of them may know. But anyway, so he said, yeah. So I  
16 said, well, how much -- I said, well, you need to  
17 write that down. So he wrote down that he was getting  
18 money from SourceAmerica for these three people. And  
19 I said, why do we get them from you? And he said,  
20 well, you know, I'm a disabled owned -- veteran-owned  
21 company, blah, blah, blah. There's a lot of those out  
22 there, you know.

23 MR. LOPEZ: Sure.

24 MS. ROBINSON: So then he says -- what did he  
25 say? So then he said, oh, he said, well, I think that

1           problem may have taken care of itself. I said, what  
2           do you mean? He said, well, I'll just get off the  
3           board, and then he went through that. But then he  
4           said -- so then Martin comes in the staff meeting,  
5           your friend Martin Williams, and he says, well, I just  
6           want to announce we've hired the three people who were  
7           on loan to the East region. Now, I already know who  
8           that is, but I'm sitting there looking dumb. So who  
9           are they and what are they? Oh, they were people from  
10          KCK. He still hasn't mentioned Bob Turner. So when I  
11          talked to Bob Turner the other day, I said, well, now  
12          they're now SourceAmerica employees. You know how  
13          that pisses off our workforce, everybody is trying to  
14          get a job.

15                 MR. LOPEZ: Sure, sure.

16                 MS. ROBINSON: These guys are now -- and they're  
17          nice guys, by the way. They looked businesslike.  
18          They seemed to know what they were talking about.  
19          Some them were working on this e-waste stuff, which is  
20          our next biggest, 7 million. There's all these  
21          connections. So I don't say a word. And one of them  
22          is from Lockheed, by the way. So I don't say a word.  
23          Oh, they're good, they got some good contacts here,  
24          they're setting up some good stuff. So Bob Turner --  
25          so I have Omar to phone call in, and the way it ended

1 was that they're supposed to -- he's supposed to fill  
2 out a new disclosure form and fill it out. So Omar  
3 sometimes, you know, he's a little overworked, he  
4 drops the ball. So I said, Omar, did you send -- you  
5 didn't copy me on it. Oh, I forgot to copy you, but I  
6 sent it. I said, well, how long ago? He said, oh,  
7 it's been about two weeks. I haven't heard a peep out  
8 of the man. So I made a note to myself about 2:00  
9 o'clock this morning, send him another letter, hey,  
10 Bob, did you ever get the form, we need it back.  
11 Okay. Now, the reason that's a big issue is because I  
12 started asking questions. Okay, National Geo,  
13 whatever, St. Louis.

14 MR. LOPEZ: Yeah, National Geospatial Agency,  
15 NGA.

16 MS. ROBINSON: Okay. Well, he's going to be the  
17 subcontractor.

18 MR. LOPEZ: Oh, this Robert Turner.

19 MS. ROBINSON: Yeah.

20 MR. LOPEZ: Beautiful.

21 MS. ROBINSON: So he says to me, well,  
22 ServiceSource picked them. So -- so now they're busy  
23 covering their tracks, by the way, because let me tell  
24 you what happened. So I said to him, why do you think  
25 it's so big you have to get off the board? He said,

1 well, we're going to be the subcontractor to  
2 ServiceSource. I said, ServiceSource? Did we compete  
3 that contract? Oh, I'm -- I'm still not thinking you  
4 have to get off. I said: I don't -- so what, you're  
5 a subcontractor. SourceAmerica didn't have anything  
6 to do with that, did we? Did we? And he says, well,  
7 I don't think so. I said, well, how did ServiceSource  
8 find you? So I started asking Martin Williams and the  
9 ops people, the lower ops people, the ones you're  
10 saying, so I start asking them, and I say, so how is  
11 it that ServiceSource just so randomly -- there are a  
12 lot of veteran-owned -- disabled-veteran-owned  
13 businesses.

14 MR. LOPEZ: Sure.

15 MS. ROBINSON: How did they pick them? And so he  
16 said -- he said --

17 MR. LOPEZ: "He" whom?

18 MS. ROBINSON: Martin.

19 MR. LOPEZ: Martin.

20 MS. ROBINSON: He said, I don't know, that's  
21 between you -- you'll have to call the guy from  
22 ServiceSource. So I called the guy from  
23 ServiceSource, and then I called our -- a couple new  
24 people, and I called them, and they're stuttering, and  
25 I said, all I need to know is, did we recommend that

1 ServiceSource -- so this guy Leo down in Sally  
2 Henderson, another crooked one, regional director down  
3 there. I said -- she says, you need to talk to Leo.  
4 So I talked to Leo, and Leo, I think, I don't know,  
5 Leo might be Hispanic, but anyway he's trying to be a  
6 good servant. So he says, I don't think we -- first  
7 he tells me we definitely recommended. Then when I  
8 call him on the phone and interview him, then now he's  
9 backing off of that, saying, I don't think we  
10 recommended, I think they might have just -- they did  
11 a presentation at the Commission. I said, yeah, I  
12 never did figure that one out, how they were --

13 MR. LOPEZ: At the Commission, not at your  
14 SourceAmerica.

15 MS. ROBINSON: Ruben, this is very intricate.  
16 When I tell you -- Ruben, I talk to you, and you've  
17 got to understand I've got to walk you through the  
18 connections. That's the Commission meeting -- I told  
19 you about this -- where Bob says, Jean, you're too  
20 busy to go.

21 MR. LOPEZ: Oh, that's at the Commission.

22 MS. ROBINSON: All you've got to do is say that  
23 to me, and guess what.

24 MR. LOPEZ: You'll be there.

25 MS. ROBINSON: I'm always late; I'm going to be

1 early.

2 MR. LOPEZ: Good for you.

3 MS. ROBINSON: Oh, hi, everybody. Hi, Tina, kiss  
4 kiss. You assholes. So I'm sitting there, but I  
5 didn't know why. I just knew --

6 MR. LOPEZ: It was important.

7 MS. ROBINSON: It was the one -- it was the one  
8 that David didn't come too.

9 MR. LOPEZ: Right.

10 MS. ROBINSON: They were all preparing for David.  
11 They were calling, beating up my phone, what about  
12 this other conflict of interest where the NISH  
13 employees leave our employ, go to Lakeview --

14 MR. LOPEZ: Right.

15 MS. ROBINSON: -- and then get -- and then they  
16 get the contracts.

17 MR. LOPEZ: Right.

18 MS. ROBINSON: You know, I mean, they develop the  
19 business over at NISH, and they become employees, and  
20 then they get the one they developed and, come on, you  
21 know. So David put all that in writing. Did he --  
22 did he share that with you?

23 MR. LOPEZ: Yes.

24 MS. ROBINSON: Well, David has got them  
25 checkmated on that. I hope he realizes that. And I

1 kind of helped him out, and this is how I helped him  
2 out. I ended up doing the investigation. They didn't  
3 want me to, but what happened was Lou Bartalot  
4 wrote -- and this is one where Bob thought, I ain't  
5 trusting Martin for this one, because Martin is an  
6 idiot, he really is not that bright. So Bob says:  
7 Martin thinks he has this, but I think I need you to  
8 look into this and determine. Plus, they always want  
9 to try to nail me, you know, and they always want to  
10 test loyalty.

11 MR. LOPEZ: Correct.

12 MS. ROBINSON: In other words, is she going to --  
13 at one point she's going to step over that line and  
14 help us out with something, and then we're going to  
15 have her compromised.

16 MR. LOPEZ: Sure.

17 MS. ROBINSON: I said, oh, yeah, I'll take a look  
18 into that one. Here's what I did. So everybody  
19 starts lying to me, Sheila, all of Martin's people,  
20 about, you know, the connections and all this stuff.  
21 And I said: Well, David, I hate to say it, being the  
22 troublemaker he is, but he's raised some pretty good  
23 inferences. You can't prove it, but the timing is  
24 right, the guy was on the committee, I mean he was on  
25 the evaluation and review committee, he developed the

1 opportunity, he picked his current employer.

2 MR. LOPEZ: Correct.

3 MS. ROBINSON: He left. He emailed some stuff to  
4 his place. So I had the email. That's why I tell you  
5 Sally is always the bane of my existence because Bob  
6 always gets to her before I do, and then I don't get  
7 all the right email.

8 MR. LOPEZ: Right.

9 MS. ROBINSON: You see my point? So the  
10 bottomline was -- but there was -- so I wrote back. I  
11 said, okay, I'll draft a letter back to Lou. I said,  
12 Lou, it looks like everything David said -- yeah, I  
13 think I wrote in here, everything David said is true,  
14 I said, with the exception of he had the amount of the  
15 contract wrong. It was more than what David said.  
16 David was saying this is a -- this is a big conflict  
17 and it's a -- you know, let's just say 40 million.  
18 Whatever it was, David was off by like 10 million or  
19 so.

20 MR. LOPEZ: Oh, wow.

21 MS. ROBINSON: But -- but I had to find something  
22 that he did wrong, right?

23 MR. LOPEZ: Right, right.

24 MS. ROBINSON: So, well, here's where we got him  
25 here.

1           MR. LOPEZ: It was not a dozen doughnuts; it was  
2 two dozen.

3           MS. ROBINSON: So Bob calls me in, how did you  
4 come out with that investigation? I said, well, you  
5 know on the surface, Bob -- this is how I got him to  
6 put me on it -- I said, I didn't see what the big deal  
7 was, I mean, we can't stop employees from going to  
8 work wherever they want. Plus, I figured they were  
9 trying to compromise me too and pigeonhole me. So I  
10 said, they can go work for whoever they want. I mean,  
11 you can't -- it's a free world.

12           And so I said, well, but then after I started  
13 investigating, Bob, there were some very strange  
14 coincidences. That's why I told you I think it's a  
15 problem, I'm worried about it. I said, yeah, well, we  
16 give it to the Commission. So then Dennis Lockard --  
17 so I write all of this stuff up. It's not helpful to  
18 him at all.

19           Martin said, let's call Richard Gilmartin, who's  
20 the head of Lakeview. I said, okay. And then I went  
21 to sleep, and I said, let's not, because then it's  
22 going to look like we collaborated. I said, no, let's  
23 not.

24           So Lou does a separate investigation into  
25 Lakeview, and I said -- so Dennis Lockard calls me up

1           trying to get on my good side again. I mean, he and  
2           I don't ever have anything bad, but you understand  
3           what I mean. I think he knows I'm not going to go  
4           wrong with stuff. So he calls me up, and he says,  
5           Jean, you're going to get a letter from us, we  
6           couldn't find anything with the Lakeview stuff with  
7           the conflicts. I said: Really. Okay. Well, you  
8           know, all I do is investigate and turn over the facts  
9           to you. If you don't make the same inferences and see  
10          the same connections and ties, hey, you got to do what  
11          you got to do.

12                 MR. LOPEZ: Yeah.

13                 MS. ROBINSON: He's starting to hang himself.

14                 MR. LOPEZ: Sure.

15                 MS. ROBINSON: So he's trying it out on me,  
16          right?

17                 MR. LOPEZ: Yeah.

18                 MS. ROBINSON: And he said, well, what are you  
19          guys doing to stop employees? I said, I can't stop an  
20          employee from going to work someplace.

21                 MR. LOPEZ: Sure.

22                 MS. ROBINSON: I said, you know, if these guys  
23          are steering contracts or they have deals under the  
24          table, nobody is -- I said, come on, Dennis, nobody is  
25          going to -- Richard Gilmartin is not going to say,

1           yes, I met with this Dan Woods five weeks before I  
2           applied for the contract and he told me it was going  
3           to be mine. I mean, you know --

4           MR. LOPEZ: Right.

5           MS. ROBINSON: -- he's not going to say that, but  
6           the connections and the timing and all that, I said,  
7           they look -- they look bad, and I said that in the  
8           letter. So Dennis says, well, you know, I'm just  
9           going to write you back, Jean, and tell you that we  
10          looked into it and we find nothing. That one -- even  
11          Bob Chamberlain said, that one ain't good.

12          MR. LOPEZ: Right.

13          MS. ROBINSON: So I watched the Commission  
14          meetings time and time again. They refuse.  
15          Tina refuses to -- see, and to me that was -- that's  
16          what I call low-hanging fruit.

17          MR. LOPEZ: Right.

18          MS. ROBINSON: If I were Tina -- and they're not  
19          very smart. If I were Tina, I'd say, David, you know,  
20          you're an asshole and a troublemaker, but this time  
21          you might have a pretty good point.

22          MR. LOPEZ: Right.

23          MS. ROBINSON: And I'm going to slap the shit out  
24          of NISH for allowing this to happen and make sure that  
25          they have controls in place going forward. That would

1 have been an easy one, I mean, because it's not one  
2 where it implicates them in any way. Do you  
3 understand what I'm saying?

4 MR. LOPEZ: Yes, absolutely.

5 MS. ROBINSON: And the bad guys are gone. No,  
6 they don't even -- that's what -- that's what pisses  
7 me off, Ruben. They don't even take the low-hanging  
8 fruit to do the right thing.

9 MR. LOPEZ: Correct, correct. Which begs the  
10 question.

11 MS. ROBINSON: I don't get that.

12 MR. LOPEZ: Which begs the question. There have  
13 to be connections, either money, leisure, connections  
14 that --

15 MS. ROBINSON: Future. No. It's all in the  
16 future.

17 MR. LOPEZ: But even Martin said about Jim  
18 Barone, someone's getting money.

19 MS. ROBINSON: Okay. In his case I think -- I  
20 think Jim Barone, yes.

21 MR. LOPEZ: Yes.

22 MS. ROBINSON: But these guys that are currently  
23 employed, I don't think they are. They can't be. I  
24 don't think they are.

25 MR. LOPEZ: But you know there's the human

1 factor, they're all human beings, and one of them is  
2 going to get greedy, one of them is going to get  
3 impatient. There's going to be at least one --

4 MS. ROBINSON: Oh, no. I agree.

5 MR. LOPEZ: -- of them who's going to take a lick  
6 at the ice cream cone before he's supposed to.

7 MS. ROBINSON: I know. I agree. So here's what  
8 happens to Bob. So they call Bob. I'd love to be a  
9 fly, but I can tell you, I know what he's saying. Why  
10 in the hell haven't you gotten rid of that  
11 (unintelligible). First of all, she's a problem.  
12 she -- she has figured out the game.

13 MR. LOPEZ: Right.

14 MS. ROBINSON: And you are too cowardice to  
15 annihilate her, and that's what you -- we don't need  
16 to just fire her, we need to kill her, not literally,  
17 but, you know, we --

18 MR. LOPEZ: Who is calling Bob on this?

19 MS. ROBINSON: This is Jim Barone.

20 MR. LOPEZ: Jim Barone, yes.

21 MS. ROBINSON: And PRIDE and Ziggy and those  
22 guys.

23 MR. LOPEZ: All right.

24 MS. ROBINSON: They're like -- they're like the  
25 mafia, I mean, and they pride themselves in it. They

1 don't care.

2 MR. LOPEZ: In being corrupt.

3 MS. ROBINSON: Well, and they -- they're in your  
4 face with it.

5 MR. LOPEZ: Right.

6 MS. ROBINSON: And so -- and what's taking you so  
7 long? Well, you know -- this is Bob -- she's a  
8 lawyer, and, you know, I -- because Bob's a little bit  
9 scared. He's kind of a coward. I'm going to take my  
10 time, I'm going to do it right, do it right; don't  
11 worry, it's happening. Well, you need to hurry up and  
12 do it, and then you need to hurry up and get out too  
13 so you can come and -- but, no, you stay where you  
14 are, because, see, the way they have him positioned,  
15 he can have his staff -- no fingerprints, he can have  
16 his staff make all his questionable allocations,  
17 loans, financial assistance, to companies that he has  
18 no connection to now.

19 MR. LOPEZ: Presently.

20 MS. ROBINSON: Right. And they're such a  
21 close-knit group that they (unintelligible). I mean,  
22 so the thing about, yeah, they can be patient, not  
23 really, because Bob is making, you know, three, four  
24 hundred thousand dollars now, plus he's got a pension,  
25 plus he's got his pension from the Navy. It's more

1 money than he ever made in his entire life. It's  
2 not like he's been some big go-getter that's made a  
3 lot of money.

4 MR. LOPEZ: Sure.

5 MS. ROBINSON: So the point I'm making is, he can  
6 be patient, and the longer he can hang in there, the  
7 better he can -- bless you.

8 MR. LOPEZ: Thank you.

9 MS. ROBINSON: -- the better he can position.  
10 You get it?

11 MR. LOPEZ: Yes.

12 MS. ROBINSON: The better he can position his  
13 future.

14 MR. LOPEZ: Right, right.

15 MS. ROBINSON: So he -- the same thing with  
16 Dennis. So, anyway, that's what's going on there.  
17 Fort Knox, Fort Bliss and Fort Knox. Your agents are  
18 looking for something to be all over the top of. They  
19 probably already are. Okay. But let me tell you the  
20 Fort Knox connection. Dennis and our board member and  
21 anybody else. Lakeview again, okay, same one David is  
22 already on to, Rich Gilmartin. We set up -- and the  
23 Commission is involved. We are the prime contractor  
24 on Fort Knox. It's a TFM. It's a lot of money. The  
25 Ginn Group, do you know them?

1 MR. LOPEZ: The Ginn Group, yes. Yeah.

2 MS. ROBINSON: A disabled owned veteran company,  
3 Dennis's buddy. Dennis was flying to Atlanta every  
4 minute for a long time because he was going to start a  
5 pilot. Whenever you hear the word "pilot," just  
6 replace that in your mind with new corruption, new  
7 line of business.

8 MR. LOPEZ: Okay.

9 MS. ROBINSON: Because a pilot means you can give  
10 it to whomever.

11 MR. LOPEZ: Right.

12 MS. ROBINSON: Okay? You're not going to compete  
13 it. It's just going to be a pilot program.

14 MR. LOPEZ: Right.

15 MS. ROBINSON: Big money in these pilot programs.  
16 So here was -- so here's what I'm doing in the last  
17 three years. No question that in two weeks I've got  
18 to go, you know, and I'm going to get my notice.

19 MR. LOPEZ: You really think so.

20 MS. ROBINSON: Well, see, I think they almost  
21 have to. I mean, either that or -- it might take them  
22 a little time. They've been a little bit busy  
23 planning. I'm low on their radar right now, but  
24 contractually, the way my contract reads, is if they  
25 don't give me notice, formal notice by October 1, I

1 think it is, because I get 90 days' notice that  
2 they're either -- the way they're going to play it is  
3 they're not going to say, you're fired. The plot and  
4 plan, and I can tell you this as a friend, the guy on  
5 the board who everybody -- he is shell-shocked. He's  
6 a disabled veteran, traumatic brain injury, black guy.

7 MR. LOPEZ: Yes.

8 MS. ROBINSON: Will Pinchair.

9 MR. LOPEZ: Yes, yes.

10 MS. ROBINSON: Never said more than three words  
11 to me other than, Jean, you eat too much, because I  
12 eat a lot, and he's going to cook me ribs, and I've  
13 always been nice to him, but --

14 MR. LOPEZ: Sure.

15 MS. ROBINSON: -- not somebody I know. After the  
16 last board meeting he looked at me and said -- well,  
17 no. I went downstairs, and his wheelchair was lost.  
18 And he said, Jean, call me. Call you? Now, you have  
19 to know Will is a little bit of a flirt, we have to  
20 control him sometimes. Okay, Will, I'll call you.  
21 No, Jean, for real call me. I said, okay, I'll do  
22 that. I'll call and see if you got your wheelchair.  
23 The hotel lost his -- that wheelchair, his big  
24 wheelchair.

25 MR. LOPEZ: Sure.

1 MS. ROBINSON: So I call him up, and he said,  
2 Jean, how you doing? You know, because everybody  
3 thinks he's crazy. Do you understand what I'm saying?

4 MR. LOPEZ: Sure.

5 MS. ROBINSON: And sometimes, Ruben, he is. You  
6 have to understand this guy is not always there, you  
7 know, he might wake up and shoot you.

8 MR. LOPEZ: Right, right.

9 MS. ROBINSON: He really does have some real big  
10 issues. And so he said, Jean, you know they're trying  
11 to figure out what to do with you, they held an  
12 executive session, and they didn't have -- who is the  
13 head of the HR committee, Rick Beaman, Bob's neighbor  
14 and best friend, used to be a Commission member.  
15 Matt, the vice president of HR, is Bob's new  
16 terminator. He doesn't know anything about HR, but  
17 he's just there to fire, and he's been assigned to --

18 MR. LOPEZ: Sure.

19 MS. ROBINSON: -- dig dirt and get rid of me,  
20 whatever. So --

21 MR. LOPEZ: What is his name again?

22 MS. ROBINSON: Matt Bates.

23 MR. LOPEZ: Matt Bates. Okay.

24 MS. ROBINSON: Matt Bates. Matthew Bates.

25 MR. LOPEZ: And he's the head of what?

1 MS. ROBINSON: HR. VP of HR.

2 MR. LOPEZ: Okay.

3 MS. ROBINSON: So he goes -- so I don't know. I  
4 told you I really -- I mean, I'm not the most perfect  
5 religious person, but God does look at after me. I'm  
6 sitting at audit committee, and it's contentious, but  
7 something says -- I looked at Omar. John doesn't show  
8 up at this board meeting, so I can't be everywhere.  
9 So I looked at Omar, and this is his first board  
10 meeting, he's nervous, because he's got a  
11 presentation, which is why I'm in. I said: Omar, you  
12 got it, right? You're okay? I got to go. He said,  
13 where you going?

14 He finished his presentation, it went without a  
15 hitch, which is -- I was there to kind of be the  
16 intimidator, because I didn't want anybody to pick on  
17 him. I said, I'm going to HR. Just to piss Matt off.  
18 I haven't been to HR in like a year. I said, I'm  
19 going to HR. To HR? Yeah, come on. They're going to  
20 argue over dumb shit anyway, let's just go.

21 We get to HR. Rick Beaman, Bob's buddy, who used  
22 to be pretty friendly with me, but now he barely  
23 speaks. I walk in the room. We sit down. They've  
24 already started. Matt points to me. Rick says,  
25 excuse me, we're in -- we're going to be going into

1 executive session. So I said, you're in executive  
2 session now? You don't kick your counsel out of  
3 executive session.

4 MR. LOPEZ: Right, right.

5 MS. ROBINSON: I've never been kicked out of  
6 executive session, unless it's been about me, when  
7 they just told me you can't come.

8 MR. LOPEZ: Right, right.

9 MS. ROBINSON: So he says, sorry, we've got to go  
10 into executive session. I said, we're both counsel,  
11 whatever you say in front of us is privileged. We're  
12 here to protect your ass.

13 MR. LOPEZ: Right.

14 MS. ROBINSON: I mean, I didn't say that part.

15 MR. LOPEZ: Sure.

16 MS. ROBINSON: He says, no, you -- counsel out.  
17 So I look at Bill Coleman. You're the board chair. I  
18 wanted to say, what the fuck is wrong with you?

19 MR. LOPEZ: Right.

20 MS. ROBINSON: He lets them kick us out.

21 MR. LOPEZ: Really.

22 MS. ROBINSON: I looked. I said, you guys want  
23 me to leave? You know, I mean, I made it harder.  
24 Yes, you must go. Okay, fine. So we go out. I say,  
25 but I need -- as I'm on my way out, I need to talk to

1           this committee, there are some claims against this  
2           corporation that need to be reported to this committee  
3           so I can discharge my duties properly, so I'd  
4           appreciate it if you call me back in. They never  
5           called me back in. I didn't intend to be called back  
6           in. Well, I didn't have -- all my friends were gone,  
7           Barbara, everybody that -- David was gone. Barbara  
8           was gone.

9           MR. LOPEZ: Sure.

10          MS. ROBINSON: They knew it. They had this  
11          committee so insulated. They forgot about the crazy  
12          guy.

13          MR. LOPEZ: Correct.

14          MS. ROBINSON: See how God takes care of fools  
15          and me?

16          MR. LOPEZ: Yes, yes.

17          MS. ROBINSON: And I -- I didn't even count him  
18          as one who would tell me anything because you never  
19          know if he's going off.

20          MR. LOPEZ: Right.

21          MS. ROBINSON: He's a little crazy, I mean, for  
22          real. And so I look, and I -- you know, I kind of --  
23          to myself, I mean, I'll tell you this, I kind of  
24          looked tearful. I looked back to see who was in  
25          there, and I'm like, I'm screwed, I'm never going to

1 know what this conversation was. So I get out, and  
2 then after this guy tells me to call him, and so I  
3 call him from the airport. And he said, Jean, how  
4 much money you make? I said, \$300,000. He said, oh,  
5 that's not that much.

6 MR. LOPEZ: Right, right.

7 MS. ROBINSON: He said, you're a lawyer, I  
8 thought -- how much did you make before that? I said,  
9 about double that. You know, I said, about double  
10 that. He said, oh, well, you're getting ready to make  
11 half of that. I said, what do you mean?

12 He said, Mathew Bates stood up and told them you  
13 were incompetent, you were a troublemaker, you were  
14 disruptive to the staff. He went through the whole  
15 thing, but beautifully, for somebody who's in his  
16 condition. I was like, damn, this is good  
17 information. I'm sitting at the airport, I'm like,  
18 damn, my cell is going off. So he said, your  
19 contract -- he tells me.

20 MR. LOPEZ: Right.

21 MS. ROBINSON: I swear to you, I hadn't dug that  
22 thing out. I went back and dug it out. And he said,  
23 your contract is up in December, and they're trying to  
24 figure out -- Kivitz was in there, all the crew, the  
25 mob.

1 MR. LOPEZ: Sure.

2 MS. ROBINSON: And they said they should just buy  
3 you out, and somebody said, well, she won't take that  
4 because you're only talking, you know, three months.  
5 It's a three-year contract. But I'm an employee.  
6 Remember I sold my business to go in with these fools  
7 because I was given an ultimate. So then he says,  
8 they said you make too much money, there's no general  
9 counsel -- I said, that's bullshit. I said, no  
10 general counsel? I said, we pay \$325,000 for these  
11 investigations that last two -- two months, you know.

12 MR. LOPEZ: Absolutely.

13 MS. ROBINSON: So, anyway, so we go through this.  
14 So he said, well, they went and got some compensation  
15 experts, some other people, and what they going to do  
16 is, and you kind of have to know this guy, this is how  
17 he talks, what they going to do is -- he's from  
18 Texas -- what they going to do is, Jean, they going to  
19 look at you and tell you they got to cut your salary  
20 and that you're not performing and this, that, and the  
21 other, and they said you hired this guy who is no good  
22 either, they're talking about John, and that -- you  
23 know, he went through all these things, and you just  
24 cause trouble and you're not (unintelligible), and so  
25 the plan is that they going to give you a notice and

1 tell you they going to give you a choice, which really  
2 ain't no choice. It was cute, because he figured I  
3 hadn't figured that out.

4 MR. LOPEZ: Right, right.

5 MS. ROBINSON: He said, which really ain't no  
6 choice. The choice is they're going to cut your  
7 salary in half, you'll make about a hundred and  
8 something, and -- and then they going to tell you you  
9 take it or leave it, and they assume --

10 MR. LOPEZ: You're going to leave it.

11 MS. ROBINSON: Kivitz said that she won't work  
12 for \$125,000 or \$150,000, she's going to leave. And  
13 so then somebody else spoke up. Rick Beaman spoke up  
14 and said, well, maybe we should just let her serve her  
15 time out and then not renew the contract. And Matthew  
16 is usually not competent enough to know anything,  
17 because if he had read the contract he knows that  
18 they'd have to give me notice, even if they were going  
19 to do that. If they're not going to renew, they still  
20 got to tell me in October, well, October 1st, because  
21 it ends December 1st.

22 So he said, well, they're looking for more dirt  
23 on you, and they're going to -- they're going to ask  
24 you either to leave or they're going to let you stay  
25 but give you this ultimatum, because when they gave

1           you the ultimatum to become an employee and not be an  
2           outside contractor and turn the business in, they  
3           didn't think you were going to take that, Jean.

4           MR. LOPEZ:   That's right.

5           MS. ROBINSON:  I knew that.  I played that chess  
6           game.

7           MR. LOPEZ:  Right, right, right.

8           MS. ROBINSON:  And he said, they didn't think you  
9           were going to take that, and so now they're going to  
10          try it again, but this time they're going to do it  
11          with money, and they're going to say that there's  
12          scrutiny on the program about how much money people  
13          make, etcetera, etcetera, and that you make too much  
14          and you got to go or -- or take a lower salary, and  
15          then you're going to be done in December, and in the  
16          meantime Matthew is going to try to destroy you.

17          And I said -- he said, we ain't having this  
18          conversation, Jean.  Whatever you do, we are not  
19          having this conversation.  He said, they think that  
20          I'm the crazy guy in the room, and they don't know  
21          that I have any relationship with you, and you know  
22          I've never said anything to you, which he hasn't  
23          really.

24          MR. LOPEZ:  Right, right, right.

25          MS. ROBINSON:  He said, I didn't even have your

1           number. He said, I didn't even have your number.  
2           I'm just glad my wheelchair got lost. He said, well,  
3           I just didn't know, but whatever you do, please,  
4           because they will be on top of me, because they said  
5           four times whatever happens in this room cannot go out  
6           of this room, you know, to the committee members.

7           MR. LOPEZ: Sure.

8           MS. ROBINSON: Now, what they didn't plan on,  
9           there's also this other person, I'm telling you,  
10          Catherine Meloy, who doesn't know what to do, because  
11          she knows me, I'm sure if we go to lunch, she won't  
12          know how to deal with it.

13          MR. LOPEZ: Right, right.

14          MS. ROBINSON: But it's also embarrassing me up  
15          in front of these guys.

16          MR. LOPEZ: Sure.

17          MS. ROBINSON: These new people, you know, they  
18          think I'm the worst lawyer ever.

19          MR. LOPEZ: Right, right.

20          MS. ROBINSON: So I didn't say anything. So  
21          that's the plan. So they've got to execute pretty  
22          quickly, but -- so now they're getting -- they're  
23          getting kind of sloppy on the conflict of interest,  
24          the business connections, etcetera, because they  
25          figure I'm gone --

1 MR. LOPEZ: Correct.

2 MS. ROBINSON: -- and there's no one else has  
3 figured this out, and one thing that I do know is that  
4 Tina --

5 MR. LOPEZ: Tina Ballard.

6 MS. ROBINSON: Yeah. There was a letter  
7 floating. There was a letter floating. When you're a  
8 government employee and you're looking for a job  
9 or you have a conflict, you have to disclose it.

10 MR. LOPEZ: Correct.

11 MS. ROBINSON: I'm telling you, God is watching  
12 because -- I told you about the fall festival, right?

13 MR. LOPEZ: Yeah.

14 MS. ROBINSON: Okay. Tina sees me a couple weeks  
15 ago. Coming to the fall festival again? I looked at  
16 her. I said, maybe not this year, we went to the bird  
17 festival, but I don't know, if Teresa gets up and  
18 wants to go we'll see you then. And she just kind of  
19 looked, and I just kind of smiled. She's been trying  
20 to be nice to me. Asshole. I mean, I've tried to  
21 make appointment after appointment to go talk to her  
22 to say, why are you a part of this, you need to  
23 understand this is serious shit and people are going  
24 to jail for it. And then my mother, because my mother  
25 is like my best friend, my mother says, Jean, don't do

1           it, you cannot trust her, there's something about --  
2           my mother met her.

3           MR. LOPEZ:    Sure.

4           MS. ROBINSON:  There's something about her, you  
5           cannot trust her, don't do it, just let her go, let  
6           her go along with the rest of the bunch.

7           MR. LOPEZ:  Whatever she wants to do.

8           MS. ROBINSON:  And so I ask over and over again  
9           for the letter of -- okay.  So she wrote -- so Dennis  
10          Lockard wrote a letter, and Bob has a moment of  
11          weakness because there's -- as Ken says from Venable,  
12          you guys have a strange relationship.  I said, no,  
13          he's an asshole.  I dislike him passionately, I said,  
14          but -- and he dislikes me just as much, but there's a  
15          symbiotic need.

16          MR. LOPEZ:  Sure.

17          MS. ROBINSON:  I'm still his counsel.  And so in  
18          a weak moment, but only because he thought I was going  
19          to find out, I think, because that's when the agents  
20          were hot on everything, he said -- he said, Tina wants  
21          to come over here and work, and I'm going to bring her  
22          over, I'm going to make her special assistant to the  
23          whatever, whatever.  And I'm like, huh?  What are you  
24          going to do with Dennis, because, you know, he's --  
25          ah, Dennis don't want it.  So Dennis had his little

1 game. He was going to go with The Ginn Group. I'll  
2 get back to that.

3 And so what happened was, I said, well, that's --  
4 Bob, this is serious, you know, if she's the head of  
5 the Commission, she's looking at your job, she's got  
6 to declare. They were a step ahead of me. She must  
7 have told Dennis, who, I think, like I told you, is an  
8 honest lawyer, he's just trying to spend his little  
9 last time out --

10 MR. LOPEZ: Sure.

11 MS. ROBINSON: -- you know what I mean, let them  
12 do what they're going to do. He drafted a letter for  
13 her where she basically says, I'm looking -- or I'm in  
14 discussions with Bob about. So Bob says: Well, do I  
15 draft a letter back? I'm not going anywhere, Jean.  
16 They're going to take me out of here in a body bag.

17 MR. LOPEZ: Right.

18 MS. ROBINSON: Which is not what he had been  
19 telling the board. That's the way I want to -- I want  
20 to be sitting there, right? Well, so I said -- so I  
21 said, well, you need to just tell the woman. And I  
22 told you that whole story about the fall festival.  
23 Well, I asked Dennis that -- they've been so annoyed.  
24 The only reason they haven't moved on me faster is  
25 because of this fact, because they know I know this.

1           They know I have -- I've got to make sure, I've got  
2           to find it, but I have a copy of it, but they know I  
3           know about it. But Tina wasn't smart enough to figure  
4           out that Jim and Bob sat somewhere just like we're  
5           sitting and said, we got to get her, we got to --  
6           Tina, we've got to get her compromised, what makes her  
7           tick. Well, she's been a government worker all her  
8           life, she likes high society, and she likes the high  
9           life. She's never been able to have that. I mean, I  
10          don't think -- I don't know what her husband does. I  
11          don't think he makes a lot of money. But, you know,  
12          she -- she wants to make real money, and real money  
13          for Tina is three, four hundred thousand dollars, not  
14          necessarily real for everybody, but real for her.

15                 MR. LOPEZ: Right.

16                 MS. ROBINSON: And so at that point they -- Jim,  
17                 because Jim is good at diabolical, he's not smart, but  
18                 he's good at plotting anything. So he said to Bob,  
19                 promise her your job, and then she'll go along with  
20                 everything, because you've got to have somebody at the  
21                 Commission. When you send this bullshit up --

22                 MR. LOPEZ: Right.

23                 MS. ROBINSON: -- and you guys are running around  
24                 and filing lawsuits and pressing back on them and the  
25                 Commission is going --

1 MR. LOPEZ: Have a good day.

2 MS. ROBINSON: -- yeah, go to hell --

3 MR. LOPEZ: Yeah.

4 MS. ROBINSON: -- you've got to have somebody  
5 over there, especially when it defies rational  
6 thought.

7 MR. LOPEZ: Correct.

8 MS. ROBINSON: Do you understand what I'm saying?

9 MR. LOPEZ: Yes. Absolutely.

10 MS. ROBINSON: If it defies rational thought,  
11 you've got to have somebody over there in your pocket.

12 MR. LOPEZ: Correct.

13 MS. ROBINSON: Okay? And it's got to be higher  
14 than Lou.

15 MR. LOPEZ: Correct.

16 MS. ROBINSON: You know, Lou got outed during the  
17 NCED, but it's got to be higher than him.

18 MR. LOPEZ: Right.

19 MS. ROBINSON: But I didn't think it was her.

20 And then so I don't know. David warned me, my mother  
21 warned me (unintelligible) over your stuff. I'm just  
22 going to say to her, look, I don't know why you  
23 support Bob and Lou in this stuff, but, you know, this  
24 is getting serious and you ought to stop. She refused  
25 to meet with me.

1 MR. LOPEZ: Right.

2 MS. ROBINSON: I said, screw that. So David was  
3 right. I came back and told you guys you were right,  
4 so I'm like, let her go with the rest of the bunch,  
5 but then I figured out the reason. But I did tell her  
6 at that fall festival. I looked her in the eye. I  
7 said, Bob is going nowhere. I thought she was going  
8 to fall over dead. I really felt bad. And then she's  
9 been really sick, really sick for the last -- she's  
10 getting a little bit better now. So now she's been  
11 trying to be nice, but she still thinks that she's  
12 going to keep that job because he still -- that's the  
13 way they've compromised her.

14 So I asked Dennis, I said, where is the  
15 withdrawal letter? She shouldn't be making any  
16 decisions on any of our -- but, see, nobody knows  
17 about this letter. That's the problem. Nobody knows  
18 except me and Dennis Lockard, and we're both  
19 privileged, so we can't tell it to anybody --

20 MR. LOPEZ: Right.

21 MS. ROBINSON: -- as their counsel. So I asked  
22 for some kind of letter, withdrawal letter that says  
23 she's no longer interested, and this all came up. I  
24 haven't gotten that letter yet. I'm never going to  
25 get that letter --

1 MR. LOPEZ: No.

2 MS. ROBINSON: -- because it's still an issue.

3 So she thinks she's protected because of her --  
4 because she's disclosed, but, you know, maybe they  
5 wrote it and never -- and decided to cut me out on  
6 the second part of it for danger's sake, but what that  
7 would do is totally compromise her.

8 MR. LOPEZ: Correct.

9 MS. ROBINSON: Because how could she make a  
10 decision whether NISH had done the right thing if  
11 she's been promised this job or she's looking for this  
12 job?

13 MR. LOPEZ: Exactly. Let me ask you this, if I  
14 understood you correctly. In addition to her thought  
15 of taking Bob Chamberlin's job, she has been offered  
16 another position while Bob is still there? Is that  
17 what I understood?

18 MS. ROBINSON: No, no, no. That's how they were  
19 going to do it.

20 MR. LOPEZ: That's how they were going to do it.

21 MS. ROBINSON: And then she was going to say --  
22 he was going to announce his retirement, and then she  
23 was going to --

24 MR. LOPEZ: Oh, that was the plot.

25 MS. ROBINSON: -- like transition in.

1 MR. LOPEZ: That was the plot.

2 MS. ROBINSON: Yeah, yeah, yeah.

3 MR. LOPEZ: I gotcha.

4 MS. ROBINSON: She took the bait. They never  
5 intended to give her shit.

6 MR. LOPEZ: I'm curious, and this is just my  
7 personal curiosity. She must have told Bob about your  
8 conversation with her at the festival.

9 MS. ROBINSON: Well, let me tell you -- let me  
10 tell you how that worked. I have to tell you how that  
11 worked. Oh, of course. I mean, they were on the  
12 phone minutes later, I'm sure.

13 MR. LOPEZ: Of course.

14 MS. ROBINSON: But here's how that worked, is I  
15 went back, and I said, hey, Bob, guess who I ran into,  
16 you didn't talk to her like you said you were going  
17 to, because he had promised me on that Friday.

18 MR. LOPEZ: That he would talk to her and say --

19 MS. ROBINSON: And tell her I'm not going, tell  
20 her blah, blah, blah, blah, blah. Oh, no. And I  
21 said, you know what, Bob, I've got to tell you  
22 something, it's very strange. You know, you guys say  
23 I'm Chicken Little and a paranoid person. I said, but  
24 is Tina playing a game? I mean, is she really part of  
25 the feds? I mean, I know she's a federal person.

1 MR. LOPEZ: Right.

2 MS. ROBINSON: But is she part of the  
3 investigation? I said, Bob, because they've been  
4 trying to get you -- they've been trying to get you  
5 for a long time, and, you know, you keep skirting out,  
6 and I said -- I'm insulted you would say that. I  
7 said, well, I don't mean skirting out, but, you know,  
8 you get these allegations and things that come up.

9 (Conversation with the wait staff.)

10 MS. ROBINSON: So I said, I don't know, Bob, this  
11 is -- these are too many strange coincidences. I  
12 said, I've been going to that -- I am mainly  
13 Methodist. I'm not Baptist. This is a Baptist  
14 church, but it's close to my house, and you get a  
15 thing in the mail. And I said, I've been going to  
16 that church off and on for 12 years. I have never  
17 seen Tina at that church in my life. That's pretty  
18 strange. I mean, it's not like I go every Sunday.

19 MR. LOPEZ: No, but you --

20 MS. ROBINSON: But I go there when -- they start  
21 at 11:30; my church starts at 11:00. I go there  
22 sometimes, you know. And I said, and I've never -- I  
23 didn't even know she belonged to that church, let  
24 alone as a trustee and all this other stuff in the  
25 church. I said, I had no clue. I said, it's just so

1 strange that she would be placed a day after the most  
2 critical conversation that we have ever had in my  
3 pathway coincidentally. It was coincidental, but I  
4 said -- this was God looking out for fools and babies  
5 again.

6 MR. LOPEZ: Absolutely.

7 MS. ROBINSON: I said, but -- I said, maybe --  
8 Bob said, well, what do you think? I said, well,  
9 shit, I don't know. I said, after NCED and the way  
10 the FBI was following everybody around and everything,  
11 yeah, maybe she's on the government side, you better  
12 be careful. That's what I said to him. I said, but  
13 they're, you know -- he said, well, this is nothing, I  
14 mean, I just -- she had an interest, he was about to  
15 retire. You know, he tried to play it all off. So  
16 he's worried. I said, okay, well, you know I'm -- I  
17 get paid to be paranoid, I said, and so maybe it's  
18 just coincidental, but nevertheless you better take  
19 care of that. And I asked Dennis a couple times for  
20 the letter. I even told Carlos about it. I said,  
21 Carlos, let me just tell you something, if the agents  
22 get on to this, it's going to be ugly.

23 And there were a couple of other things that we  
24 couldn't figure out about the agents. Not David. Oh,  
25 Gregg Bender emailed the sham letter and that whole

1 thing. We thought for sure the agents were going to  
2 swoop down in there on that one. They didn't.

3 MR. LOPEZ: Whose email? Who did he send it to,  
4 Gregg Bender?

5 MS. ROBINSON: I should know. It was the  
6 infamous -- we call it "the infamous email." I  
7 believe he sent that to Jill. Yeah, Jill, Jill  
8 Johnson, head of products. You don't do products  
9 stuff.

10 MR. LOPEZ: Head of products.

11 MS. ROBINSON: A lot of corruption in products.

12 MR. LOPEZ: And now why --

13 MS. ROBINSON: Big money in products, real money.

14 MR. LOPEZ: Why was he sending that? He was  
15 upset at something when he called the B-1 process a  
16 sham? Why was he upset that he would send an email?

17 MS. ROBINSON: Because he didn't get the damn  
18 contract.

19 MR. LOPEZ: Oh, okay.

20 MS. ROBINSON: See, I like Gregg. I'll just  
21 confess to you. I like Gregg, and one of the reasons  
22 I like him is because when they were doing my  
23 execution right in front of Bob, at least he's a man,  
24 said, I'm not going to be a part of this shit.

25 MR. LOPEZ: Correct.

1 MS. ROBINSON: (Unintelligible).

2 MR. LOPEZ: Sure.

3 MS. ROBINSON: And he resigned. He got out.  
4 Gregg got out of that shit.

5 MR. LOPEZ: He needed to do it. He knew that --  
6 he didn't stick to his guns and went on.

7 MS. ROBINSON: No. But he's a real person. In  
8 other words, these guys are not people. When I say  
9 they have no heart, they have no empathy, no sympathy.  
10 They're just cold, calculating people.

11 MR. LOPEZ: They're corrupt, like you say,  
12 corrupt.

13 MS. ROBINSON: To the core, though. See, you  
14 might be -- everybody has some vulnerability.

15 MR. LOPEZ: Sure.

16 MS. ROBINSON: I mean, nobody is perfect.

17 MR. LOPEZ: We're all imperfect people.

18 MS. ROBINSON: That's my point, and so -- but  
19 Gregg was like, you know, I can't just step on people  
20 right in their face.

21 MR. LOPEZ: Right, right.

22 MS. ROBINSON: You know, he's a little bit  
23 different. And so when he -- I caught up on this  
24 stuff. What he did was -- the only thing Gregg would  
25 be guilty of in that respect is using his position of

1 board chair, which is what they're investigating,  
2 using his position of board chair to put pressure on  
3 staff to steer contracts to him as opposed to somebody  
4 else --

5 MR. LOPEZ: Correct.

6 MS. ROBINSON: -- and doing his own thing, just  
7 lording his power, just the ego kind of thing, and  
8 looking good in his agency, because his salary, I  
9 think, is probably tied to how many NISH contracts he  
10 gets. That's Gregg's problem. But his agency should  
11 have been under Justice investigation because --

12 MR. LOPEZ: Sure.

13 MS. ROBINSON: -- they do ITAR stuff. You know,  
14 ITAR is when you do munitions and stuff for DOD --

15 MR. LOPEZ: Sure.

16 MS. ROBINSON: -- they build, and he's not ITAR  
17 compliant, but in addition to that, you know, they  
18 weren't counting the people correctly. They were  
19 doing the same thing PRIDE was doing, because that's  
20 why he resigned and that's what he put in the letter.

21 MR. LOPEZ: Right.

22 MS. ROBINSON: And so David is sitting there on  
23 the board, and I'm like, why ain't your ass out in the  
24 hallway calling the agents, saying --

25 MR. LOPEZ: Sure.

1 MS. ROBINSON: -- we got a whole big mess here.

2 MR. LOPEZ: Correct.

3 MS. ROBINSON: We got a -- we got a corrupt mess.

4 We got a whistleblower who's an employee at NISH.

5 MR. LOPEZ: Who is he?

6 MS. ROBINSON: Will Kulhenz.

7 MR. LOPEZ: Will Kulhenz.

8 MS. ROBINSON: Which is how I forgot my damn  
9 computer yesterday, because he comes up and says,  
10 Jean, John's gone, can I do some projects for you? I  
11 said, oh, shit.

12 MR. LOPEZ: Will. How do you --

13 MS. ROBINSON: Kulhenz, K-u-l-h-e-n-z or  
14 something like that.

15 MR. LOPEZ: Okay. And what is his department, or  
16 what does he do?

17 MS. ROBINSON: Whatever -- they've demoted him  
18 all the way down.

19 MR. LOPEZ: Where is he now?

20 MS. ROBINSON: He's in products.

21 MR. LOPEZ: Products.

22 MS. ROBINSON: He used to run a team.

23 MR. LOPEZ: Okay.

24 MS. ROBINSON: But he -- he called -- blew the  
25 whistle on -- he's our official whistleblower.

1 MR. LOPEZ: Okay.

2 MS. ROBINSON: Which your guys could easily  
3 investigate because we paid -- I get paid too much,  
4 but we paid Blank Rome \$400,000, well, I mean, to get  
5 an outside investigator.

6 MR. LOPEZ: Right.

7 MS. ROBINSON: And that's how much it cost us.

8 MR. LOPEZ: Wow.

9 MS. ROBINSON: But the bottomline was we  
10 couldn't -- it was one of those soft things again  
11 where we couldn't prove it. There were certainly  
12 some things with the -- with staff that were -- in  
13 terms of steering stuff Gregg's way, and this all  
14 deals with ReadyOne, and, you know, this is all the  
15 big money, and products is the big money, by the way,  
16 and that always breeds corruption or the possibility  
17 of corruption.

18 But so what happened with him is he blew the  
19 whistle and he said that the board chair was engaging  
20 in improper behavior at a shot show, and we  
21 investigated, and we hired Blank Rome, and then they  
22 shot -- and then they killed the lawyers. Every time  
23 we get an outside -- so I should feel somewhat honored  
24 because at least I survived the -- I've got nine  
25 lives. I think I'm on the ninth one, though. And

1           that is we had Shawn and somebody else. And Dennis,  
2           that's when I learned his colors. They killed this  
3           woman. I mean, when I say they killed her, they  
4           killed her. They almost -- they said, we should  
5           report her to the bar because she's not practicing law  
6           very well because -- she wasn't that bright. I didn't  
7           know. You know, I don't know these people until you  
8           learn.

9           MR. LOPEZ: Right.

10          MS. ROBINSON: So I pulled her aside. I said,  
11          here's what you want to investigate. I had to point  
12          her to the sham email --

13          MR. LOPEZ: Sure.

14          MS. ROBINSON: -- and the smoking gun email and  
15          all this other stuff. They had been investigating it  
16          for -- I'm like, where do you get these people?

17          MR. LOPEZ: Right.

18          MS. ROBINSON: Big firm, you know, great lawyers,  
19          but they don't care. But we thought for sure, in fact  
20          we had an abundance of caution, because this is in the  
21          middle of the OIG stuff. We said, Dave is going to go  
22          right back -- this is what we said, Dave is going to  
23          go right back and tell them, you've got them on the  
24          short hairs now on this issue of inside influence. So  
25          the reason Gregg wrote the email is because he was

1 riding herd on the staff to say, I'm the -- I'm the  
2 new sheriff in town, I'm the new board chair.

3 MR. LOPEZ: Sure.

4 MS. ROBINSON: He wrote the thing like a week  
5 after he became board chair.

6 MR. LOPEZ: Okay.

7 MS. ROBINSON: And you guys should have given me  
8 that damn contract, and you didn't, the whole process  
9 is a sham. So even though he was calling it a sham,  
10 because it might have been screwed up, by the way --

11 MR. LOPEZ: Right.

12 MS. ROBINSON: -- he was only sending a message  
13 to them, when I apply --

14 MR. LOPEZ: You give it to me.

15 MS. ROBINSON: -- you give it to me because  
16 I'm the board chair.

17 MR. LOPEZ: Correct.

18 MS. ROBINSON: Okay. So it was an improper,  
19 undue influence by a board member to have a contract  
20 steered his way.

21 MR. LOPEZ: Would you say that most of those  
22 board members, those CEOs, use the same tactic to get  
23 contracts?

24 MS. ROBINSON: Yeah. They're just not dumb  
25 enough to write it down. I mean, you know, that was a

1 mistake.

2 MR. LOPEZ: True, true, true.

3 MS. ROBINSON: That was just dumb enough to  
4 write -- Gregg did something in anger. And Gregg, if  
5 you talk to David, pulled David aside and told David:  
6 Look, why do you keep fighting through the legal  
7 system and all that stuff? You're on the board now.  
8 If you want to -- all you need to do is pull NISH  
9 staff aside and tell them the way things are going to  
10 be, you know.

11 MR. LOPEZ: Correct.

12 MS. ROBINSON: So that's out there, but we  
13 thought for sure that was going to wake the agents  
14 back up.

15 MR. LOPEZ: Correct.

16 MS. ROBINSON: And Carlos is sweating bullets,  
17 oh, shit, I'm going to get a call from Scott because  
18 of my credibility. I said: Look, let me explain  
19 something to you. What you need to say to Scott and  
20 Lisa is, look, these are my clients, I have a job to  
21 defend them, everybody deserves a defense, but you do  
22 not need to swear that your client is pure, because  
23 your client is not.

24 MR. LOPEZ: Correct.

25 MS. ROBINSON: I said, and so if you really want

1 to preserve your credibility, you just tell them --  
2 that was a mosquito, I think. I don't want it to bite  
3 you.

4 MR. LOPEZ: It's a -- it's a fruit fly.

5 MS. ROBINSON: Oh, a fruit fly. You're good  
6 then.

7 MR. LOPEZ: I'm pretty sweet. I'm pretty sweet.

8 MS. ROBINSON: So what you tell them is -- all  
9 right, Ruben. So what you tell them is, you know, I'm  
10 going to give you everything they're giving me; if  
11 they lie to me, you know, I've got to give you that  
12 same lie or whatever.

13 MR. LOPEZ: Right.

14 MS. ROBINSON: I said, but don't you -- I said,  
15 don't you swear -- because he's got a pretty good  
16 clean reputation.

17 MR. LOPEZ: Yeah.

18 MS. ROBINSON: You know, he's a good guy. And  
19 I said, because these people are going to have you  
20 looking like a fool in front of Scott, and they're  
21 never going to trust you.

22 MR. LOPEZ: Correct.

23 MS. ROBINSON: I said, because you're telling  
24 them you're going to give them everything, these  
25 people aren't going to give you everything.

1           MR. LOPEZ: They're not. That's the question of  
2 the subpoena. They're not going to comply with it,  
3 right?

4           MS. ROBINSON: Well, I pushed that as hard as I  
5 could without -- you know, you've got to have your  
6 counsel working --

7           MR. LOPEZ: Sure.

8           MS. ROBINSON: -- with you on stuff like that.  
9 And Carlos, you know, he jumped on top of them, but  
10 then when the agents quieted down, he quieted down,  
11 and so I was trying to -- and then Venable was making  
12 the argument that NCWC wasn't covered under it and so  
13 forth and so on, and I was trying to draw those  
14 connections for him, but they are covered, they better  
15 be covered, because that's where a lot of the nonsense  
16 is going on, in addition to the key board members or  
17 whatever. But at the end of the day, Scott and those  
18 guys are concerned about is anybody on the take, is  
19 there money passing under the table, and I don't -- I  
20 mean, can't find it if it is, but it wouldn't be under  
21 the scenario that I told you.

22          MR. LOPEZ: Right.

23          MS. ROBINSON: Because I've watched it now  
24 closely since '06, so it didn't -- I didn't figure it  
25 out overnight. I mean, it took me a while to figure

1 out how come they keep coming up clean, but Dennis  
2 is the one who made me figure it out with The Ginn  
3 Group, because John and I flew down to Fort Knox.  
4 Well, he kept going back and forth to Atlanta meeting  
5 with those -- there's two brothers, I guess.

6 MR. LOPEZ: Yes. The Ginn Group, yes.

7 MS. ROBINSON: Well, the Commission is corrupt in  
8 this one too because NISH is the prime at Fort Knox  
9 and our subcontractor is Lakeview. Lakeview was  
10 already there doing the janitorial. We get the TFM,  
11 and nothing changes. See, that's against the program  
12 rules. They continue to do -- they continue to do the  
13 janitorial, and The Ginn Group continues -- and they  
14 were the incumbent at Fort Knox, big contract. They  
15 continue to do everything. What the hell we do,  
16 I don't know. All we do is pay out 22 million or  
17 some -- some huge amount every month.

18 So I called Bill Coleman up. That's when I  
19 decided I had no help anywhere. I said, Bill, I've  
20 got to talk to you off the record. I don't want to  
21 see -- I tease him. I tease him. He's the first  
22 black president of NISH. Mr. Obama Two, I said, I  
23 don't want you to be in the newspaper, you need to  
24 shut down this Fort Knox thing.

25 MR. LOPEZ: Right.

1 MS. ROBINSON: And right after that, that's when  
2 Bob wrote me this ugly memo, because I did. He was  
3 right. I will tell you he was right. He said, don't  
4 you ever -- I understand that you had all the staff  
5 for lunch and the committee too on this Fort Knox  
6 thing, you just need to pipe down. And I said, I  
7 don't think I had anybody for lunch, but I did -- I  
8 did point out I don't know how the Commission put that  
9 on the procurement list with us being the prime. I  
10 said, this smacks for a bad 6:00 o'clock news thing  
11 because people who are in commercial entities should  
12 not be playing in our program, and The Ginn Group is  
13 performing the majority of that contract. I said, and  
14 then as a slap in the face to the CRPs and this  
15 bullshit tiering system, you say that -- it's a big  
16 enough contract, by the way, that a tier one shouldn't  
17 be a subcontractor. I said, you just disproved your  
18 point. They're tier one, and you picked them --

19 MR. LOPEZ: Right.

20 MS. ROBINSON: -- all of a sudden. So sometimes  
21 a tier one can do a big contract, and sometimes they  
22 can't, right?

23 MR. LOPEZ: Um-hmm.

24 MS. ROBINSON: And I said, but we look stupid. I  
25 said, and nobody -- it's not going to take very long

1 to figure it out, and the employees have figured it  
2 out. You got employees, you got problems out there,  
3 and it's just a big mess. And he said, look, Tina is  
4 going to tell you and I'm going to tell you, TFM is  
5 the biggest thing going that we do right now, and you  
6 are not going to screw this up. And I said, Bob, it's  
7 screwed up already, and what I'm not going to do is go  
8 along with it, and I'm going to point out every  
9 problem with it to anybody who will listen, including  
10 the Commission.

11 MR. LOPEZ: Right.

12 MS. ROBINSON: And so I got on the phone, and I  
13 mean, Barry and Lou and -- who, by the way, is always  
14 somewhat elusive. He tries to tell me he's Hispanic  
15 too, by the way, just so you know. So Lou, Barry, and  
16 Dennis.

17 MR. LOPEZ: Lockard.

18 MS. ROBINSON: And I said: Why would you guys  
19 approve this? The ratios aren't right. The  
20 incumbent, these guys are getting millions of dollars  
21 every month, and so -- anyway, so Dennis was flying to  
22 Atlanta every week.

23 MR. LOPEZ: Every week.

24 MS. ROBINSON: For a while.

25 MR. LOPEZ: How beautiful.

1 MS. ROBINSON: Because what he was doing --  
2 what he was doing is he was starting an ESOP program,  
3 a pilot program, and The Ginn Group was going to be  
4 the selectee. So I said -- after I blew the whistle  
5 literally internally on this whole Fort Knox thing, I  
6 said, but it's an easy fix, your contract is up in  
7 July, bye-bye to The Ginn Group, take that work that  
8 they're doing, divide it up amongst two or three CRPs  
9 or one, whatever. I said, and that's it, clear it up.  
10 Well, The Ginn Group is still there.

11 MR. LOPEZ: There you go.

12 MS. ROBINSON: We could get rid of them every  
13 year. Oh, we're phasing them out. The Commission  
14 doesn't have their paperwork right on that whole thing  
15 in accordance with their rules. They admit it.

16 MR. LOPEZ: Okay.

17 MS. ROBINSON: And so that's why Barry -- on  
18 these last two things, Barry said, I'm not going along  
19 with any more of these hare-brained schemes. That's  
20 what he said to me, because the problem is it's too  
21 obvious. So when you look to say what's going on, you  
22 know, I don't think SEKRI -- they were under  
23 investigation, but I guess it just died on the vine, I  
24 mean, I would say, maybe almost eight years ago now.

25 MR. LOPEZ: SEKRI. Who's SEKRI?

1 MS. ROBINSON: SEKRI is a subcontractor to NCED.

2 MR. LOPEZ: Okay.

3 MS. ROBINSON: Or now ReadyOne.

4 MR. LOPEZ: ReadyOne. Okay.

5 MS. ROBINSON: SEKRI is S-E-K-R-I.

6 MR. LOPEZ: S-E-K-R-I.

7 MS. ROBINSON: And they're in Kentucky.

8 MR. LOPEZ: Okay.

9 MS. ROBINSON: And they have slid out of some  
10 things, but here's the story. The newest  
11 opportunities, the biggest ones that are problematic  
12 are going to ReadyOne, ServiceSource. And, you know,  
13 I'm kind of mad at Janet, because Janet Samuelson,  
14 their organization used to be called Fairfax  
15 Opportunities Unlimited, and when I was at my law firm  
16 and I just got in business, they were a client. I did  
17 lot of their union stuff. They had a lot of union  
18 work. They were small. They were doing the right  
19 thing. She was really about people with disabilities,  
20 and then she got in bed with NISH. And we were kind  
21 of old friends, just like if I used to work for you.  
22 And she came to a board meeting, and there was this  
23 big conflict about us paying for their legal fees, and  
24 I said no. I recommended no, but I mean -- but, you  
25 know, I said, it's not the right thing. So she kind

1 of never spoke to me since. Then all of a sudden they  
2 started channelling work, because her and Sally, I  
3 think, are a little more than friends, because Sally,  
4 that's not hard to figure out now, and so --

5 MR. LOPEZ: Sally whom?

6 MS. ROBINSON: Henderson.

7 MR. LOPEZ: Henderson.

8 MS. ROBINSON: The executive director.

9 MR. LOPEZ: Okay.

10 MS. ROBINSON: So that's why they're getting all  
11 the biggest. So who are the agencies that have the  
12 two top-secret and are going to get all the work?  
13 PRIDE and ServiceSource. And now Bob Turner's  
14 company.

15 MR. LOPEZ: Right.

16 MS. ROBINSON: KCK.

17 MR. LOPEZ: Now, Sally Henderson, is she a  
18 NISH -- a SourceAmerica employee?

19 MS. ROBINSON: Executive director.

20 MR. LOPEZ: Executive director for SourceAmerica.

21 MS. ROBINSON: In the South. She used to be --

22 MR. LOPEZ: Oh, in the South.

23 MS. ROBINSON: Yes, in the South.

24 MR. LOPEZ: In the South, gotcha.

25 MS. ROBINSON: Bob put her in that job.

1 MR. LOPEZ: Oh, beautiful.

2 MS. ROBINSON: And Dennis.

3 MR. LOPEZ: Beautiful.

4 MS. ROBINSON: So the bottomline is, we don't  
5 really have an executive director that's aboveboard.  
6 The only one that I don't know about, that I haven't  
7 had an encounter with, is Rick Van Hoose, but the rest  
8 of them, every one of them, when these things, when  
9 you guys start complaining or they get derailed, they  
10 step up to the plate.

11 MR. LOPEZ: That's right. Is there any IT  
12 individual in your IT department that would be  
13 trustworthy for the agents to --

14 MS. ROBINSON: Hmm-um. We don't have one.

15 MR. LOPEZ: You don't have one. No one friendly  
16 to Justice.

17 MS. ROBINSON: Let me explain why we don't have  
18 one. They outsourced all of IT. So I don't know what  
19 Sally does all day, sit and read management books and  
20 tell people how to do process, but --

21 MR. LOPEZ: Whom do you outsource your IT to?

22 MS. ROBINSON: Hmm. I didn't do the last  
23 contract; John did. It used to be Capgemini, but I'm  
24 not sure. When I say outsource, they -- they live at  
25 our space, so they're not SourceAmerica employees. So

1 we probably have 40 or 50 contractors that come there  
2 every day and occupy that department, but they're not  
3 SourceAmerica employees.

4 MR. LOPEZ: They're Cap --

5 MS. ROBINSON: I think it's Capgemini.

6 MR. LOPEZ: Capgemini. Any other companies?

7 MS. ROBINSON: I don't think so.

8 MR. LOPEZ: No. I guess what I'm getting at,  
9 Jean, is: Where are the files? Who has the servers?  
10 Where is the info?

11 MS. ROBINSON: Well, they've been pretty good  
12 about not writing stuff down since -- they learned  
13 since 2006. So you're not going to find a lot of  
14 written evidence, but just to make sure stuff is pure,  
15 the way you inflict that pressure is you say to them,  
16 you know, Carlos, you're a very nice guy, but I'm not  
17 going to allow you to pull the document, I want you  
18 guys to go out and hire an independent third party,  
19 like follow all the e-discovery rules to make sure  
20 we're getting everything.

21 MR. LOPEZ: Right.

22 MS. ROBINSON: No offense, no offense.

23 MR. LOPEZ: Correct.

24 MS. ROBINSON: But, no. And what that does is it  
25 runs the cost up.

1 MR. LOPEZ: Right.

2 MS. ROBINSON: And so what normally -- if the  
3 agents ask us to pull all this stuff and we did it on  
4 our own, we could do it relatively cheap. If they  
5 say, go get -- go hire somebody to do it, nobody is  
6 going to compromise their data integrity in the field  
7 or anything to --

8 MR. LOPEZ: Sure.

9 MS. ROBINSON: -- help us.

10 MR. LOPEZ: Correct.

11 MS. ROBINSON: But it costs you --

12 MR. LOPEZ: Right.

13 MS. ROBINSON: -- three, four, or five hundred  
14 thousand dollars, you know, to do it.

15 MR. LOPEZ: Right.

16 MS. ROBINSON: And that -- but that puts pressure  
17 because that -- you know, as long as Bob thinks he's  
18 insulated because he's got Sally.

19 MR. LOPEZ: Right.

20 MS. ROBINSON: So yesterday I went to Sally, and  
21 Will was with me. The whistleblower was with me.  
22 That's how I forgot my stupid computer. And I said,  
23 Sally -- I knocked on the door on the way out, because  
24 I was rushing to get out. Sally, I said, I  
25 need John's stuff, because what I wanted to do was --

1 I know Bob and Elizabeth -- Elizabeth, because she  
2 does all the dirty work. I know they're going to read  
3 every email, and remember he had that other one.

4 MR. LOPEZ: Yes.

5 MS. ROBINSON: I just wanted to see if it was  
6 still there or if they had already -- and what had  
7 happened to it. Well, when I tried to go get John's  
8 stuff -- I couldn't make this up. So Will is standing  
9 there. The whole company knows John is gone.

10 MR. LOPEZ: Right.

11 MS. ROBINSON: Will is standing there, and she  
12 says to me -- I said, hey, Sally, I'm just -- I've  
13 been calling you all day. I said, we've been missing  
14 each other, I've got to go get T, but I need John  
15 Huggins -- I'm his supervisor, so I should get his  
16 laptop.

17 MR. LOPEZ: Sure.

18 MS. ROBINSON: I wanted to get his laptop before  
19 they destroy all the shit on there, and I said -- I  
20 woke up in the middle of the night with that one, and  
21 so -- and, see, this is what -- he just kind of  
22 annoyed me sometimes. He leaves in my office his  
23 cards, and they had given him a one-year service  
24 award, and he put a little smiley face on there and  
25 said "Bob Chamberlain," on his cards. You idiot, why

1 the hell didn't you leave me your laptop?

2 MR. LOPEZ: Right.

3 MS. ROBINSON: You know, all you do is lock it in  
4 my office. They would not have gone in there and get  
5 it.

6 MR. LOPEZ: Right.

7 MS. ROBINSON: So Sally looks at me like a deer  
8 in the headlights. John? Why would you -- what do  
9 you mean? Why would you want John's -- what are you  
10 talking about? He hasn't officially left yet. I  
11 said: What are you talking about, Sally? John has  
12 been gone since Friday.

13 And so Will looks at me, and I was -- Will is  
14 kind of crazy too, by the way. He's another one that  
15 was overseas in the Afghan war.

16 MR. LOPEZ: Yeah.

17 MS. ROBINSON: He's a little strange. You never  
18 know where he's coming from, you never know when he'll  
19 flip on you. But he looks at me, and he says, I kind  
20 of find that difficult to believe, as we're walking  
21 out, that she would have no idea that John was gone.

22 So she said: Well, no, we haven't done anything  
23 with his laptop. Where is his laptop? Do you have  
24 it? And I said, no, I thought you had it. But, see,  
25 he should have known to just lock it up or give it to

1 me, and I was going to have them take it off.

2 MR. LOPEZ: Sure.

3 MS. ROBINSON: But, you know, you leave it in  
4 there, you know, now chain of custody is totally  
5 screwed up, because I'm sure Elizabeth and Bob swooped  
6 into that office two minutes after he left.

7 MR. LOPEZ: Of course.

8 MS. ROBINSON: You understand it was last  
9 Thursday.

10 MR. LOPEZ: Sure.

11 MS. ROBINSON: And so I don't expect to find  
12 anything there. So I said to her, well, I need the  
13 disk, and I need you to -- she said, well, can you go  
14 and get his laptop and bring it to me? I said, I  
15 won't be in the office tomorrow, which is today. I  
16 said, but I'll bring it to you on Friday. So, you  
17 know, these people. So the IT stuff, I don't know.

18 MR. LOPEZ: Let me ask you this.

19 MS. ROBINSON: But what did Carlos say to them  
20 about -- I mean, didn't they ask him, well, when are  
21 we going to get the rest of the documents? Because,  
22 see, if they had gotten all those documents, they'd  
23 have gotten that damn smoking gun email.

24 MR. LOPEZ: Right. It's going to happen. It's  
25 going to happen.

1 MS. ROBINSON: But, I mean, they would have  
2 gotten it.

3 MR. LOPEZ: Yeah, but it's happening. It's  
4 happening.

5 MS. ROBINSON: But they understand they've got to  
6 have pressure on these guys, because if you -- but  
7 actually it's -- again, I'll tell you, it's worked out  
8 well, because if they'd have kept the pressure on,  
9 half the stuff that has occurred in the last year  
10 would not have occurred.

11 MR. LOPEZ: Would not have occurred. Is there --

12 MS. ROBINSON: Openly, anyway.

13 MR. LOPEZ: Correct. Now there's a record of all  
14 these issues that have happened. Who has that record?

15 MS. ROBINSON: Well, you get emails and -- well,  
16 you're not -- here's the deal. What is perfect is the  
17 more recent stuff David couldn't have known, but --  
18 now, this is -- this is self-serving, but they're  
19 going to assume that anything that the agents know  
20 David has told them.

21 MR. LOPEZ: Correct.

22 MS. ROBINSON: That's what they're going to  
23 assume, because David bragged to them that he didn't  
24 have anything to do with the agents and then he had a  
25 pipeline to the agents.

1 MR. LOPEZ: Right.

2 MS. ROBINSON: That's beautiful, beautiful for  
3 me, anyway. Yeah, this is beautiful. So -- so  
4 they're going to make these assumptions, but the  
5 bottomline is that since David went off the board,  
6 this new stuff, they shouldn't know any -- I mean,  
7 they would figure they wouldn't know that. You know  
8 what I mean?

9 MR. LOPEZ: Yes.

10 MS. ROBINSON: So -- but some of the major stuff  
11 would have occurred while David was on the board, so  
12 the board minutes, you know, emails, that kind of  
13 stuff.

14 MR. LOPEZ: And who has custody of the executive  
15 transcripts, executive meetings? You do?

16 MS. ROBINSON: Me. Me.

17 MR. LOPEZ: Okay.

18 MS. ROBINSON: And -- well, except the ones about  
19 me.

20 MR. LOPEZ: About you, exactly. I hope you will  
21 save those. I hope you have those safeguarded.

22 MS. ROBINSON: Oh, yeah, I do.

23 MR. LOPEZ: It's important. It's important.

24 MS. ROBINSON: I do. I do. But they don't write  
25 much down. They've gotten -- they cover themselves

1 pretty good.

2 MR. LOPEZ: The SourceAmerica director's office  
3 and the executives, are they required to recuse  
4 themselves from voting for decision-making in  
5 situations where there's conflict of interest? Are  
6 they required to recuse themselves?

7 MS. ROBINSON: Yeah.

8 MR. LOPEZ: They are.

9 MS. ROBINSON: I got beautiful policies. You  
10 just got to follow them.

11 MR. LOPEZ: And do they?

12 MS. ROBINSON: Sometimes.

13 MR. LOPEZ: Not all the time?

14 MS. ROBINSON: Okay. Let me give you a perfect  
15 example.

16 MR. LOPEZ: Okay.

17 MS. ROBINSON: Because you've got to understand  
18 how this works, and that will make it -- it's  
19 difficult for the agents. I thought -- I told you I  
20 thought Jim Gibbons got religion. Man, you know, if  
21 you just get one person turned around, you're doing  
22 good.

23 MR. LOPEZ: Right, right.

24 MS. ROBINSON: And he said, you know, I'm not  
25 going to vote for this, you guys have no business

1 plan, it's a lot of money, blah, blah, blah, blah,  
2 blah. Well, everybody tells me the only reason that  
3 he made that beautiful speech had nothing with the  
4 fact that we were inefficient, negligent, and dumb, it  
5 had to do with the fact that 35 of his Goodwills are  
6 already in this business and he was trying to knock  
7 out the competition.

8 MR. LOPEZ: Of course.

9 MS. ROBINSON: I mean, I can't prove that. And  
10 in the record, if they get the minutes, it will show  
11 that he made a wonderful speech.

12 MR. LOPEZ: Yeah.

13 MS. ROBINSON: A businesslike speech.

14 MR. LOPEZ: Yes.

15 MS. ROBINSON: You know, but later when he came  
16 back and asked for the business plan and some other  
17 stuff so he could give it to the -- you know, there's  
18 some line crossed in here. There's some line crossed.

19 And Peter Berns, who I guess is going to be the  
20 recipient, not personally, but his entity he  
21 represents, of the actual dollars or whatever, he made  
22 a funny kind of recusal, but, you know, I get them  
23 every so often because I say, excuse me, could we make  
24 sure the record reflects who abstained, who -- who  
25 voted no and why? We don't have to do that. Yes, you

1 do. Yeah, so there is -- so I try to keep the record  
2 straight, but not always.

3 What else you got?

4 MR. LOPEZ: As far as sources sought,  
5 opportunities, who determines the selection criteria  
6 and how it's -- well, you know --

7 MS. ROBINSON: There ain't none.

8 MR. LOPEZ: There ain't none.

9 MS. ROBINSON: No, no. That's off -- well, it's  
10 what you see in the document.

11 MR. LOPEZ: But who determines it? Who says, I'm  
12 going to say geography today, today I'm going to say  
13 top security?

14 MS. ROBINSON: Well, that's not one person.  
15 Well, the executive -- what you do is you tag the  
16 executive director with all the responsible -- and  
17 Martin, with all the -- and Dennis, with all the  
18 responsibility for whatever decisions get made,  
19 whether it be criteria, whether it be writing it up,  
20 because at the end of the day, even if a middle  
21 project manager or secretary is directed to put  
22 something in an SSN, it's all reviewed, and the final  
23 say for the entire selection process is the executive  
24 director. That's what I have been trying to undo for  
25 the last five years.

1 MR. LOPEZ: That would be the Dave Dubinskys of  
2 this world, the Joe Diaz of this world.

3 MS. ROBINSON: Correcto mundo.

4 MR. LOPEZ: What is the selection criteria --

5 MS. ROBINSON: Because let me tell you something  
6 so you understand about the system. The way the  
7 system works is I could get the most upstanding  
8 committee together and we could say it goes to Bona  
9 Fide, and the executive director could look at our  
10 recommendation and say, that's beautiful, but it ain't  
11 going to Bona Fide. They have the power under the  
12 rules in the system to veto even the evaluation review  
13 committee's recommendation.

14 MR. LOPEZ: Beautiful.

15 MS. ROBINSON: They have ultimate power.

16 MR. LOPEZ: Ultimate power.

17 MS. ROBINSON: Which breeds the corruption.

18 MR. LOPEZ: Of course, of course. Now, the  
19 question is, when is the selection criteria  
20 established in relation to an SSN? Is it beforehand?

21 MS. ROBINSON: When is the selection criteria  
22 established. At various points, quite frankly, at  
23 various points, because the lead project -- the person  
24 who developed the business opportunity meets with the  
25 government. Usually they ask the government for a

1 scope of work. Sometimes the government is lazy,  
2 because they have some problems in this too, and they  
3 say, oh, just use the one from last year, but the one  
4 from last time might not really be accurate, so it  
5 might change over time, and -- and we rush to get  
6 these out. We should wait, because I've been trying  
7 to tell them wait. So that really is a number of  
8 people. It's between the government, it's between  
9 staff, various members of staff, whoever are working  
10 on the opportunity.

11 MR. LOPEZ: What general agreement does  
12 SourceAmerica have with the competing nonprofit  
13 agencies?

14 MS. ROBINSON: What?

15 MR. LOPEZ: What agreements, both official and  
16 tacit or informal agreements, you know, like we were  
17 discussing?

18 MS. ROBINSON: What do you mean, like --

19 MR. LOPEZ: Like SourceAmerica, the executives,  
20 Dennis Fields, Elizabeth, Martin Williams, Bob, with  
21 PRIDE. You know, what is the agreement?

22 MS. ROBINSON: I don't know. I mean, you  
23 don't -- you can only speculate. They don't write it  
24 down. There's nothing -- there's nothing written.

25 MR. LOPEZ: But what is the unspoken rule? That

1           they all --

2           MS. ROBINSON:   Protect at all costs.

3           MR. LOPEZ:   Protect at all costs.

4           MS. ROBINSON:   Shoot anybody who's in the way and  
5           asking questions.

6           MR. LOPEZ:   Okay.   Fair enough.   Are there any  
7           agreements between SourceAmerica and the  
8           decision-makers that I just said and how to decide bid  
9           awards or decisions -- how decisions should be made?

10          MS. ROBINSON:   Say that again.

11          MR. LOPEZ:   Are there any agreements between  
12          SourceAmerica and the decision-makers how to decide  
13          the awards?

14          MS. ROBINSON:   No, just the -- not on paper.  
15          Just the B-1 and the criteria and what they're  
16          supposed to do.   We're going to be doing some training  
17          on October 1st to roll out the new B-1 --

18          MR. LOPEZ:   How beautiful

19          MS. ROBINSON:   -- bullshit.   B is the right word,  
20          B for bullshit.

21          MR. LOPEZ:   Have any SourceAmerica or NISH  
22          directors, executives, or officers ever engaged in a  
23          voting pool where the votes of two or more directors,  
24          executives, or officers are delegated to a single  
25          deciding individual?

1 MS. ROBINSON: I don't -- let me read it.

2 MR. LOPEZ: For example, have someone say you  
3 vote this way, even though two or three are behind the  
4 scenes, and you're going to be voting this way on our  
5 behalf?

6 MS. ROBINSON: Oh, is there like a conspiracy --

7 MR. LOPEZ: Yeah.

8 MS. ROBINSON: -- in voting? Do they vote in  
9 blocks?

10 MR. LOPEZ: Right.

11 MS. ROBINSON: Yeah, they vote in blocks based on  
12 who's in the club and who's not in the club. You  
13 always know which way the club is going to vote on a  
14 controversial issue. An example on that would be that  
15 I told them that the executive compensation committee  
16 for Bob, we have a special committee that determines  
17 his salary as a CEO, I said it shouldn't have any CRP  
18 execs on it, you know.

19 MR. LOPEZ: Sure.

20 MS. ROBINSON: Yeah, they shouldn't be on Bob's  
21 thing, because, you know, if you're the guy, Ruben,  
22 who voted for Bob to get a raise, when your contract  
23 comes up, I mean, come on.

24 MR. LOPEZ: Please.

25 MS. ROBINSON: And it conflicts Bob. Or let's

1 just say you're not the guy, say you're the guy who  
2 voted against his raise and your contract comes up or  
3 say you're corrupt, the affiliate is corrupt and we  
4 need to put you out of the program, how tough is it  
5 for Bob to go to your agency and say, let's say --  
6 let's say you're Paul Atkinson. How tough is it for  
7 Bob to sit in front of Paul Atkinson and say, you  
8 know, I know you're my boss over here on the board,  
9 but I've got to shut your agency down, you know, the  
10 people who pay you money, I've got to turn you into  
11 the Commission.

12 MR. LOPEZ: Sure.

13 MS. ROBINSON: Come on.

14 MR. LOPEZ: Yeah. Not going to happen.

15 MS. ROBINSON: Yeah. Well, it may, but it would  
16 be very tough.

17 MR. LOPEZ: Yeah. Have any SourceAmerica or  
18 previously NISH board members, executives, or  
19 employees started nonprofit companies during their  
20 tenure or after leaving there, NISH or SourceAmerica?

21 MS. ROBINSON: Start what now? Companies? Oh,  
22 yeah.

23 MR. LOPEZ: Nonprofit agencies.

24 MS. ROBINSON: Yeah, that happens all the time.

25 MR. LOPEZ: All the time.

1 MS. ROBINSON: No, no. The guy -- I forgot about  
2 him on your list. Ace Burt.

3 MR. LOPEZ: Ace.

4 MS. ROBINSON: But David already knows this.

5 MR. LOPEZ: Burt?

6 MS. ROBINSON: Um-hmm.

7 MR. LOPEZ: Okay.

8 MS. ROBINSON: Ace Burt is the guy who used to be  
9 head of PCSI, who's a codefendant in the Portco case.

10 MR. LOPEZ: Okay.

11 MS. ROBINSON: But he's left PCSI. He's Tina's  
12 boy in every respect.

13 MR. LOPEZ: Okay.

14 MS. ROBINSON: And so the argument in fact for  
15 you, reaching back to Bona Fide is, David Dubinsky,  
16 because he's your new best friend because he's got  
17 religion -- use it while it's working, okay? We don't  
18 care what's motivating it.

19 MR. LOPEZ: Right.

20 MS. ROBINSON: He says, well -- to Joe Diaz, he  
21 says, well, we talk about the agency's experience and  
22 all that. I don't think Ruben is going to buy that  
23 one. So I'm sitting there laughing. I said, well,  
24 why do you think that, David? He said, because you  
25 guys just gave Ace Burt three -- this is for you to

1 use in your appeals --

2 MR. LOPEZ: Right.

3 MS. ROBINSON: -- just gave him three or four  
4 different contracts and he left PCSI and went and  
5 started his own nonprofit. They would have never had  
6 any contracts because they're brand-new.

7 MR. LOPEZ: Right.

8 MS. ROBINSON: But yet they were competing  
9 against the rest of you who at least have --

10 MR. LOPEZ: Right.

11 MS. ROBINSON: Even if it's a door. I like to  
12 tease you about the door.

13 MR. LOPEZ: Right.

14 MS. ROBINSON: Even if it's a door in Illinois,  
15 you have one. They had none, and they were able to  
16 win over --

17 MR. LOPEZ: Bona Fide.

18 MS. ROBINSON: -- you other guys. Well, Bona  
19 Fide.

20 MR. LOPEZ: Ace Burt.

21 MS. ROBINSON: And so David was like, I don't  
22 think that's going to fly, Joe.

23 MR. LOPEZ: And excuse my ignorance. So Ace Burt  
24 right now has what agency?

25 MS. ROBINSON: I don't know the name of it.

1           MR. LOPEZ: But they won three or four contracts  
2 ahead of us.

3           MS. ROBINSON: Recently, recently.

4           MR. LOPEZ: What projects were they?

5           MS. ROBINSON: I don't know.

6           MR. LOPEZ: You don't know.

7           MS. ROBINSON: I can find out.

8           MR. LOPEZ: Okay.

9           MS. ROBINSON: But that's a perfect example.

10          MR. LOPEZ: Please, please. Okay.

11          MS. ROBINSON: Well, because -- because the  
12 argument was that the reason we don't give Bona Fide  
13 some of these things is because Tried and True has a  
14 lot of experience but Bona Fide doesn't, and so  
15 therefore when -- in that category, which is a very  
16 important category, you can't have it. So David said,  
17 well, that ain't going to fly because we've given the  
18 last couple contracts to Ace Burt and they have no  
19 experience. I mean, his agency would have none. And  
20 that's where we came up with the key employee thing,  
21 because think about it, Ace Burt can say Ace Burt has  
22 the experience because he used to be the CEO of PCSI,  
23 but Ace Burt is not going to be out there on the -- on  
24 the ground. You understand?

25          MR. LOPEZ: Right. Of course.

1 MS. ROBINSON: So why is it okay -- here's the  
2 argument for you. Why is it okay for us to give  
3 credence and credibility to Ace Burt's previous  
4 experience as CEO of PCSI and the fair-haired child,  
5 but not give Ruben Lopez credit for his experience as  
6 CEO of Tried and True, which would have the key  
7 relevant experience to perform the new contract? You  
8 can't pick and choose.

9 MR. LOPEZ: Right.

10 MS. ROBINSON: Either you're not going to  
11 consider it or you are.

12 MR. LOPEZ: Are there more examples like this out  
13 there?

14 MS. ROBINSON: No, but that's a good one, and  
15 that's a good one because he is the fair-haired boy of  
16 the Commission. Tina loves him. I don't know what's  
17 going on with that.

18 MR. LOPEZ: Okay, okay. Very good. Is anybody  
19 in SourceAmerica or previously NISH aware of any  
20 agreements between the nonprofit organizations that  
21 have competed for contracts from NISH regardless of  
22 whether those organizations have ever competed with  
23 each other? Is anybody at SourceAmerica aware of any  
24 agreements between the nonprofit organizations that  
25 have competed for contracts?

1 MS. ROBINSON: Let me -- let me just read it.  
2 It's better if I just read it straight out.

3 MR. LOPEZ: Let me --

4 MS. ROBINSON: Is this it?

5 MR. LOPEZ: Yes.

6 MS. ROBINSON: No, no, that's not. Is anybody on  
7 NISH board aware of any agreements between the  
8 nonprofit organizations that have -- I'm not sure what  
9 that question is. I don't -- so I don't know the  
10 answer.

11 MR. LOPEZ: Very well. Now, let's see. Thank  
12 you for giving me your time, but let's briefly --

13 MS. ROBINSON: What else you got? You got  
14 others?

15 MR. LOPEZ: Are you sure? I don't want to tire  
16 you out.

17 MS. ROBINSON: No. I'm good. I'll get them all.  
18 Get them while you got me.

19 MR. LOPEZ: Where should investigators look, for  
20 example --

21 MS. ROBINSON: (Unintelligible). I'll tell you  
22 the top 20.

23 MR. LOPEZ: Okay. The top 20. Okay.

24 MS. ROBINSON: Our top 20. And that would be a  
25 natural thing to investigate since 80 percent of our

1 revenue is derived from probably the top 20.

2 MR. LOPEZ: Very good. At the Commission, anyone  
3 investigators should address that would be beneficial  
4 and honest? Lineback, you said?

5 MS. ROBINSON: Pretty close to Tina. I mean,  
6 he's her right hand. I don't know anybody there that  
7 would.

8 MR. LOPEZ: Anybody in SourceAmerica that they  
9 should talk to that would be honest or at least  
10 forthcoming?

11 MS. ROBINSON: That they haven't fired? Let's  
12 see.

13 MR. LOPEZ: Or even who they have fired.

14 MS. ROBINSON: (Unintelligible) really  
15 understands the game operation. Let me think about  
16 that one.

17 MR. LOPEZ: Okay. Who should they be aware --  
18 wary of in SourceAmerica and the AbilityOne  
19 Commission? Whom should they not go to where they  
20 would just get filibustered or get false information  
21 from?

22 MS. ROBINSON: Well, the same list, the same list  
23 that I gave you.

24 MR. LOPEZ: Okay. And I think you just answered  
25 this one. Who do you believe is conducting criminal

1 activity by sharing inside information or  
2 self-enriching their own companies and things of that  
3 nature?

4 MS. ROBINSON: Yeah.

5 MR. LOPEZ: We want to know --

6 MS. ROBINSON: Well, that's the other thing.  
7 What do they get out of it, even if their company gets  
8 a contract? Some of them have incentive plans, and I  
9 know that because through the annual disclosures.

10 MR. LOPEZ: True.

11 MS. ROBINSON: But those who don't have that, in  
12 other words, they don't get a bonus if they get 52  
13 NISH contracts, what do they get? It's personal.

14 MR. LOPEZ: Personal.

15 MS. ROBINSON: Well, I don't know.

16 MR. LOPEZ: You don't know. Who would know?  
17 Where would we find it?

18 MS. ROBINSON: Well, I mean, I don't know. I  
19 mean, because I don't -- I don't see any of them -- I  
20 don't -- I don't think it's about that. I think for  
21 them it's about they look good with their board, they  
22 get -- you know, it's indirect kind of benefit. If  
23 they don't have a bonus incentive plan, which is  
24 straight out, if their compensation is they get  
25 bonuses and have an incentive plan based on the number

1 of NISH contracts they get, then that's different.

2 MR. LOPEZ: Can you tell me anything about --

3 MS. ROBINSON: And Wayne McMillan was one where  
4 that was true.

5 MR. LOPEZ: Wayne McMillan.

6 MS. ROBINSON: Um-hmm.

7 MR. LOPEZ: Who is he?

8 MS. ROBINSON: He's a former board member because  
9 he lost in an election.

10 MR. LOPEZ: Okay.

11 MS. ROBINSON: But he's also NCSE. He's a board  
12 advisor.

13 MR. LOPEZ: Okay, okay.

14 MS. ROBINSON: There are a couple more. I'd have  
15 to look on the disclosure forms.

16 MR. LOPEZ: Okay. Do you know anything -- can  
17 you tell me anything about Tony Poleo, the Commission?

18 MS. ROBINSON: No. He just -- he doesn't give me  
19 the time of day. I know he was pushing Dennis and  
20 those guys to get a restraining order against David.

21 MR. LOPEZ: Right.

22 MS. ROBINSON: But I don't -- I don't know. And  
23 Bob and them are pretty close to him. That's all I  
24 know.

25 MR. LOPEZ: Anything I should know about Martin

1 Williams, anything interesting and important?

2 MS. ROBINSON: He's just an idiot.

3 MR. LOPEZ: You village -- you village idiot.

4 But, you know, it's -- we have a saying in Spanish.

5 MS. ROBINSON: I don't think you can get anything  
6 other than the position that he's in, but, you know, I  
7 don't know.

8 MR. LOPEZ: The Spanish world says that there is  
9 no greater courage than that of an idiot.

10 MS. ROBINSON: But -- yeah, I know. That's true.  
11 But he is tied very close to Mitch Tomlinson. So he  
12 may be on his payroll, but not -- you know, I don't  
13 know. I mean, not officially, but --

14 MR. LOPEZ: And Mitch is again?

15 MS. ROBINSON: Head of Peckham.

16 MR. LOPEZ: Head of Peckham.

17 MS. ROBINSON: Our number one source of revenue  
18 right now.

19 MR. LOPEZ: Okay. Very good.

20 MS. ROBINSON: And the reason he's tied to him is  
21 because he used to be the executive director in that  
22 region.

23 MR. LOPEZ: Okay.

24 MS. ROBINSON: And remember the executive  
25 directors, they're the king and queens.

1 MR. LOPEZ: Correct.

2 MS. ROBINSON: They make you or break you.

3 MR. LOPEZ: Correct.

4 MS. ROBINSON: They have all gotten together to  
5 decide to break you.

6 MR. LOPEZ: Yeah. Well, it's going to take a  
7 little bit more.

8 MS. ROBINSON: Life goes on, yeah.

9 MR. LOPEZ: What about Joe Diaz?

10 MS. ROBINSON: Bad. I wanted to think he wasn't,  
11 but --

12 MR. LOPEZ: Just a bad -- a bad apple.

13 MS. ROBINSON: He's not very bright is what I've  
14 found having to work closely with him on, you know,  
15 some of these debriefs and stuff.

16 MR. LOPEZ: Right. Well, we know he can't spell  
17 to save himself.

18 MS. ROBINSON: No, he can't spell, but he's just  
19 not very bright. I mean, he's a good-looking guy. He  
20 can talk a better game than -- he's not -- but he goes  
21 along with everything they do. He would have been  
22 dirty as it relates to PRIDE, and when he should have  
23 knocked him out of the program, he saw to it that they  
24 got a project when they shouldn't. He lied to us. He  
25 lied to legal and said, you know, I'm going to write

1           them and put them on probation, and then -- and then  
2           we found the letter and it wasn't. So, yeah.

3           MR. LOPEZ: Okay. Did anything happen in that  
4           relationship between Bob Chamberlin and Tina Ballard  
5           up to that situation, the relationship soured or got  
6           cold when she realized it was not going to happen,  
7           Tina?

8           MS. ROBINSON: Hell, no. That's why I said she  
9           thinks it's still going to happen.

10          MR. LOPEZ: Okay.

11          MS. ROBINSON: That would be my guess.

12          MR. LOPEZ: Okay.

13          MS. ROBINSON: They still love each other.

14          MR. LOPEZ: Okay.

15          MS. ROBINSON: Not -- not in a literal sense, but  
16          you know what I mean.

17          MR. LOPEZ: Sure, sure. Yeah. Tell me a little  
18          bit about Guthrie. I love my friend Guthrie over  
19          there in Vegas.

20          MS. ROBINSON: As far as I know, I think Ed is  
21          actually pretty darn clean, other than -- to be honest  
22          with you, other than just wanting to look big in front  
23          of his agency and get a lot of contracts. Now, he's  
24          certainly a part of the mafia, the old boy network  
25          kind of thing.

1 MR. LOPEZ: He's now a part of the board of  
2 directors.

3 MS. ROBINSON: But I told you he had a private  
4 corporation. Remember when he was throwing rocks at  
5 you.

6 MR. LOPEZ: Right.

7 MS. ROBINSON: I went and did some digging, and  
8 I was like --

9 MR. LOPEZ: Right. He does. He has a  
10 for-profit.

11 MS. ROBINSON: Yeah, yeah, yeah.

12 MR. LOPEZ: He's now a board member for Access  
13 here in D.C. Access is the one who is trying to  
14 contravene the --

15 MS. ROBINSON: Yeah, I know.

16 MR. LOPEZ: -- measured wage. Is he a board  
17 member for any other agency that you know of?

18 MS. ROBINSON: Huh-uh. But he -- he has been  
19 silent since your case. He doesn't have anything to  
20 do with us anyhow.

21 MR. LOPEZ: Okay.

22 MS. ROBINSON: Literally. He doesn't come to  
23 board -- you know, he's not a board member. He's  
24 not -- you know, he might say hi at conference or  
25 whatever, but he's -- that one took him over the edge.

1           MR. LOPEZ: Well, he did have a lot of  
2 recognition this past -- in the conference in  
3 San Antonio with the awards and --

4           MS. ROBINSON: You know, but that's -- but that's  
5 part of the insider group. I mean, they give awards  
6 to the same people. They give financials to the same  
7 people. They give contracts to the same people. Go  
8 down and look at the -- go down and look at the awards  
9 and the agencies that get them, and you'll see the  
10 same ones over and over and over again.

11          MR. LOPEZ: It's just a beautiful system.

12          MS. ROBINSON: It is. You know, I don't know why  
13 you're trying to like -- no, I'm just teasing.

14          MR. LOPEZ: No, it's okay. It's a God-given  
15 assignment.

16          MS. ROBINSON: Um-hmm.

17          MR. LOPEZ: How did he get ahold of that letter,  
18 Guthrie, that Judge Lloyd George wrote on my behalf?  
19 Do you remember that letter that Judge Lloyd George  
20 said, oh, Ruben Lopez is the person that we want --

21          MS. ROBINSON: Martin probably.

22          MR. LOPEZ: Martin probably.

23          MS. ROBINSON: I don't know. I mean, by the time  
24 it got to me -- your lawyer, I think, sent it to us.  
25 I mean, I think. I think you guys gave it to us.

1           MR. LOPEZ: But how it would have gotten to  
2 Guthrie, you don't know?

3           MS. ROBINSON: How would who have gotten to  
4 Guthrie?

5           MR. LOPEZ: How that letter would have gotten to  
6 Guthrie.

7           MS. ROBINSON: He probably asked the guy. The  
8 guy is like 90-something years old. Remember, his  
9 grand -- his kid is in the program.

10          MR. LOPEZ: Right.

11          MS. ROBINSON: His grandkid was in the program,  
12 so --

13          MR. LOPEZ: Are you aware of any political --

14          MS. ROBINSON: I don't know of his relationships.

15          MR. LOPEZ: -- any political relationship he has,  
16 Ed Guthrie, with politicians or judges or anything?

17          MS. ROBINSON: No, but he's -- he's pretty  
18 entrenched in his community. No. Harry Reid is his  
19 buddy.

20          MR. LOPEZ: Right.

21          MS. ROBINSON: Oh, yeah. No. Harry Reid is his  
22 buddy, and the relationship there is, I think, Aaron  
23 Bishop's mom used to work for Ed, or I don't remember,  
24 but there's some -- there's some personal relationship  
25 there, but he's very well connected with Harry Reid,

1 very well, but I don't -- and he was -- he was kind of  
2 on their case about a lot of stuff.

3 MR. LOPEZ: Okay.

4 MS. ROBINSON: But the thing he pushed back on is  
5 when I tried to strip the power of the CRPs on the  
6 board. He pushed back on that.

7 MR. LOPEZ: He wouldn't have it.

8 MS. ROBINSON: No, he wouldn't have it.

9 MR. LOPEZ: He wouldn't have it.

10 MS. ROBINSON: He said I was relegating them to  
11 second-class citizenship or something.

12 MR. LOPEZ: Wow. What did Thomas Jefferson say?  
13 Whenever the people are afraid of the government, it's  
14 tyranny.

15 MS. ROBINSON: Yeah.

16 MR. LOPEZ: Whenever the government is afraid of  
17 the people, that's liberty.

18 MS. ROBINSON: Yeah. I guess.

19 MR. LOPEZ: And right now all of us in  
20 SourceAmerica, we're afraid of our government.

21 MS. ROBINSON: Yeah.

22 MR. LOPEZ: It's called tyranny.

23 MS. ROBINSON: Yeah, I guess that's true.

24 MR. LOPEZ: What does KCK stand for?

25 MS. ROBINSON: Camp -- I don't know. You got to

1 look that one up on the -- all you got to do is put it  
2 on the Internet.

3 MR. LOPEZ: Okay.

4 MS. ROBINSON: Go to the Internet. My phone is  
5 dead. Look at your Google real quick.

6 MR. LOPEZ: We can get that later. I have  
7 meaningful questions I've been writing out, writing  
8 down. Who owns them? Oh, you said that general  
9 manager.

10 MS. ROBINSON: Bob Turner.

11 MR. LOPEZ: Bob Turner.

12 MS. ROBINSON: And two other gentlemen.

13 MR. LOPEZ: Are they --

14 MS. ROBINSON: As soon as you pull it up, you'll  
15 see.

16 MR. LOPEZ: They are for-profit? They're a  
17 for-profit agency?

18 MS. ROBINSON: Yes, veterans disabled owned  
19 certified, whatever certification you get that goes  
20 along with that.

21 MR. LOPEZ: Is there a specific pattern for  
22 rigging the sources sought, a specific pattern that  
23 these nonprofit agencies use?

24 MS. ROBINSON: No. I mean, I think they call  
25 Martin in a room and tell him who's going to get what,

1 and that's the way it goes, and Martin, you know.

2 MR. LOPEZ: Okay. Jean, I want this thing --  
3 this thing is going to happen, I want you to know.

4 MS. ROBINSON: Okay. Tell me what's going to  
5 happen.

6 MR. LOPEZ: This thing -- this thing is going  
7 forward.

8 MS. ROBINSON: Okay.

9 MR. LOPEZ: You know that I have access and a  
10 relationship with people that can make it happen.

11 MS. ROBINSON: Is there any way that the  
12 Commission knows it's going forward, Barry Lineback or  
13 Dennis?

14 MR. LOPEZ: No.

15 MS. ROBINSON: Why did they pull back these two?  
16 This is unprecedented. They've never been that  
17 scared. I just want you to know that, and that only  
18 happened this week.

19 MR. LOPEZ: Tell me again.

20 MS. ROBINSON: Okay. It's a 500-million-dollar  
21 opportunity.

22 MR. LOPEZ: Yes.

23 MS. ROBINSON: Okay. That was already added to  
24 the procurement list. And, yes, it was in Virginia  
25 Beach, who anybody in Virginia they're going to link

1 to David Gonzales, but anyway.

2 MR. LOPEZ: Of course.

3 MS. ROBINSON: Protested or hired some lawyers,  
4 threatened to file. We never, and I say never, take  
5 anything off once it's been voted on, the committee  
6 vote letter has gone out. There's one in Indiana that  
7 Bob personally was -- had gotten back on, Crane,  
8 C-r-a-n-e. And they pulled those two, unprecedented.

9 Martin is so nervous. I said, Martin, aren't you  
10 coming to the picnic? (Whispering sounds) I can't  
11 even tell you everything that's happening. And he is  
12 more nervous than he's ever been in his life, because  
13 he told me a whole story for about a half hour and  
14 then he called me back later and says, I'm about to  
15 get on the phone with the Commission, you need to know  
16 they're pulling these two projects and blah, blah,  
17 blah. I said, Martin, I know, you talked to me  
18 earlier, you told me about it. I was like it was me.  
19 I thought I was being crazy. He says, oh, yeah, yeah,  
20 yeah; sorry, sorry, bye.

21 So I'm just telling you it's only been in the  
22 week, in this past week, that Barry -- and I don't  
23 know if folks from -- I mean, they are the government  
24 too, you know. The Commission is the government. I  
25 don't know if Justice said slow your roll or

1 something, but they pulled back like crazy, and they  
2 have never done that.

3 MR. LOPEZ: Right. We will find out about that.

4 MS. ROBINSON: Well, I'm just telling you --

5 MR. LOPEZ: Sure, sure.

6 MS. ROBINSON: -- there may be some kind of leak,  
7 is what I'm telling you.

8 MR. LOPEZ: Right. Absolutely. I get it. I get  
9 it.

10 MS. ROBINSON: Because these two would have  
11 cooked their goose probably, so --

12 MR. LOPEZ: Well, this thing is about to go  
13 operational again. It's going to. It has to. In the  
14 past your sense of justice has been stimulated by  
15 these people's wrong-doings and corrupt actions, and I  
16 agree with you, and the only satisfaction for not only  
17 us but for the people that are truly harmed will be  
18 for these characters to receive their justice for what  
19 they are doing. But this is bigger. You asked me a  
20 question --

21 MS. ROBINSON: But they might be working fast  
22 too. You know what I mean by that?

23 MR. LOPEZ: No.

24 MS. ROBINSON: Like -- like Bob's health has been  
25 bad. Dennis keeps saying he's out in two. So they

1 got to put all these things that I told you, these  
2 future things in place.

3 MR. LOPEZ: Correct.

4 MS. ROBINSON: So there's an impetus to get them  
5 in place.

6 MR. LOPEZ: Get them in place. And that's the  
7 beauty, because there comes human nature, that element  
8 that you've got to do it, and that's the beauty of  
9 things.

10 MS. ROBINSON: And PRIDE has gone completely  
11 underground, but that's because they just got -- well,  
12 they figured out a way to manipulate the system with  
13 the top secret.

14 MR. LOPEZ: Yes.

15 MS. ROBINSON: So, you know, you don't need to  
16 keep competing for this little shit when you can get  
17 500-million-dollar contracts.

18 MR. LOPEZ: Correct, correct. See, what it is,  
19 past actions are there, and you cannot go back.

20 MS. ROBINSON: That's true.

21 MR. LOPEZ: You've done it. It's there. It's  
22 written in stone.

23 MS. ROBINSON: That's true, that's true.

24 MR. LOPEZ: You go to the Metropolitan Museum,  
25 all Egypt is there, Middle Persia is there. They

1 can't go back.

2 MS. ROBINSON: That's true.

3 MR. LOPEZ: Same thing with this.

4 MS. ROBINSON: That's true.

5 MR. LOPEZ: That's the beauty of it.

6 MS. ROBINSON: That's true.

7 MR. LOPEZ: You said rightly that we're not alone  
8 here. God exists, and this is too much. There are  
9 people like Fort Bliss, Texas, where people with  
10 disabilities have been hurt, and there's no one to  
11 protect them.

12 MS. ROBINSON: Oh, let me tell you what -- let me  
13 tell you what happened there. 51-10. You know, I  
14 found that and said, Commission, you know, you're not  
15 doing anything you're supposed to be doing and where's  
16 your whistleblower. And Dennis said, well, Jean,  
17 you're interpreting that wrong, blah, blah, blah. I  
18 said, okay, well, you go with yours, and I'll go with  
19 mine, I think mine is right, where they don't think  
20 the statute applies. I mean, that's easy low-hanging  
21 fruit, but it has hurt people with disabilities  
22 because they're not following what they're supposed to  
23 do, and, yeah, they are, and I know -- and I feel  
24 badly for some of those people.

25 Oh, there's one guy that I really -- I have just

1           been too busy to call him back. Very good guy. He  
2           worked for PCSI. Let me check my phone. It's dead.  
3           He worked for -- I got to go to this thing with our  
4           state Senator at 5:00, my buddies from law school,  
5           their law firm, except I don't know if I want to go up  
6           in there because she's like the first openly gay  
7           Senator. I don't know what that crowd is going to  
8           look like. I don't want anybody mistaking me for --  
9           but, anyway, the bottomline is that Steve Garcia, I  
10          think I told you about him, they fired him.

11                 MR. LOPEZ: Yes. This is --

12                 MS. ROBINSON: He's a whistleblower.

13                 MR. LOPEZ: -- PRIDE, right?

14                 MS. ROBINSON: No. This is PCSI.

15                 MR. LOPEZ: PCSI.

16                 MS. ROBINSON: The other -- oh, they should be on  
17          your list too, the other fair-haired boys. They're  
18          kind of on the list because David is suing them in  
19          this case.

20                 MR. LOPEZ: Right.

21                 MS. ROBINSON: They're codefendants, Didley and  
22          PCSI.

23                 MR. LOPEZ: Okay.

24                 MS. ROBINSON: But, anyway, I meant to call him  
25          back because they just -- he blew the whistle. He was

1 a very upstanding guy as far as -- I don't know him.  
2 I mean, I had lunch with him once, he blew the  
3 whistle, I tried to help him out, got his concerns  
4 down, and the lawyer -- now, this is some of your own  
5 people. What is that guy's name? Eric Bell. He used  
6 to be -- he's Hispanic. He used to be the general  
7 counsel for the San Antonio Spurs.

8 MR. LOPEZ: Oh, okay.

9 MS. ROBINSON: He thinks he's like the shit, and  
10 he came in here, and now he's working for PCSI, and I  
11 said, don't fire this guy, you know, he's onto  
12 something, don't fire him. And the guy, you know, is  
13 kind of like -- he's a man. I mean, he's ex-military.  
14 I mean, he's kind of not real high on the totem pole.  
15 They fired him, and so he wrote me and said, Jean, I  
16 got fired today and blah, blah, blah, blah, blah. And  
17 this guy, you know, whenever I go into David's stuff,  
18 he's sort of gunning for me. Eric is.

19 MR. LOPEZ: Eric.

20 MS. ROBINSON: The general counsel of PCSI.

21 MR. LOPEZ: Okay.

22 MS. ROBINSON: Just because -- he hounded me at  
23 the conference. You guys saw him at the conference;  
24 you just didn't know who he was. He kept following me  
25 around. I didn't know him. I mean, he introduced

1           himself and everything. He said, Jean, are you going  
2           to give me this stuff that this guy gave you? I said,  
3           no, I'm sorry, I can't do that. We're all on the same  
4           table. We are. I can't do that.

5           MR. LOPEZ: Right.

6           MS. ROBINSON: I'm not going to get in the middle  
7           of that. Yeah, I'm not getting -- I didn't do it, but  
8           the guy ended up getting fired, period. I felt really  
9           bad about that, but --

10          MR. LOPEZ: But also --

11          MS. ROBINSON: He knew when he stepped forward it  
12          was possible.

13          MR. LOPEZ: There were also people with  
14          disabilities that were fired one after another, around  
15          15 of them, right?

16          MS. ROBINSON: Oh, yeah, Fort Bliss. We did a  
17          whole big investigation, everybody was mad at me, and  
18          that's the PRIDE stuff. PRIDE is -- PRIDE is dirty in  
19          every contract it has. That's all I can say about  
20          them. They really are.

21          MR. LOPEZ: And the Commission just was of no  
22          help. They absolutely did not protect these people.

23          MS. ROBINSON: I didn't have time, because I was  
24          rushing last night and rushing today, there's a letter  
25          that I drafted for Bob's signature, and I don't know

1 if it was you or David. Was it your agency or David's  
2 that was involved in this competition? Micky Gazaway,  
3 another dirty one, carrying their water, and a  
4 SourceAmerica executive director. And they pulled it  
5 back, and that's when Tina went and negotiated away  
6 all the stuff, all David's stuff.

7 MR. LOPEZ: Right.

8 MS. ROBINSON: And then there's a new person that  
9 came on the board. I don't know where she's coming  
10 from. She seems nice. She came off the Commission,  
11 Carol Lowman.

12 MR. LOPEZ: She came from the Commission to  
13 SourceAmerica's board?

14 MS. ROBINSON: Um-hmm.

15 MR. LOPEZ: Carol what?

16 MS. ROBINSON: Lowman. She's great buddies with  
17 Bob and Jim and the boys. I was having a drink with  
18 her, and I thought they -- I thought they were going  
19 to die. Bob and Bill Coleman came in. She was new.  
20 There's not very many ladies on the board. I was  
21 sitting just like this.

22 MR. LOPEZ: Right.

23 MS. ROBINSON: She came in. We started talking.  
24 You know, we struck it okay. I don't trust her  
25 because I know where she's from, but I was saying -- I

1 think she's okay. She just doesn't know she's in the  
2 middle of this.

3 MR. LOPEZ: How do you spell her last name?

4 MS. ROBINSON: Lowman, I think. L-o-m-a-n.

5 MR. LOPEZ: Okay.

6 MS. ROBINSON: But there are a lot of connections  
7 between -- you know, Bob Chamberlin was once on the  
8 Commission.

9 MR. LOPEZ: I didn't know that.

10 MS. ROBINSON: You didn't know that, right?

11 MR. LOPEZ: No, I did not know that.

12 MS. ROBINSON: Before he came over to us, yeah.

13 MR. LOPEZ: Oh, beautiful. Why didn't you say  
14 that before, young lady?

15 MS. ROBINSON: Oh, I thought you knew that.

16 These guys are just incestuous.

17 MR. LOPEZ: You know so much, you think everybody  
18 does.

19 MS. ROBINSON: Yeah. You've been around these  
20 people so long, you just kind of go, hmmm.

21 MR. LOPEZ: Bob was on the Commission before.

22 MS. ROBINSON: Oh, yes. Oh, yes. And there's  
23 some connection between Bob and Tina from DLA. Bob  
24 used to work at DLA.

25 MR. LOPEZ: What does that stand for?

1 MS. ROBINSON: Defense Logistic -- I'm sorry, I  
2 forget, you're not in products. Defense Logistics  
3 Agency. It's just a government DOJ and affiliate,  
4 agency.

5 MR. LOPEZ: And so Bob and Tina worked there?

6 MS. ROBINSON: Well, you know, they all worked in  
7 procurement, so --

8 MR. LOPEZ: Sure, procurement.

9 MS. ROBINSON: I knew Tina was their girl before  
10 I ever met her because -- and just coincidentally she  
11 was African-American. These guys don't do  
12 African-Americans well, but they were -- oh, they  
13 couldn't say enough good stuff about her. I'm like,  
14 well, whoever the -- I think I told you, whoever the  
15 new Commission person is she's obviously in somebody's  
16 pocket, and she came out of nowhere and, boom, they  
17 couldn't say enough about her, and she kept her  
18 distance from people, etcetera.

19 Now she -- I'm just telling you, there's got to  
20 be -- in the last week or two, the same lady who would  
21 not give me an appointment, official appointment --  
22 I mean, I called officially. I didn't call like, hey,  
23 let's go have lunch.

24 MR. LOPEZ: Sure.

25 MS. ROBINSON: She would not meet with me. So,

1           you know, now she wants to know -- and, oh, this  
2           was -- this was perfect. Goli, who shot, assassinated  
3           John, even though John likes her, she is kind of cute  
4           and all that, and I tried to tell him, don't trust  
5           her. And she's Bob's girl. I think Bob likes her a  
6           lot too. But the bottomline is, is that Goli set up a  
7           meeting with me with the internal auditors, these  
8           people who were supposedly doing something to say  
9           everything we're doing is right, and we were at this  
10          training. And so Tina said, Jean, come have lunch  
11          with us. You know, she thinks when -- she's like  
12          E.F. Hutton.

13                 MR. LOPEZ: Sure.

14                 MS. ROBINSON: When she speaks, you jump. And I  
15          said, okay, I will. Dennis and John. So then Goli  
16          comes marching in, you have that meeting with the  
17          internal auditors. I looked at Bob. I said: Who do  
18          I meet with? Do you want me to meet with Tina, or do  
19          you want me to meet with the internal auditors? Bob  
20          said, the internal auditors, right? And so I went in  
21          there and gave them a real good earful and told them  
22          about the corruption and how they were part of it.

23                 And so Tina after this, we go back into this  
24          day-long bullshit meeting about the new B-1, B-2,  
25          whatever they call it, and she says, I just can't

1 believe you blew me off for lunch. Ruben, it was  
2 everything I could do to say, lady, you have been  
3 blowing me off for five flipping years, I've been  
4 trying to -- you know, and I -- you know, I just  
5 looked at her and I said, oh, well, you know, I  
6 asked Bob which one I should do, and he said not  
7 you.

8 MR. LOPEZ: Right, right.

9 MS. ROBINSON: But it just worked out well, you  
10 know. So she's been trying to see where I'm coming  
11 from. She knows I know about the other stuff.

12 MR. LOPEZ: Right.

13 MS. ROBINSON: They're running scared, that's all  
14 I can tell you, and they've only been running scared  
15 in the last week and a half.

16 MR. LOPEZ: As they should, as they should be,  
17 because this thing is moving.

18 MS. ROBINSON: All right. So when you say it's  
19 moving, so Mumper and -- I'm not going to say anything  
20 to these guys. Mumper and Lisa got a little time for  
21 us again now?

22 MR. LOPEZ: Absolutely, absolutely.

23 MS. ROBINSON: Okay.

24 MR. LOPEZ: And you know that I'm good -- good  
25 acquaintances with them. You know that I work with

1           them and have for a long time.

2           MS. ROBINSON: Okay.

3           MR. LOPEZ: And will continue, because that is my  
4 duty as a citizen.

5           MS. ROBINSON: Okay.

6           MR. LOPEZ: Not only that, but I feel --

7           MS. ROBINSON: I might be a little bit lucky  
8 then, because if any of this rises back up, they will  
9 be a little bit reticent to make their move that they  
10 got to make in the next week.

11          MR. LOPEZ: Correct.

12          MS. ROBINSON: Maybe, maybe not. You never know  
13 with these guys because they're so arrogant and crazy.

14          MR. LOPEZ: But you said something, and I agree  
15 with you wholeheartedly. We are not alone. God is --

16          MS. ROBINSON: I'm telling you, there's -- even  
17 when I'm not talking to you and like I look up and  
18 say, oh, shit, that couldn't possibly happen today.  
19 You know, so there's a lot of stuff like that.

20          MR. LOPEZ: So I would like to invite you, Jean,  
21 maybe to visit in San Diego.

22          MS. ROBINSON: Yeah.

23          MR. LOPEZ: Have a little powwow.

24          MS. ROBINSON: Yeah. What I would like to do at  
25 some point -- you know, what we should do is write a

1 book and let it be the best seller, but the problem  
2 is, as Teresa is learning the word -- she's six. My  
3 kid is a character, by the way. She said, that's  
4 just fiction. She told the doctor this morning about  
5 Doc McStuffins, you know, if you watch TV, and she  
6 said, but, Doc, that's just fiction, it's not real,  
7 you can't be a doctor to animal -- to -- no, you can't  
8 be a doctor to toys, toys are not real. And so the  
9 doctor looked and said, that's definitely your kid,  
10 get out of here, you guys, and I was like --

11 MR. LOPEZ: Another attorney in the making.

12 MS. ROBINSON: Well, I don't know if she'll want  
13 to be a lawyer. She'll do something like a princess  
14 or --

15 MR. LOPEZ: Right.

16 MS. ROBINSON: She's a strange kid, though. She  
17 says some funny stuff. She said -- I said, Teresa,  
18 what do you want to wear on the first day of school,  
19 you know, just getting ready. Well, you know, mom,  
20 the first day of school you got to make a good first  
21 impression. I swear to God. I almost fell off of my  
22 chair. She said, because you never get a second  
23 chance to do that. I said, where did you learn that  
24 from? Because she stayed with her grandmother for  
25 like three weeks this summer. I said: Who taught you

1           that?  Grammar?

2                    She said, yeah, grandma told me that, but I also  
3           learned it -- I saw it on a TV program, and it's true,  
4           mommy, she said, so -- I said, so, okay, I think  
5           you're right, that's very astute.  She said, what does  
6           "astute" mean?  I said:  Well, that's very good that  
7           you could -- that's correct what you're saying.

8                    So what do you think you'd want to wear on that  
9           first day to make a good impression?  Well, I think  
10          I'll wear, you know, my yellow dress, my tights, my  
11          dress shoes.  She said, and then after the first day I  
12          can wear anything I want because I will have made the  
13          impression.  I just -- I just hollered.  I mean, it  
14          was just like -- for her I kept a straight face.

15                   MR. LOPEZ:  Right, right.

16                   MS. ROBINSON:  I said, mmm, yeah, that's good.

17                    So then the next day all of us neighborhood  
18          mothers are out there, first day, first grade.  So we  
19          got our little cameras out and everything.  Teresa,  
20          stand over there.  She said, mom, what are you doing?  
21          We're at the bus stop waiting for the bus.  I'm taking  
22          your picture.  It's the first day of school, first  
23          grade.  She said:  Well, you don't have to do that.  
24          We did that last year.  I was in kindergarten was my  
25          first day of school and my -- and she said, but now --

1 and the bus driver is sitting there waiting like would  
2 you guys get this going. She said, but now I'm an  
3 upper classman.

4 MR. LOPEZ: Oh.

5 MS. ROBINSON: I started -- we all just laughed.  
6 I said: You're a what? You're an upper classman? I  
7 said, get over here and get your picture taken, you're  
8 in first, darn it, grade. So she stood over there.  
9 She stood over there with her -- like, yeah, rolled  
10 her eyes, kind of stood over there like you're an  
11 idiot, but she got her picture taken. I said, you're  
12 in first darn grade, get on the bus. Bus driver --  
13 brand-new bus driver, he said, you're going to have a  
14 lot of years ahead of you.

15 MR. LOPEZ: Absolutely.

16 MS. ROBINSON: I said --

17 MR. LOPEZ: Very interesting.

18 MS. ROBINSON: -- yeah, I think so. So she's a  
19 character, but -- and she says funny stuff too. When  
20 she goes to NISH, it's funny. She said, Mr. Bob,  
21 you're my mommy's boss, right? He said, yes. She  
22 said, how come you won't let my mommy go on time,  
23 because I'm always the last kid to get picked up.

24 MR. LOPEZ: Oh, no.

25 MS. ROBINSON: She did.

1 MR. LOPEZ: Oh, no.

2 MS. ROBINSON: I'm always the last kid to get  
3 picked up, and my mommy's always late to pick me up  
4 because you always meet with her.

5 MR. LOPEZ: What did he say to that?

6 MS. ROBINSON: He just turned really red, and he  
7 said, oh, well, okay, I'll -- I'll let your mom go, or  
8 something, you know, something.

9 MR. LOPEZ: Right. We'll work it out.

10 MS. ROBINSON: But the -- but the thing that  
11 Denise Driver and everybody -- everybody in NISH  
12 teases me about and all the affiliates, I used to  
13 bring her to all the NISH conferences, so she kind of  
14 grew up in NISH, but she was like three years old, and  
15 this is a true story, and this is what happens when  
16 you talk around your kid. That's why sometimes I say,  
17 Ruben, I've got to talk to you some other time.

18 MR. LOPEZ: Right. I get it.

19 MS. ROBINSON: She said -- so she -- I take her  
20 to work. I'm walking her around. I'm introducing her  
21 to Bob and --

22 MALE SPEAKER: Hi, Ms. Robinson. How are you?

23 MS. ROBINSON: I'm well. How are you?

24 MALE SPEAKER: I'm doing good.

25 MS. ROBINSON: Good. Good to see you.

1           So she says to me, so, mommy, these are the  
2 clowns you work with? What do you say to that one,  
3 Ruben?

4           MR. LOPEZ: Oh, my goodness.

5           MS. ROBINSON: I said, what?

6           MR. LOPEZ: Welcome to the circus, honey.

7           MS. ROBINSON: No, I couldn't say that. But  
8 obviously I'd said that around her.

9           MR. LOPEZ: Right. You've got to be careful.

10          MS. ROBINSON: She said, mommy, are these the  
11 clowns you work with?

12          MR. LOPEZ: You've got to be careful.

13          MS. ROBINSON: I was like, oh, shit. I looked at  
14 Dennis. I was like, what do you do?

15          MR. LOPEZ: What do you do.

16          MS. ROBINSON: What do you do. You asshole, you  
17 know.

18          MR. LOPEZ: She's talking about us, it's obvious.

19          MS. ROBINSON: So Gregg Bender said, hey, Jean, I  
20 heard about the clown thing. I said, you didn't hear  
21 it from me because I didn't tell you. I was kind of  
22 embarrassed. And he said, that's pretty funny. He  
23 said, that damn kid is too precocious, you know.

24          MR. LOPEZ: She's good.

25          MS. ROBINSON: He said, that's funny. He said,

1 but what I want to know is what did you say? I go,  
2 what do you say? You're standing in front of your  
3 boss and your kid says, so these are the clowns you  
4 work with, mommy? She was three. So, I mean, I  
5 couldn't even reprimand. I couldn't do anything. I  
6 was like, go, honey, go. Yeah, so it's always -- it's  
7 always different, but --

8 MR. LOPEZ: But it's going to work out all right.  
9 It's going to work out all right.

10 MS. ROBINSON: Well, I don't know. You know, but  
11 aren't they tired?

12 MR. LOPEZ: Whom?

13 MS. ROBINSON: Bob and them. Aren't they tired?  
14 Just give it up.

15 MR. LOPEZ: No. You see, it's human nature. The  
16 Bible says --

17 MS. ROBINSON: I guess they say that about me  
18 too, though.

19 MR. LOPEZ: No, no, no. But they have  
20 something -- I mean, the Bible says that the lover of  
21 silver will never have enough. It also says that  
22 because discipline is not administered quickly the  
23 heart of men sets to do what is wrong. And this is  
24 what these people suffer from. They have been let  
25 loose too long, and they are set in their ways to do

1           what is wrong, so it's going to take something  
2           significant for them to stop.

3           MS. ROBINSON: But -- okay. All right. I buy  
4           that. You don't think NCED was significant?

5           MR. LOPEZ: Because it didn't --

6           MS. ROBINSON: The man went to jail for 10 years.  
7           He's got to pay back 68 million dollars.

8           MR. LOPEZ: Evidently, it has to touch them  
9           personally.

10          MS. ROBINSON: It did. They got hauled -- their  
11          asses got -- the government was taking no prisoners.  
12          They hauled their ass down there to participate in the  
13          investigation, to be a witness. I mean, you know, I  
14          don't know.

15          MR. LOPEZ: But --

16          MS. ROBINSON: They saw their friends. Bob  
17          should have saw his friends. He's still worried about  
18          the Keytan. Keytan is still going on. That's funny  
19          too. The relator appealed. We won the case, but he  
20          appealed it. That's the guy who said NISH was  
21          complicit --

22          MR. LOPEZ: Yes.

23          MS. ROBINSON: -- with ReadyOne. Well, we won  
24          on summary judgment, but now the guy is appealing it,  
25          so we're just waiting on to see what's going to happen

1           there. So I don't know.

2           MR. LOPEZ: Well, we would like for you to be  
3 part of the solution.

4           MS. ROBINSON: Well, I'd like to be part of the  
5 solution. I'd just like for this to stop.

6           MR. LOPEZ: Well, that's going to happen, because  
7 we will not be disappointed this time. The GAO's  
8 report, as you said and you well put it, did not  
9 modify anyone's actions, anyone's behavior. This  
10 time --

11          MS. ROBINSON: Because it wasn't quite as bad as  
12 it could be.

13          MR. LOPEZ: But this time things will --

14          MS. ROBINSON: Oh, but there's one woman on the  
15 Commission, she's from Labor, Serena. Oh, let's see.  
16 She's new. She hates -- she's from ODEP, O-D-E-P.  
17 Okay. Her boss is really the Commission member. Her  
18 boss is something Martinez. You can look up who the  
19 Commission members are. She's from the Department of  
20 Labor.

21          MR. LOPEZ: Now, she --

22          MS. ROBINSON: She hates SourceAmerica. So what  
23 she does at --

24          MR. LOPEZ: What is her name again? I'm sorry.  
25 What is her name?

1 MS. ROBINSON: Serena.

2 MR. LOPEZ: Right.

3 MS. ROBINSON: Serena is just her staff person  
4 who comes because her boss hates us so bad that she  
5 can't stand to be in the room.

6 MR. LOPEZ: Okay.

7 MS. ROBINSON: So she sends this young kind of  
8 kid.

9 MR. LOPEZ: Serena.

10 MS. ROBINSON: She thinks that the program should  
11 go away because -- you know, that's the other side.  
12 We don't want the whole program, we just want the bad  
13 people to go away. But, anyway, she gets out the GAO  
14 report, I mean, all through the meeting, and she  
15 pushes Tina and she pushes. There's three new  
16 Commission members: Anil Lewis, black guy who's  
17 blind; Karen somebody, who's an advocate -- these are  
18 all real people, but they're pretty critical of  
19 SourceAmerica -- and this woman. And she is openly  
20 antagonistic.

21 MR. LOPEZ: Serena.

22 MS. ROBINSON: Yeah. In fact, I asked Bob and  
23 them yesterday in the staff meeting or Tuesday, I  
24 said, what did you guys do to piss her off? I said,  
25 she just looks at you with -- I said, I was doing okay

1 with her until I said I'm here with SourceAmerica, and  
2 then she said -- you know, she started scowling, and  
3 she just has disdain for the organization. I said,  
4 what's that about? Bob just brushes it off. I said,  
5 and Tina looked pretty scared over there. They are  
6 Tina's boss, I mean, the Commission. So she's --  
7 she's aiming, but I still haven't figured out the --  
8 I'd have to be inside a little longer to figure out  
9 why these people made that presentation, Bob Turner's  
10 group.

11 MR. LOPEZ: To the Commission.

12 MS. ROBINSON: Yeah. What not do it to  
13 AbilityOne? I mean, disabled owned veterans. Because  
14 Bob set them up. It was beautifully orchestrated.

15 MR. LOPEZ: Right.

16 MS. ROBINSON: But, you know, I need a little  
17 help on that one. But now I know. Now, he hasn't  
18 filled out his form yet, so I'm going to bug him for  
19 his form.

20 MR. LOPEZ: Gotcha.

21 MS. ROBINSON: So I can get it in writing.

22 MR. LOPEZ: Gotcha.

23 MS. ROBINSON: So what do I do? Tell me what I  
24 do.

25 MR. LOPEZ: Well, I would like for you to meet

1 with us off-site so we can talk together and plan this  
2 out appropriately so that it will be effective and  
3 certain. We can do it in D.C. We can do it any way  
4 you like.

5 MS. ROBINSON: Okay, okay. But right now in the  
6 immediate the agents are just going to rear their  
7 heads, or you don't know? Can you get --

8 MR. LOPEZ: No, no, no, no.

9 MS. ROBINSON: Or do they think we're crazy? I  
10 mean, that's the other thing.

11 MR. LOPEZ: The answer is yes.

12 MS. ROBINSON: Okay.

13 MR. LOPEZ: That's happening.

14 MS. ROBINSON: Okay.

15 MR. LOPEZ: But it would be tremendously  
16 advantageous to us if we could meet with you  
17 because --

18 MS. ROBINSON: I'm trying to figure out what  
19 they're going to do with -- we've got to be careful  
20 how we do this, because what they want to do is  
21 compromise me from my legal standpoint as counsel to  
22 them.

23 MR. LOPEZ: I think this would be off the record.

24 MS. ROBINSON: But they're supposed to -- now,  
25 they're interviewing senior staff, and every time I go

1 to a board meeting they say they haven't taken those  
2 interviews off the table yet.

3 MR. LOPEZ: Right, right.

4 MS. ROBINSON: It doesn't seem to have much  
5 impact, but I tell them that.

6 MR. LOPEZ: Very soon they -- when it begins to  
7 happen, it will be meaningful. But I think what we  
8 need is just to be more detailed and three heads.

9 MS. ROBINSON: Here's what's going to happen.  
10 Once they start pulling the string on some of the  
11 major recent allocations, the Gregg Bender situation,  
12 the Peckham situation -- now, M.J. Willard, has she  
13 called you? She's been bugging the shit out of me. I  
14 owe her a call. In fact, I got to talk to her. I've  
15 got to do that, because I've got to go to this thing,  
16 but -- she's in your region.

17 MR. LOPEZ: Do you have her number?

18 MS. ROBINSON: She's from NTI, just look it up.  
19 NTI.

20 MR. LOPEZ: NTI. What does that stand for?

21 MS. ROBINSON: Now, I don't know her, so I don't  
22 know if you can trust her or not.

23 MR. LOPEZ: What does that stand for?

24 MS. ROBINSON: National Telecommuting Institute.  
25 Now, here's the problem. The people at the Institute

1 tell me she's as big a crook as they are, so the  
2 crooks are fighting against the crooks. I don't know  
3 if she is. I'm going to have a conversation with her  
4 today. She's protesting an allocation that went to  
5 Peckham. She's very well connected with politicians  
6 because she got a -- she went Congressional on --  
7 these last two things got the Commission's attention  
8 because they went Congressional too.

9 While this will -- the angle that has not been  
10 pursued yet, write this name down, Mark Bagley, a  
11 white guy, don't know him well, SourceAmerica  
12 employee. He quit two weeks ago. He was the head of  
13 communications. Now, he did all the communications,  
14 and he said, I'm going to get you people if it kills  
15 me, and I'm going to do it through the media, but the  
16 thing that hasn't -- the thing that they fear most,  
17 more -- because they think they're never vulnerable.  
18 The thing they fear most is bad publicity. They were  
19 sweating bullets over the GAO.

20 Now, they purposely locked me out of the GAO  
21 report, purposely. They wouldn't let me work on that  
22 at all. They put Nancyellen on it, who knows nothing  
23 about it, and Paul Plattner. Oh, I forgot about him.  
24 You know him. He's retired. He got out.

25 MR. LOPEZ: Paul.

1 MS. ROBINSON: Paul Plattner was the one who was  
2 totally in trouble on your -- on the redo. He was  
3 dirty on the redo.

4 MR. LOPEZ: Okay. That's right.

5 MS. ROBINSON: He's Martin's boss. He would have  
6 been Martin -- well, he's not on the same level as  
7 Martin Williams. He's gone now.

8 MR. LOPEZ: When did he retire?

9 MS. ROBINSON: Oh, a few months ago.

10 MR. LOPEZ: Paul Plattner.

11 MS. ROBINSON: But he's still doing some  
12 consulting.

13 MR. LOPEZ: Consulting now. For whom?

14 MS. ROBINSON: Us.

15 MR. LOPEZ: Oh, beautiful.

16 MS. ROBINSON: Bob.

17 MR. LOPEZ: Oh, okay. So we're still -- we're  
18 still in the game, though a little detached.

19 MS. ROBINSON: Right. He's been there for like  
20 35 years.

21 MR. LOPEZ: Really.

22 MS. ROBINSON: Started since he was 20 or  
23 something like that.

24 MR. LOPEZ: Now, where does Mark Bagley live?

25 MS. ROBINSON: D.C.

1 MR. LOPEZ: D.C.

2 MS. ROBINSON: And I have his number, and the  
3 guy -- I've got to call him today too. The guy who is  
4 still in but they're trying to get rid of, David  
5 Shaman, but I think he's just scared for his job.  
6 He's kind of lower on the totem pole, and so is Mark,  
7 but Mark, I don't know what he has, but, you know --  
8 and I asked them. I says, what does Mark Bagley have  
9 against you guys, because he's threatened that if we  
10 don't settle up with him and give him a payoff for  
11 leaving and we don't do that, I don't have any way to  
12 do that for him, he's going to slaughter you guys in  
13 the press. Oh, he doesn't know anything, he's fine.

14 MR. LOPEZ: Who's talking when he says, oh, he  
15 doesn't know anything?

16 MS. ROBINSON: Nancyellen, Mark. I mean, not  
17 Mark, Matthew Bates.

18 MR. LOPEZ: Matthew Bates.

19 MS. ROBINSON: The terminator. I love it, the  
20 terminator. He's the only person that can unnerve me,  
21 will make me sort of -- he can push buttons. I have  
22 to give him credit. He -- I mean, I don't like want  
23 to beat him up like John and some others, but --

24 MR. LOPEZ: I like guys like this because  
25 sometimes I like to see how tough they really are.

1 We'll have to talk to Matthew Bates.

2 MS. ROBINSON: Matthew is a character. Well,  
3 he's Bob's -- he's Bob's boy.

4 MR. LOPEZ: Okay.

5 MS. ROBINSON: And he -- and he really shouldn't  
6 be so integral in here. Oh, the one thing you need to  
7 find out, the whistleblower said that he's conflicted  
8 because he was brought on because he's a cousin of  
9 Elizabeth Goodman. So those two -- but we were never  
10 able to find it out. It's a real -- the  
11 whistleblower, the whistleblower is a lawyer, by the  
12 way. So he said to me, Jean, why don't you just go  
13 look in some family history or something. I said, I  
14 don't have time to keep track of all that stuff.

15 MR. LOPEZ: Right. So he's Elizabeth  
16 Goodman's --

17 MS. ROBINSON: Is the CFO.

18 MR. LOPEZ: CFO, yeah. Will. Yeah, Will.

19 MS. ROBINSON: No, Matthew Bates.

20 MR. LOPEZ: Matthew Bates.

21 MS. ROBINSON: The VP of HR.

22 MR. LOPEZ: Okay.

23 MS. ROBINSON: The guy who's moving on everybody  
24 Bob needs him to move on.

25 MR. LOPEZ: Gotcha. He is the cousin of --

1 MS. ROBINSON: Of Elizabeth Goodman.

2 MR. LOPEZ: Oh, beautiful.

3 MS. ROBINSON: But we can't prove it. I mean, we  
4 don't have any way to prove it.

5 MR. LOPEZ: So what would you feel comfortable  
6 with, Jean?

7 MS. ROBINSON: I don't know. I've got to think  
8 this through, because I have -- I'll tell you, in the  
9 context of my fiduciary responsibilities as a  
10 lawyer --

11 MR. LOPEZ: Okay.

12 MS. ROBINSON: -- to the organization, I have to  
13 think how that works.

14 MR. LOPEZ: Okay.

15 MS. ROBINSON: I don't know if I can do an off --  
16 because they would like nothing more than to find  
17 something to --

18 MR. LOPEZ: Right.

19 MS. ROBINSON: -- nail me with for life.

20 MR. LOPEZ: Correct.

21 MS. ROBINSON: So I have to -- I've got to think  
22 that through, how that works.

23 MR. LOPEZ: I mean, if -- whatever you feel  
24 comfortable.

25 MS. ROBINSON: Well, can they -- see, here's what

1 I think. I think if they say -- well, see, they  
2 purposely -- I don't know if it's the agents. When  
3 Bob and them said, you can no longer be on this --

4 MR. LOPEZ: Right.

5 MS. ROBINSON: -- okay, I was under that  
6 directive. So that's why I never like -- like you  
7 know I wanted to fly there and sit and look at David  
8 answer those questions or go watch Carlos prep him --

9 MR. LOPEZ: Sure.

10 MS. ROBINSON: -- because I knew when he was  
11 lying, and then I could look at Carlos and say --

12 MR. LOPEZ: Correct.

13 MS. ROBINSON: But Carlos and -- Valerie is gone,  
14 by the way. Carlos and I were so close that I was  
15 able to kind of call him up and say, you go back,  
16 David is lying.

17 MR. LOPEZ: Sure. Correct.

18 MS. ROBINSON: You go back and you beat him and  
19 you ask these questions.

20 MR. LOPEZ: Right, right.

21 MS. ROBINSON: But, see, I was kind of taken off  
22 of that project. So if your agents say, well, you  
23 know, we want to talk to inside counsel, I don't know  
24 what -- I don't know what -- or we want inside counsel  
25 to be involved as we continue forward, because you're

1 outside counsel, so maybe in that respect.

2 MR. LOPEZ: Okay. Okay.

3 MS. ROBINSON: And then worst-case scenario is  
4 they say no again.

5 MR. LOPEZ: Right.

6 MS. ROBINSON: Which is a good thing.

7 MR. LOPEZ: Right.

8 MS. ROBINSON: You know, I mean, because then  
9 they'd have to figure out why they're saying no, you  
10 know.

11 MR. LOPEZ: Correct, correct.

12 MS. ROBINSON: And they've never -- it hasn't  
13 made a difference in -- they've never -- they would  
14 never let me know anything if they could help it. I  
15 mean, I just have figured out those things. They  
16 wouldn't let me -- purposely wouldn't let me know.  
17 And then they can lie too. So after Dennis got  
18 interviewed in the Portco case, and it was the first  
19 time, again, a God-given --

20 MR. LOPEZ: Yes.

21 MS. ROBINSON: I never sit in those interviews.  
22 I just sat in. This man doesn't know shit.

23 MR. LOPEZ: Correct.

24 MS. ROBINSON: I really thought he was so much  
25 brighter.

1 MR. LOPEZ: Right.

2 MS. ROBINSON: I can't even explain that to you,  
3 Ruben. I just thought he was so much smarter. So I  
4 now have a precedent kind of sitting in on these  
5 interviews.

6 MR. LOPEZ: Right.

7 MS. ROBINSON: So when they interview -- I mean,  
8 I think that's the way I can be most helpful to you --

9 MR. LOPEZ: Okay.

10 MS. ROBINSON: -- because -- and Carlos is going  
11 to defend, but he ain't going to go out of his way  
12 to --

13 MR. LOPEZ: Correct.

14 MS. ROBINSON: -- do anything.

15 MR. LOPEZ: Correct.

16 MS. ROBINSON: You know, whereas some of the  
17 other lawyers I don't have that kind of, you know,  
18 control with in terms of -- so I think the way that  
19 would be most helpful is once they start interviewing  
20 these people. Now, before they interview they should  
21 have -- like I said, what we would do is just kind of  
22 go through. They should have enough on some of the  
23 big pieces or big allocations to ask about, and then  
24 it's just going to start.

25 MR. LOPEZ: Mushrooming?

1 MS. ROBINSON: Yes. Yes, I think so.

2 MR. LOPEZ: So you let me know what you think  
3 would be most comfortable for you that is possible for  
4 you, be it, you know, they request that you be there,  
5 that they --

6 MS. ROBINSON: But they've got to have a reason.

7 MR. LOPEZ: A reason, of course. We'll have to  
8 think of that. We will have to think of that reason.  
9 I mean --

10 MS. ROBINSON: Well, I just think in my capacity  
11 as general counsel, I think I can do that.

12 MR. LOPEZ: Correct, correct. I mean, they could  
13 call you, couldn't they?

14 MS. ROBINSON: Yeah.

15 MR. LOPEZ: They could call you as --

16 MS. ROBINSON: Yeah, they don't have to -- as far  
17 as we know.

18 MR. LOPEZ: Right.

19 MS. ROBINSON: Now, see, what Bob would have to  
20 do is go back and dig up his directive, which he was  
21 never real comfortable with anyway, because how do you  
22 explain that, I won't have my general counsel touch  
23 this investigation.

24 MR. LOPEZ: Right, right.

25 MS. ROBINSON: They could -- when they rear their

1 heads again --

2 MR. LOPEZ: Right.

3 MS. ROBINSON: -- they could do it -- they could  
4 do it via me, because they ain't going to be able to  
5 find -- I think Carlos is out of the country.

6 MR. LOPEZ: Right.

7 MS. ROBINSON: They could just call me up and  
8 say, hey, you know, we told you -- because this is the  
9 way we left it. The way we left it is that in  
10 September they were supposed to interview the staff,  
11 and they got busy with all this other GSA --

12 MR. LOPEZ: Sure.

13 MS. ROBINSON: -- and White House task force and  
14 all that stuff, and we've just been off their radar  
15 screen. They can say, okay, we're back and we're  
16 ready, and they could go forward with those same ones,  
17 because they were going to do Bob, they were going to  
18 do Jim Barone, they were going to do Dennis, and they  
19 could call me just to say we're ready to schedule.

20 MR. LOPEZ: We're coming.

21 MS. ROBINSON: Go find your counsel or do  
22 whatever you need to do.

23 MR. LOPEZ: Not going to lie.

24 MS. ROBINSON: Right. And then they could  
25 meet -- they could meet with me as counsel.

1 MR. LOPEZ: Right.

2 MS. ROBINSON: I mean, they could just come to  
3 Source -- they could show up again. Tell them don't  
4 ever do that Sergeant Friday stuff. That was cute.  
5 That was cute. I got to -- that will go down in my  
6 book. That will go down in my book. But they  
7 could -- they could just show back up at  
8 SourceAmerica, and they could say, Jean, I served a  
9 subpoena on you February 16th, was it, a year ago, two  
10 years ago.

11 MR. LOPEZ: Right.

12 MS. ROBINSON: Where is the rest of my snuff?

13 MR. LOPEZ: Right.

14 MS. ROBINSON: I let you slide a long time.

15 MR. LOPEZ: Right.

16 MS. ROBINSON: Which that's fine. I mean, that's  
17 fair. And then I would say -- because they got to be  
18 clear on who's covered by that, who they want in that  
19 subpoena, and then that would at least -- because they  
20 can't undo -- you're right, they can't undo some of  
21 this stuff, and it's enough to keep things going. So  
22 I think -- I'm trying to think if they've done  
23 anything to try to do any -- no. And the key to them  
24 rolling back in and staying on this issue, there's a  
25 jurisdiction problem with them around can they make

1 SourceAmerica -- this conflict of the CRPs, the mafia  
2 being officers of the board.

3 MR. LOPEZ: Correct.

4 MS. ROBINSON: I mean, that's beautiful for  
5 them.

6 MR. LOPEZ: Right.

7 MS. ROBINSON: But they could dismantle that --

8 MR. LOPEZ: Correct.

9 MS. ROBINSON: -- by saying -- I mean, but I  
10 don't know if they really can. They can make a strong  
11 suggestion, but it's not illegal, it's just a bad  
12 conflict, and so they can't -- that's Mumper, and  
13 Mumper figured that out very quickly. Even that first  
14 day he was there, he said, well, we can't make you do  
15 this, but, you know, certainly --

16 MR. LOPEZ: Right.

17 MS. ROBINSON: -- it doesn't look good and so  
18 forth and so on. So what they could do is just rear  
19 back up and say, finish giving us the rest of the  
20 documents.

21 MR. LOPEZ: Correct.

22 MS. ROBINSON: And then they could not be quite  
23 so cooperative with -- they could say to Carlos, look,  
24 we tried the honesty thing, nothing against you, but  
25 we think your clients are not playing straight with

1           you.

2           MR. LOPEZ:    Sure.

3           MS. ROBINSON:  So now we want what we want, and  
4           we want them to retain somebody else to get it.

5           MR. LOPEZ:    Correct.

6           MS. ROBINSON:  Do you understand what I'm saying?

7           MR. LOPEZ:    Yes, yes.

8           MS. ROBINSON:  Because --

9           MR. LOPEZ:    They're not going to come forward  
10          with the subpoenas as they should.

11          MS. ROBINSON:  Right.

12          MR. LOPEZ:    They're just not going to do it.

13          MS. ROBINSON:  No.  They're not, they're not.

14          And they need -- but they've got to be ready for a  
15          fight because all the NCWC people have lawyered up,  
16          and their lawyers are like we're going to fight this  
17          tooth and nail, that we're not -- but there's enough  
18          connection.  I don't -- I don't think they would  
19          prevail, by the way, in that.

20          MR. LOPEZ:    No, they wouldn't.

21          MS. ROBINSON:  But I'm just telling you that, but  
22          you should tell them that.

23          MR. LOPEZ:    Right.

24          MS. ROBINSON:  Because it's got to be a resource  
25          issue for them as well.

1 MR. LOPEZ: Of course.

2 MS. ROBINSON: And there's one thing I want to  
3 know. I don't know if this is true or not, but the  
4 AUSA in the NCED thing said that they spent 2 billion  
5 dollars of the government's money, billion, I didn't  
6 say million, investigating the AbilityOne program for  
7 that whole big NCED. I mean, they did well --

8 MR. LOPEZ: Yes.

9 MS. ROBINSON: -- because they got 68 million in  
10 restitution, well, if they're ever going to see it,  
11 but -- and then they got 3 million against Pat Woods  
12 and 3 million against the COO. But that's a lot of  
13 money.

14 MR. LOPEZ: He's exaggerating.

15 MS. ROBINSON: Yeah.

16 MR. LOPEZ: He's exaggerating.

17 MS. ROBINSON: Yeah, that's what I thought.

18 That's what I thought. But check it out, because that  
19 was verified by a couple of different government  
20 sources that said, yeah, they really did spend that  
21 much money. So I don't know. I don't know if they  
22 did or they didn't, but it's a lot of money.

23 MR. LOPEZ: Yeah. No, not that much, not that  
24 much. I mean, it's exaggerated.

25 MS. ROBINSON: Yeah, our program is about

1           2 billion.

2           MR. LOPEZ: Yeah, exactly.

3           MS. ROBINSON: But check it out now. It did go  
4 on a number of years, but just put that in the back of  
5 your head. I was just curious. But the bottomline  
6 is, I think if they did that --

7           MR. LOPEZ: Then you could talk.

8           MS. ROBINSON: Then I could talk to them. Then  
9 the other thing is, I think the -- just for sake of  
10 some of these opportunities that are coming on line,  
11 you know, this is going to go where it's going to go,  
12 but somebody has got to break open this top-secret  
13 thing.

14          MR. LOPEZ: Right.

15          MS. ROBINSON: And so you were going to do a  
16 little homework. I did a little bit of homework on  
17 the Net, but I wasn't able to get -- and I talked to  
18 one security specialist as to, you know, who's making  
19 that requirement. You were already onto that.

20          MR. LOPEZ: Right, right.

21          MS. ROBINSON: So I can push that more as a  
22 result of -- now, what do I say about our meeting  
23 today? That I met with Dan Cragg.

24          MR. LOPEZ: NGA, Springhill, Virginia, that thing  
25 went off the radar. We were about to present, what

1           happened to it.

2           MS. ROBINSON: And you got to give me -- you got  
3 to give me the list to go back to Martin and start  
4 digging and get you stuff, because --

5           MR. LOPEZ: It's NGA.

6           MS. ROBINSON: And I'm going to say, of course,  
7 that your lawyer was asking.

8           MR. LOPEZ: NGA in Spring --

9           MS. ROBINSON: Do me a favor.

10          MR. LOPEZ: Uh-huh.

11          MS. ROBINSON: Plug this phone in right behind  
12 you there, on the side of the wall there. Yeah, I got  
13 to get on this. Okay. N --

14          MR. LOPEZ: NGA, the National Geospatial Agency.

15          MS. ROBINSON: Yeah.

16          MR. LOPEZ: In Springhill, Virginia.

17          MS. ROBINSON: The government pulled back on  
18 that, right?

19          MR. LOPEZ: Well, we don't -- no, no. Nobody  
20 knows what happened. It just went off the radar.  
21 They said -- the last excuse they gave us, they said,  
22 we will get back to you later, the government is  
23 having scheduling problems, scheduling problems.  
24 That's it, and --

25          MS. ROBINSON: The government is having

1 scheduling problems. What else?

2 MR. LOPEZ: The CH2M Hill.

3 MS. ROBINSON: But that's not one they pulled  
4 back, I mean, on the record, right?

5 MR. LOPEZ: Right.

6 MS. ROBINSON: I mean, we don't know what --

7 MR. LOPEZ: Right. Well, they did send -- yeah,  
8 we don't know what happened.

9 MS. ROBINSON: Here's what I'm going to do. I'm  
10 going to go back. I'm going to say, I met with Ruben  
11 and his lawyer today, they're concerned about their  
12 opportunities, they're trying to determine whether or  
13 not they're going to file something for the breach of  
14 the settlement agreement because they think you guys  
15 are retaliating against them.

16 MR. LOPEZ: It's obvious.

17 MS. ROBINSON: They haven't gotten a damn thing  
18 since then, they did it in good faith, maybe -- you  
19 know, so I've been able to give them some rationale  
20 for some of them, some of them I can't.

21 MR. LOPEZ: Right.

22 MS. ROBINSON: So NGA. So who -- who is the  
23 executive director? Is that Joe Diaz again? Yes,  
24 yes.

25 MR. LOPEZ: I think -- I think so.

1 MS. ROBINSON: Yeah.

2 MR. LOPEZ: I would imagine.

3 MS. ROBINSON: Springhill, Virginia.

4 MR. LOPEZ: Springhill, Virginia.

5 MS. ROBINSON: It's Joe Diaz.

6 MR. LOPEZ: Now, this is an interesting twist.

7 CH2M Hill had a chance to chat up with the incumbent,  
8 and the incumbent said, the government tells me we're  
9 going to stay -- they're going to stay the same,  
10 there's no AbilityOne Commission thing coming here at  
11 all anymore. So it's obvious --

12 MS. ROBINSON: Wait. What do you mean now?

13 MR. LOPEZ: CH2M Hill.

14 MS. ROBINSON: Which opportunity is this?

15 MR. LOPEZ: This one.

16 MS. ROBINSON: Okay.

17 MR. LOPEZ: Yeah. At CH2M Hill, they have a lot  
18 of connections, you know --

19 MS. ROBINSON: Yeah, I know.

20 MR. LOPEZ: -- with those big boys, and the  
21 incumbent told them just two weeks ago the government  
22 said this is not going to AbilityOne anymore, it's  
23 going to stay where it is, and we didn't know that.  
24 No one has told us that or why the government changed  
25 its mind.

1 MS. ROBINSON: So Joe Diaz and Martin Williams is  
2 who I ask about that.

3 MR. LOPEZ: Yeah.

4 MS. ROBINSON: Okay. And the one in Alaska I  
5 already asked about. I do have some stuff back from  
6 Rick. I asked Rick. He says it's come back on line.

7 MR. LOPEZ: But he said that we're not going to  
8 stand a chance, Bona Fide.

9 MS. ROBINSON: He said, Jean, it didn't look good  
10 for them.

11 MR. LOPEZ: Yeah.

12 MS. ROBINSON: He read the paperwork.

13 MR. LOPEZ: That is -- that is the problem we're  
14 having. See, they -- they open it up, they request  
15 for information or for you to submit, you submit, then  
16 they pull back and say, oh, excuse me, there's got to  
17 be a pause for this or that reason. They look at your  
18 stuff, and they go, oh, this is where you're waiting,  
19 and then they ask you to resubmit again.

20 MS. ROBINSON: Yeah, I know. That's fighting  
21 city hall because it's a subjective process. Until --  
22 I've been on the record as asking to revamp the B-1  
23 system. They said, no, you can't do it. They gave it  
24 to the village idiot.

25 MR. LOPEZ: Right.

1 MS. ROBINSON: He has now revamped it. They're  
2 asking me to participate in some ethical situations on  
3 October 1st. I'm going to do that part for them.

4 MR. LOPEZ: Okay.

5 MS. ROBINSON: But the system is still -- they  
6 haven't done anything except change the name.

7 MR. LOPEZ: Correct.

8 MS. ROBINSON: Because they don't want to put --  
9 if we said, Ruben, you've got to have these things and  
10 here are the points, and you get them or you don't.

11 MR. LOPEZ: Right.

12 MS. ROBINSON: I mean, you have the stuff or you  
13 don't.

14 MR. LOPEZ: Right.

15 MS. ROBINSON: So, anyway, okay. So Alaska.  
16 What else? You haven't applied for anything else.

17 MR. LOPEZ: That's the last one. That's the last  
18 one. Now, the honest truth is --

19 MS. ROBINSON: So you've gotten nothing --

20 MR. LOPEZ: Nothing.

21 MS. ROBINSON: -- in the last year. You got the  
22 door in Illinois.

23 MR. LOPEZ: No. That went away too. That went  
24 away. Evidently -- I don't know what happened. It  
25 went away.

1 MS. ROBINSON: Well, now that one your boys at  
2 GSA were playing with you.

3 MR. LOPEZ: Yeah.

4 MS. ROBINSON: Because my boys told me, and these  
5 are just employees who I don't -- you know, it's from  
6 Martin's own region, so they all have a vendetta  
7 against you, but not these guys, and I think they said  
8 that the government said they didn't want to do  
9 business with you guys, GSA.

10 MR. LOPEZ: GSA. Do you know whom in GSA?

11 MS. ROBINSON: No, but I will find out because --  
12 what is that project called in Illinois?

13 MR. LOPEZ: It was called the State --

14 MS. ROBINSON: I call it "the door."

15 MR. LOPEZ: Yeah. State Street, State Street  
16 project.

17 MS. ROBINSON: So what's the status of it now?  
18 You don't do the door?

19 MR. LOPEZ: It went -- no.

20 MS. ROBINSON: It was only like \$10,000 or  
21 something, right?

22 MR. LOPEZ: A year, a year.

23 MS. ROBINSON: I knew it was something small like  
24 that.

25 MR. LOPEZ: \$10,000 a year.

1 MS. ROBINSON: Yeah, but it keeps you in the  
2 game.

3 MR. LOPEZ: It does. It does.

4 MS. ROBINSON: You're not even in the game now.

5 MR. LOPEZ: I'm not even in the game, not even  
6 for \$10,000 a year.

7 MS. ROBINSON: All right. And where else? Now,  
8 how are you -- this thing in Alaska, why did you apply  
9 for that one?

10 MR. LOPEZ: Because it's akin to what we do,  
11 Peterson Air Force Base.

12 MS. ROBINSON: Why you going -- you going to open  
13 an office in Alaska?

14 MR. LOPEZ: Absolutely. It's an easy thing.

15 MS. ROBINSON: All right. Okay. I just want to  
16 make sure.

17 MR. LOPEZ: Absolutely. No. We're fully  
18 capable.

19 MS. ROBINSON: All right. But don't you think  
20 they're going to find -- well, you might have one  
21 advantage because the only other black agency is up in  
22 Alaska, and they ain't going to give it to them.

23 MR. LOPEZ: Right.

24 MS. ROBINSON: So you might -- I mean, what  
25 I'm thinking is they'll try to pick somebody in

1 Alaska --

2 MR. LOPEZ: True.

3 MS. ROBINSON: -- to say -- who did I tell you  
4 was going to get it? Skookum?

5 MR. LOPEZ: Skookum.

## CERTIFICATE OF REPORTER

STATE OF MINNESOTA

COUNTY OF SCOTT

Be it known that I transcribed the foregoing audio recording from an audio link e-mailed to me by Daniel Cragg, Attorney;

That the foregoing transcript is a true and correct transcript done to the best of my ability and subject to the provisions of the "Notes" listed on page 2 of this transcript;

That I am not related to nor an employee of any of the parties hereto, nor a relative or employee of any party or counsel employed by the parties hereto, nor interested in the outcome of any action related hereto.

WITNESS MY HAND AND SEAL this 14th day of December 2013.

---

Rhonda Olynyk  
Notary Public, Scott County
